Deck can be purchased separately. A black cat with glowing eyes leads us on our nocturnal sojourn through the 78 cards of the Major and Minor Arcana. The characters of the Major Arcana visit from the realms of horror stories and Halloween tradition. Frankenstein and his bride 'bring to life' the Emperor and the Empress cards. The Minor Arcana suits are Pumpkins, Imps, Ghosts, and Bats, each with a special significance. As the suit of the ancient element Earth, the Pumpkins describe all things that are physical and tangible, real and solid -- things you can taste and smell, and of course, count. The Ghost cards are haunted by the ancient element of Water, the symbol of the fluidity of the subconscious mind, dreams, instincts, and emotions. The Bats comprise the 'thinking suit,' reflecting a bat version of the intellect -- the uncannily sensitive 'radar' of these nocturnal creatures that helps them find food and avoid collisions even on the blackest of Halloween nights. Since the traditional Tarot suit of Wands is linked with the ancient element Fire, the devilish scarlet Imps make a delightful Halloween suit equivalent.

Otto Ludwig is known in Germany as the father of psychological realism for his narrative prose. He wished to write great dramas, and undertook a detailed study of Shakespeare's plays to achieve this ambition. The notebooks in which he kept his analyses and observations were published in German after his death but are practically unknown to Shakespeare scholars in England and America. This translation makes them available for the first time.

The Transparent Tarot Weiser Books

First issued in 1910, the Rider-Waite Tarot is almost certainly the most widely used tarot card deck in the world. There are 78 tarot cards, divided into the Major and Minor Arcanas, designed by Pamela Colman Smith in accordance with A. E. Waite's instructions. An instructional booklet by A. E. Waite is included, explaining the tarot card meanings and how to use the cards for divination, with an introduction by Stuart R. Kaplan.

2013 Oracle looks beyond 2012 with a powerful divination system, including 34 beautiful laminated cards, a colorful printed cenote cloth to contain and focus the oracular energies, and an illustrated book to explain and interpret the guidance of the ancients. In beautiful artwork by visionary artist G. Borri and David Carson's prophetic interpretations, users will find answers to guide them through the uncertainties ahead. Like the Medicine Cards, 2013 Oracle is based on the spiritual wisdom of the Native American ancestors. David Carson introduced us to our power animals through that popular deck; we can now go deeper into the Native American mysteries with the 2013 Oracle. This set, including a beautiful book, deck and cloth, immerses the seeker in the rich lore of the Mayans and mound builders. We access the cosmology around which they built cities of gold where they practiced highly advanced technologies based on mathematical and scientific knowledge beyond that of the Europe of their day, knowledge we are only now beginning to comprehend. 2013 Oracle marries the sacred information these ancient ones inscribed for us with a divination system that is a mirror of our internal truth. The voice of the oracle speaks across the centuries to lead us through the contradictions of our times. A Progression of New Light The coming world will be as different from our current one as day is from night. Ancient American geometers and metaphysicians left descriptions of these dimensional shifts to help future generations. These learned ones understood that the evolution of the human was incomplete and that our species faced great wars, natural catastrophes and other hardships before humanity developed the consciousness to enter the New Creation. 2013 Oracle is the ancient map left by the ancestors to help us make a leap into infinite possibility. Their knowledge was sculpted into stone and clay and laid out in the design of the cities and calendars. It was hidden within ritual and sacrifice. Clarity Born From The Light Dimensions overlap, one with another, and exist within sacred time. Ancient peoples saw the patterning and ... understood the true measure of time more deeply than any modern culture. Time is a living entity. Waves of time have personality and possibility Over the centuries, the numerical values twenty and thirteen became highly important, a sacred series based on the subtle energies of the cosmos. The sequencing of twenty and thirteen, or 2013, is the first year of the spiritizing of matter and time. 2013 is the dawn of the New Humanity.

Everybody Rider

The #1 biggest fear in life is having to get up in front of a large audience to speak or perform. Eliminating those fears associated with public speaking or performing might be easier than you think. "It's all in how you see it!" says the author. Rand Woodbury has spent the last 30 years on stage, performing in front of large audiences, every week. Rand simply offers, "The key to

eliminating the fear is discovered in a thorough understanding of what is actually transpiring; leading up to and throughout the moments of performance." "We don't live our lives on a stage; under bright lights, with everyone staring at us." That is why it's generally perceived as a terrifying experience, but there is a relatively easy fix. Woodbury lays out a very simple step by step process as a definitive solution. The author puts you in control of the situation by examining all the unknown variables that create the anxiety. It's not complicated once you are allowed to see everything that the experience is doing to mess you up. Without a clear understanding of what is transpiring we incorrectly focus on everything that actually causes stress.

The Ultimate Guide to Tarot Card Meanings Redfeather

Stone Cold Mental Volume I In this series I'll share with you my personal collection of mentalism I've built up over the past decade and a half or so. The 13 items to follow are just a small sample of what's to come. All of this material has never been published anywhere prior to this series. In this first volume, you'll find ten effects in a few different categories, namely ESP, tarot, "time", bizarre, and "luck". Plus 3 bonus ideas including an effect specifically for magicians as well as a utility idea, and a fun presentational idea for your stand up/stage show. Also included you'll find 8 QR Codes with links to video footage, a secret website, and a whole bunch of other stuff! Step inside and join me on the journey to de-boring-ify your mentalism. Why be boring when you can be Stone Cold Mental! Inevitability A prediction is openly placed on the table. The spectator truly shuffles a packet of ESP cards then (without the mentalist ever touching the packet) deals them out on to the table stopping whenever they want. The prediction, of course, is correct. The spectator's choice is truly a free choice. Extra Sensory Pendulum The mentalist finds the spectator's thought of ESP card with a pendulum. Then the spectator finds the mentalist's thought of ESP card using a pendulum. The spectator truly has a free thought of ESP card. There is no force. Torched Tarot What follows is a very powerful moment of wonder. This will be a true connecting moment with your "spectator." The fact is, that this is more meant for a private one-on-one meeting with the spectator as a "sitter" and you as a "reader." This truly is very scary-powerful. Please, please, use it wisely and responsibly. Nightmarot The haruspex predicts a thought of tarot card in just about the creepiest way possible. Don't worry, no entrails or sacrificed animals were involved. The Persistence of Time One spectator reveals the merely thought of hour of another spectator. Time Enough at Last This effect is the same as the preceding effect. However, rather than drawings of clocks, actual watches are used, and the presentation is quite a bit different and has an overall different kind of vibe. Hotel Hell The key to the hotel room of a serial killer is shown to have a spiritual connection to the murderer causing a fireball to appear from nowhere, and other super creepy things. The Purge A voodoo doll wrapped in a cloth is seen to move. Then a pin appears in the voodoo doll at the exact place chosen by the spectator. Bone Count A spectator secretly chooses a number on a die. Another spectator chooses 1 of 6 facedown cards (i.e., one for each number on a die). The card chosen matches the number on the die. As a kicker, the other cards are shown to be completely blank. No equivoque. LOST Lottery The mental mind manipulator is able to hear the thoughts of the piqued participants as they think of some lottery numbers.
