*Oxford Bookworms Library: Stage 3: The Prisoner of Zenda*  
 Penguin Group Australia  
 Whitman's genius, passions, poetry, and androgynous sensibility entwined to create an exuberant life amid the turbulent American mid-nineteenth century. In vivid detail, Kaplan examines the mysterious selves of the enigmatic man who celebrated the freedom and dignity of the individual and sang the praises of democracy and the brotherhood of man.  
*The Prisoner of Zenda* Penguin  
 The mid-seventies – and satin baggies and chunky platforms reigned supreme. Jethro Tull did battle with glam-rock for the airwaves. At an all-boys Catholic school in Melbourne, Timothy Conigrave fell wildly and sweetly in love with the captain of the football team. So began a relationship that was to last for 15 years, a love affair that weathered disapproval, separation and, ultimately death. *Holding the Man* recreates that relationship. With honesty and insight it explores the highs and lows of any partnership: the intimacy, constraints, temptations. And the

strength of heart both men had to find when they tested positive to HIV. This is a book as refreshing and uplifting as it is moving; a funny and sad and celebratory account of growing up gay.

*Work; A Story of Experience* Harper Collins

The "Dolly Dialogues" serve much the same purpose that the ballet does in an opera—they are a divertissement pure and simple. The winsome, irresponsible "Dolly" picks her steps amid the conversational pitfalls which the adroit "Mr. Carter" spreads for her, with as much dainty sureness as a premiere danseuse, and we cannot but admire and applaud her grace and vivacity. There is no hidden meaning to the "Dialogues" any more than there is to "Dolly." They but reveal the polished inanity of the modern ball-room, the fashionable frivolity of the five o'clock tea-table, and the harmless flirtations of the lawn-tennis court. As "trifles light as air," Mr. Hope offered them to us; as trifles we accept them, and who but the most nobly serious could refuse to smile over their gracefulness, their immaculate innuendo! As a hand-book on "Polite Conversations; or, The Art of Saying Nothing Gracefully," these "Dolly Dialogues" might almost take rank as a serious classic.

Making use of recent masculinity theories, Joseph A. Kestner sheds new light on Victorian and Edwardian adventure fiction. Beginning with works published in the 1880s, when writers like H. Rider Haggard took inspiration from the First Boer War and the Zulu War, Kestner engages tales involving initiation and rites of passage, experiences with the non-Western Other, colonial contexts, and sexual encounters. Canonical authors such as R.L. Stevenson, Rudyard Kipling, Joseph Conrad, and Olive Schreiner are examined alongside popular writers like A.E.W. Mason, W.H. Hudson and John Buchan, providing an expansive picture of the crisis of masculinity that pervades adventure texts during the period.

#### *The Prisoner of Zenda Illustrated* Penguin

The Great Gatsby by F. Scott Fitzgerald Audiobook is a 1925 novel by American writer F. Scott Fitzgerald. Set in the Jazz Age on Long Island, near New York City, the novel depicts first-person narrator Nick Carraway's interactions with mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, Daisy Buchanan. Plot summary: In spring 1922, Nick Carraway—a Yale alumnus from the Midwest and a World War I veteran—journeys to New York City to obtain employment as a bond salesman. He rents a bungalow in the Long Island village of West Egg, next to a luxurious estate inhabited by Jay Gatsby, an enigmatic multi-millionaire who hosts dazzling soirées yet doesn't partake in them. One evening, Nick dines with a distant cousin, Daisy Buchanan, in the fashionable town of East Egg. Daisy is married to Tom Buchanan, formerly a Yale football star whom Nick knew during his college days. The couple has recently relocated from Chicago to a mansion directly across the bay from Gatsby's estate. There, Nick encounters Jordan Baker, an insolent flapper and golf champion who is a childhood friend of Daisy's. Jordan confides to Nick that Tom keeps a mistress, Myrtle Wilson, who brazenly telephones him at his home and who lives in the "valley of ashes", a sprawling refuse dump. That evening, Nick sees Gatsby standing alone on his lawn, staring at a green light across the bay. Days later, Nick reluctantly accompanies a drunken and agitated Tom to New York City by train. En route, they stop at a garage inhabited by mechanic George Wilson and his wife Myrtle. Myrtle joins them, and the trio proceed to a small New York apartment that Tom has rented for trysts with her. Guests arrive and a party ensues, which ends with Tom slapping Myrtle and breaking her nose after she mentions Daisy. One morning, Nick receives a formal invitation to a party at Gatsby's mansion. Once there, Nick is embarrassed that he recognizes no one and begins drinking heavily until he encounters Jordan. While chatting with her, he is approached by a man who introduces himself as Jay Gatsby and insists that both he and Nick served in the 3rd Infantry Division during the war. Gatsby attempts to ingratiate himself with Nick and when Nick leaves the party, he notices Gatsby watching him.

