*Essential Legal English in  
Context* Pearson

Education ESL

"A research-based ...

grammar series for

beginning- to advanced-

level students of North

American English. The

series focuses on the

grammar structures most

commonly used in North

American English, with an

emphasis on the

application of the

grammar structures to

academic writing. ... It is

designed for use both in

the classroom and as a

self-study learning tool"--

Introduction.

[Essential English for](#)

[Foreign Students](#)

Cambridge University

Press

International students of

Business or Economics

often need to write essays

and reports for exams and

coursework, and this new,

second edition of

*Academic Writing for*

*International Students of*

*Business* has been

completely revised and

updated to help them

succeed with these tasks.

This book explains the

academic writing process

from start to finish, and

practises all the key

writing skills in the  
context of Business

Studies. The book can be

used either with a teacher

or for self-study, and is

clearly organised into four

parts, with each divided

into short units that

contain examples,

explanations and

exercises for use in the

classroom or for self-

study: *The Writing*

*Process*, from assessing

sources to proofreading

*Elements of Writing*,

practising skills such as

making comparisons

*Vocabulary for Writing*,

dealing with areas such as

nouns and adjectives,

adverbs and verbs,

synonyms, prefixes and

prepositions, in an

academic context *Writing*

*Models*, illustrating case

studies, reports, longer

essays and other key

genres This is an up-to-

date book that reflects

the interests and issues of

contemporary Business

Studies, with revised

exercises, updated

reading texts and a new

glossary to ensure

accessibility and

maximise usability.

Students wanting to

expand their academic

potential will find this

practical and easy-to-use

book an invaluable guide

to writing in English for

their degree courses, and

it will also help students

planning a career with

international companies

or organisations, where

proficiency in written

English is a key skill. All

aspects of writing clearly

explained, with full

glossary for reference Full

range of practice

exercises, with answer

key included Use of

authentic academic texts

Fully updated, with

sections on finding

electronic sources and

evaluating internet

material

**Introducing English**

**Syntax** University of

Chicago Press

Offers ESL students an

overview of the

fundamentals of the

English language, with

information on usage,

grammar, verb tenses,

sentence elements, and

parts of speech.

*4000 Essential English*

*Words* Barron's

Educational Series,

Incorporated

Introducing English

Syntax provides a basic

introduction to syntax for

students studying English

as a foreign language at

university. Examining

English phrase and

sentence structure from a

descriptive point of view,

this book develops the

reader's understanding of

the characteristic features

of English sentence

construction and provides

the necessary theoretical apparatus for engaging with the language. Key features include: A unique framework combining theoretical and practical approaches to provide an insight into the intricacies of English syntax; An accessible and clear style which guides the learner through analysis, application and practical construction of sentences; A range of exercises at the end of each chapter and a brand new e-resource housing answers and commentaries to these exercises. This book requires no previous knowledge of linguistics and is essential reading for students and teachers of applied linguistics and EFL/ESL, as well as those who seek a basic grounding in English sentence structure.

Essential English for Foreign Students  
Cambridge University Press  
Winner, 2019 Global Legal Skills Book Award, given by the Global Legal Skills Conference An essential handbook for international lawyers and students Focusing on vocabulary, Essential Legal English in Context introduces the US legal system and its terminology. Designed especially for foreign-trained lawyers and

students whose first language is not English, the book is a must-read for those who want to expand their US legal vocabulary and basic understanding of US government. Ross uses a unique approach by selecting legal terms that arise solely within the context of the levels and branches of US government, including terminology related to current political issues such as partisanship. Inspired by her students' questions over her years of teaching, she includes a vast collection of legal vocabulary, concepts, idioms, and phrasal verbs and unpacks concepts embedded in US case law, such as how the US constitutional separation of powers may affect a court's interpretation of the law. The handbook differentiates basic terms in civil and criminal cases and compares terms that may seem similar because of close spellings but in fact have different meanings. For instance, what is the distinction between "taking the stand" and "taking a stand?" What is the difference between "treaties" and "treatises"? Featuring illustrations and hands-on exercises, Essential Legal English in

Context is a valuable self-study resource for those who want to improve their legal English terminology before entering a US law school, studying US law or government, or working as a seconded attorney to a US law firm. Instructors can use the handbook in an introductory US legal English course.

Basic Grammar in Use

Hodder Arnold

Traces the lives of twenty-two immigrant teens throughout the course of a year at Denver's South High School who attended a specially created English Language Acquisition class and who were helped to adapt through strategic introductions to American culture.

*Essential English for Foreign Students - 1*

Lorenz Educational Press

Suitable for upper-intermediate to advanced students, Professional English in Use Law contains 45 units covering a wide variety of legal terms and vocabulary and has been developed using authentic legal texts and documents. Topics include corporate and commercial law, liability, real property law, employment law, and more.

*Professional English in Use: Law* Routledge

Grammar and Beyond is a four-level North American grammar course informed by a collection of over one billion words of authentic language, ensuring that students learn grammar the way it is used in real spoken and written English. The Class Audio CD includes all of the audio for the exercises in the Student's Book. CEF: B2-C1.

*Basic English Grammar Student Book with Answer Key, International Version*  
Routledge

Thousands of students have found these books the ideal way to master the grammar of their chosen language. They offer a step-by-step explanation of a concept as it applies to English, a presentation of the same concept as it applies to the target language, the similarities and differences between the two languages, stressing common pitfalls for English speakers and including review exercises with an answer key.

**Grammar and Beyond Level 2 Student's Book**  
A NYU Press

Provides a basis of structures and vocabulary English containing material for about a year's work with a vocabulary of 3,000 words.

**Succeeding as an**

**International Student in the United States and Canada** Simon and Schuster

Each year, 700,000 students from around the world come to the United States and Canada to study. For many, the experience is as challenging as it is exciting. Far from home, they must adapt to a new culture, new university system, and in many cases, a new language. The process can be overwhelming, but as Charles Lipson's *Succeeding as an International Student in the United States and Canada* assures us, it doesn't have to be. *Succeeding* is designed to help students navigate the myriad issues they will encounter—from picking a program to landing a campus job. Based on Lipson's work with international students as well as extensive interviews with faculty and advisers, *Succeeding* includes practical suggestions for learning English, participating in class, and meeting with instructors. In addition it explains the rules of academic honesty as they are understood in U.S. and Canadian universities. Life beyond the classroom is also

covered, with handy sections on living on or off campus, obtaining a driver's license, setting up a bank account, and more. The comprehensive glossary addresses both academic terms and phrases heard while shopping or visiting a doctor. There is even a chapter on the academic calendar and holidays in the United States and Canada. Coming to a new country to study should be an exciting venture, not a baffling ordeal. Now, with this trustworthy resource, international students have all the practical information they need to succeed, in and out of the classroom.

**Essential English for Foreign Students**

Longman Publishing Group

Milliken's *Essential English* series for grades 1-8 is designed to enable students to use the English language in both written and oral communications effectively and with ease and confidence. Grade 5 includes 55 pages with a variety of activities to help the student gain skills in recognizing and avoiding sentence fragments and run-on sentences, using subjects and predicates, proofreading, using

synonyms and antonyms, diamante poetry, grammar review, pronoun usage, writing similes and metaphors personification and hyperbole, test taking and more. Answer keys are included.
