Wedding Planner a Journal of Memories Checklist iUniverse This book was inspired by every bride and groom who has woken up more than two months from their wedding in a cold sweat wondering if there is anything else they could have possibly forgotten. You will learn how to start the entire process off on a good foot by telling your families and finishing the engagement process. Ring selection, engagement parties, and the expectations of family and friends should be your first priority before any other planning begins. You will then start the process by setting budget parameters, outlining who will be paying for what, and creating guest lists for seating, catering, and further planning. Wedding planners and successfully married couples have been interviewed and their stories have been included to provide you with their insight into the world of the planning from start to finish. Everything you need for your big day will be laid out in a detailed checklist, including transportation, locations, reception options, catering, protocol, photography, guest services, the dress, the groom's tux, the rings, the gifts, the cake, the best man and maid of honor, and ultimately, the honeymoon. For every freshly engaged couple preparing for their big day, this book and companion CD-ROM will be a guiding force in setting and establishing your wedding plan and checklist. The companion CD-ROM is included with the print version of this book; however is not available for download with the electronic version. It may be obtained separately by contacting Atlantic Publishing Group at sales@atlantic-pub.com Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. At last a truly 'All-In-One' Wedding Planner. From the softer side of want goes into planning a wedding from Marian's view to the nuts and bolts of the required planning elements from Bryan's eye, comes a true, 'How To and Do' program. With Wedding Planning Made Simple not only are you presented with the information you need to plan your wedding, but you will have access to the on-line planning program that lets you implement the templates and planning tools discussed in the book to create your own personalized wedding. Far superior to the typical hard copy wedding planners in that once written in they are really not re-useable. With the on-line program you have the flexibility to add, manipulate, change or modify your planning as often as you like to suit your desires. To make it even better, you will be able to create your own personal wedding webpage as part of this package. Since the program is on-line and you have your own secure login and password you are able to share your details with those of whom you may be separated by distance. Best wishes with your upcoming nuptials. PlanningMadeSimple.com