Tarzan of the Apes Edgar Rice Burroughs With an Introduction by Gore Vidal Set amid the vibrant colors and sounds of the African jungle, this classic work has beckoned generations of readers toward a glorious journey of pure adventure. This is the story of the ape-man Tarzan, raised in the wild, and how he learns the secrets of the jungle to survive. When his paradise is invaded by white men, Tarzan's life changes. Speaking directly to our childhood fantasies, Tarzan of the Apes takes us to that faraway place in our minds where dreams prevail—and where we too can be masters of our environment. The Prisoner of Zenda Anthony Hope With an Introduction by Justin Kaplan A perilous impersonation, a forbidden romance, a bold rescue, and a battle to the death against a malevolent foe in his ancient lair—these

form the key elements in one of the greatest and most irresistible novels of adventure ever written. In the mythical kingdom of Ruritania, Rudolf Rassendyll is called upon to impersonate the abducted heir to the throne—and he soon finds himself engaged to a beautiful princess whom he can love only while living a lie. Between its vivid emotion and unflagging action, *The Prisoner of Zenda* is the ultimate reading experience for those who seek to escape into a world of danger, daring, and noble deeds.

Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision.

#### *Prisoner of Zenda and Rupert of Hentzau* Jazzybee Verlag

Set in the fictional land of Ruritania, "The Prisoner of Zenda" is a tale of intrigue, crime and scheming villains trying to depose the rightful heir to the throne... Classics Illustrated tells this wonderful tale in colourful comic strip form, offering an excellent introduction for younger readers. This edition also includes theme discussions and study questions, which can be used both in the classroom and at home to further engage the reader in the story. The Classics Illustrated comic book series began in 1941 with its first issue, Alexandre Dumas's *The Three Musketeers*, and has since included over 200 classic tales released around the world. This new Paperback Replica edition is part of a continuing effort to make Classics Illustrated available to all, be they young readers just beginning their journeys into the great world of classic literature, or collectors who have fond memories of this much loved comic book series.

#### Jazzybee Verlag

Empire, the fourth novel in Gore Vidal's monumental six-volume chronicle of the American past, is his prodigiously detailed portrait of the United States at the dawn of the twentieth century as it begins to emerge as a world power. -----While America struggles to define its destiny, beautiful and ambitious Caroline Sanford fights to control her own fate. One of Vidal's most inspired creations, she is an embodiment of the complex, vigorous young nation. From the back offices of her Washington newspaper, Caroline confronts the two men who threaten to thwart her ambition: William Randolph Hearst and his protégé, Blaise Sanford, Caroline's half brother. In their struggles for power the lives of brother and sister become intertwined with those of Presidents McKinley and Roosevelt, as well as Astors, Vanderbilts, and Whitneys--all incarnations of America's Gilded Age. -----"Mr. Vidal demonstrates a political imagination and insider's sagacity equaled by no other practicing fiction writer," said *The New York Times Book Review*. "Like the earlier novels in his historical cycle, *Empire* is a wonderfully vivid documentary drama." -----With a new Introduction by the author.

