The Ideals of the East Courier Corporation

This early work by Franz Boas was originally published in 1927 and we are now republishing it with a brand new introductory biography. 'Primitive Art' is an attempt to give an analytical description of the fundamental traits of primitive art. Franz Boas was born on July 9th 1858, in Minden, Germany. Boas enrolled at the University at Kiel as an undergraduate in Physics. He completed his degree with a dissertation on the optical properties of water, before continuing his studies and receiving his doctorate in 1881. He became a professor of Anthropology at Columbia University in 1899 and founded the first Ph.D program in anthropology in America. He was also a leading figure in the creation of the American Anthropological Association