#### *Cannery Row* McFarland

From Sherlock Holmes onwards, fictional detectives use lenses: *Ocular Proof* and the Spectacled Detective in British Crime Fiction argues that these visual aids are metaphors for ways of seeing, and that they help us to understand not only individual detectives' methods but also the kinds of cultural work detective fiction may do. It is sometimes regarded as a socially conservative form, and certainly the enduring popularity of 'Golden Age' writers such as Christie, Sayers, Allingham and Marsh implies a strong element of nostalgia in the appeal of the genre. The emphasis on visual aids, however, suggests that

solving crime is not a simple matter of uncovering truth but a complex, sophisticated and inherently subjective process, and thus challenges any sense of comforting certainties. Moreover, the value of eye-witness testimony is often troubled in detective fiction by use of the phrase 'the ocular proof', whose origin in Shakespeare's Othello reminds us that Othello is manipulated by Iago into misinterpreting what he sees. The act of seeing thus comes to seem ideological and provisional, and Lisa Hopkins argues that the kind of visual aid selected by each detective is an index of his particular propensities and biases.

*Anne Perry and the Murder of the Century* BoD – Books on Demand

Rudolph Rassendyll's quiet life is interrupted by his unexpected and personal involvement in the affairs of Ruritania, whilst travelling through the town of Zenda, finding himself engaged in plans to rescue the imprisoned king.

*The Prisoner of Zenda* Classics Illustrated

Originally published in 1973, this story of star-crossed lovers spotlights the complex nature of love, freedom, and racism in New Zealand. Samoan writer Albert Wendt's first novel, *Sons for the Return Home*, has long been out of print. Yet, readers continue to respond to the clarity of vision in this simple, powerful story of cross-cultural encounter.

*Holding the Man* Random House

Steinbeck's tough yet charming portrait of people on the margins of society, dependant on one another for both physical and emotional survival. Published in 1945, *Cannery Row* focuses on the acceptance of life as it is: both the exuberance of community and the loneliness of the individual. Drawing on his memories of the real inhabitants of Monterey, California, including longtime friend Ed Ricketts, Steinbeck interweaves the stories of Doc, Dora, Mack and his boys, Lee Chong, and the other characters in this world where only the fittest survive, to create a novel that is at once one of his most humorous and poignant works. In her introduction, Susan Shillinglaw shows how the novel expresses, both in style and theme, much that is essentially Steinbeck: "scientific detachment, empathy toward the lonely and depressed...and, at the darkest level...the terror of isolation and nothingness." For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide

authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. From the Trade Paperback edition.

*Sons for the Return Home* Simon and Schuster

A school reader for secondary pupils, in the OXFORD BOOKWORMS. BLACK SERIES STAGE 6. This new series offers students at all levels the opportunity to extend their reading and appreciation of English.

*Cold Comfort Farm* Penguin Group Australia

Rudolf Rassendyll, having heroically saved the kingdom of Ruritania and nobly given up the hand of the beautiful Princess Flavia, has returned to his normal life in England. But when, three years later, Flavia, now the unhappily married Queen of Ruritania, sends him a love letter, it is stolen by the exiled villain Rupert Hentzau. Rudolf's former adversary has been waiting for the chance to have his revenge, and this provides the perfect opportunity to stir up trouble. Rudolf must return to the troubled kingdom to defeat Hentzau, where he is embroiled once more in a world of deception, intrigue, deadly swordfights and torn loyalties. With the stakes higher than ever, will he pay the ultimate price?

*Twilight and Moonbeam Alley* Vintage

"A Man of Mark" is, like "The Prisoner of Zenda," a story of adventure and intrigue, its scene laid in an imaginary South American republic, and told in a manner strongly suggestive of opera bouffe. The writer gives his fancy the freest of play, and his characters, despite their unreality, succeed in interesting us in their fortunes. The narrative has swiftness of action, diversity of incident, and cleverness in a hundred minor touches.

**The Prisoner of Zenda** OUP Oxford

Flora Thompson (1876 to 1947) wrote what may be the quintessential distillation of English country life at the turn of the twentieth century. In 1945, the three books *Lark Rise* (1939), *Over to Candleford* (1941), and *Candleford Green* (1943) were published together in one elegant volume, and this new omnibus Nonpareil edition, complete with charming wood engravings, should be a cause for real rejoicing. The books have inspired two plays that ran in London, and the trilogy has been adapted into a multi-part, long-running television drama series by the BBC. The first series of ten episodes is scheduled to be syndicated on various PBS stations throughout the United States. A second series of twelve episodes, currently being broadcast in the United Kingdom, will follow in the United States shortly after.
