TIANA ASHER

The Rational Male Viking Adult

A beautiful 65th anniversary paperback edition of the landmark literary work by acclaimed author Paul Bowles. In this classic work of psychological terror, Paul Bowles examines the ways in which Americans apprehend an alien culture--and the ways in which their incomprehension destroys them. The story of three American travelers adrift in the cities and deserts of North Africa after World War II, *The Sheltering Sky* is at once merciless and heartbreaking in its compassion. It etches the limits of human reason and intelligence--perhaps even the limits of human life--when they touch the unfathomable emptiness and impassive cruelty of the desert.

12 Rules for Life Random House

A Los Angeles Times columnist recounts her eighteen-month undercover stint as a man, a time during which she underwent considerable personal risks as she worked a sales job, joined a bowling league, frequented sex clubs, dated, and encountered firsthand the rigid codes and rituals of masculinity. 80,000 first printing.

Propaganda Atria Books

Joining the ranks of classics like *The Elements of Style* and *On Writing Well*, *Writing Without Bullshit* helps professionals get to the point to get ahead. It's time for *Writing Without Bullshit*. *Writing Without Bullshit* is the first comprehensive guide to writing for today's world: a noisy environment where everyone reads what you write on a screen. The average news story now gets only 36 seconds of attention. Unless you change how you write, your emails, reports, and Web copy don't stand a chance. In this practical and witty book, you'll learn to front-load your writing with pithy titles, subject lines, and opening sentences. You'll acquire the courage and skill to purge weak and meaningless jargon, wimpy passive voice, and cowardly weasel words. And you'll get used to writing directly to the reader to make every word count. At the center of it all is the Iron Imperative: treat the reader's time as more valuable than your

own. Embrace that, and your customers, your boss, and your colleagues will recognize the power and boldness of your thinking. Transcend the fear that makes your writing weak. Plan and execute writing projects with confidence. Manage edits and reviews flawlessly. And master every modern format from emails and social media to reports and press releases. Stop writing to fit in. Start writing to stand out. Boost your career by writing without bullshit.

Sun Tzu better watch his back' New York Magazine 'An Art of War-style book of tough guy maxims to live by' Evening Standard Spanning world civilizations, synthesizing dozens of political, philosophical, and religious texts and thousands of years of violent conflict, *The 33 Strategies of War* is the I-Ching of conflict, the contemporary companion to Sun Tzu's *The Art of War*. Abundantly illustrated with examples from history, from powerful world leaders like Napoleon and Margaret Thatcher, to Shaka the Zulu and Hannibal, each of the thirty-three chapters outlines a strategy to help you win life's wars. Learn proactive methods that require you to maintain initiative and negotiate from positions of strength, or defensive strategies that allow you to respond to dangerous situations and avoid unwinnable wars. Great warriors of battlefields and boardrooms alike demonstrate prudence, agility, balance and calm, and a keen understanding that the rational and resourceful always defeat the panicked. An indispensable book, *The 33 Strategies of War* provides you with all the advice you need to gain and maintain the upper hand.

Bachelor Pad Economics Berkley

Richard La Ruina went from 21-year old virgin, to one of the world's celebrated Dating Coaches, and finally to happily married family man. In *Soulmate Sequence* he reveals the techniques beyond just Pick Up. From building friendship circles and a rich and rewarding social life, to finding and keeping "The One", *Soulmate Sequence* gives you the blueprints for success.

"The Bible of the Red Pill", *The Rational Male*® is a rational and pragmatic approach to intersexual dynamics, and the social and psychological underpinnings of intergender relations. The book is

the compiled, ten-year core writing of author/blogger Rollo Tomassi from [therationalmale.com](#). Rollo Tomassi is one of the leading voices in the globally growing, male-focused online consortium known as the "Manosphere". Outlined are the concepts of positive masculinity, the feminine imperative, plate theory, operative social conventions and the core psychological theory behind Game awareness and "red pill" ideology. Tomassi explains and outlines the principles of intergender social dynamics and foundational reasoning behind them.

Self-made Man Penguin

Practical Female Psychology for the Practical Man is a unique examination of women and relationships in an era of material equality between the sexes. Despite vast gains in the welfare of women, especially in the modern West, both men and women are finding relationships ranging from dating to marriage increasingly difficult. The author draws upon cutting edge science in evolutionary biology, and neuropsychology, and vast personal experience with women to distill some simple and practical principles men will find useful for creating and maintaining relationships with emotionally and sexually compatible women. [Man Seeks God](#) Createspace Independent Publishing Platform *The Tactical Guide to Women* delivers a solid plan for allowing the right women into your life, and keeping the wrong ones at a safe distance.

The Real is Not the Rational Simon and Schuster

Building on the core works of *The Rational Male* - *Preventive Medicine* presents a poignant outline of the phases of maturity and the most commonly predictable experiences men can expect from women as they progress through various stages of life. Rational and pragmatic, the book explores the intergender and social dynamics of each stage of women's maturity and provides a practical understanding for men in dealing with women in those phases. *Preventive Medicine* also provides revealing outlines of feminine social primacy, Hypergamy, the 'Hierarchies of Love' and the importance of understanding the conventional nature of complementary masculinity in a world designed to keep men ignorant of it. *The Rational Male* - *Preventive Medicine* seeks to help men who "wish they knew then what they know now."The

book is the first in of series complements to The Rational Male, the twelve-year core writing of author/blogger Rollo Tomassi from therationalmale.com. Rollo Tomassi is one of the leading voices in the globally growing, male-focused online consortium known as the "Manosphere".

The Unplugged Alpha (2nd Edition) HarperCollins

Originally published as an e-book that became a controversial media phenomenon, *No More Mr. Nice Guy!* landed its author, a certified marriage and family therapist, on The O'Reilly Factor and the Rush Limbaugh radio show. Dr. Robert Glover has dubbed the "Nice Guy Syndrome" trying too hard to please others while neglecting one's own needs, thus causing unhappiness and resentment. It's no wonder that unfulfilled Nice Guys lash out in frustration at their loved ones, claims Dr. Glover. He explains how they can stop seeking approval and start getting what they want in life, by presenting the information and tools to help them ensure their needs are met, to express their emotions, to have a satisfying sex life, to embrace their masculinity and form meaningful relationships with other men, and to live up to their creative potential.

The Truth Vintage

Birkhead reveals a world in which males and females vie with each other as they strive to maximize their reproductive success. Color illustrations.

Male Fantasies Penguin

Building once more on the core works of The Rational Male by Rollo Tomassi, *Positive Masculinity* is the newest supplemental reading in the series designed to give men, not a prescription, but actionable information to build better lives for themselves based on realistic and objective intersexual dynamics between men and women. Rational and pragmatic, the book outlines four key themes: Red Pill Parenting, The Feminine Nature, Social Imperatives and Positive Masculinity. Free of the pop-psychology pablum about parenting today, Red Pill Parenting is primarily aimed at the fathers (and fathers-to-be) who wanted more in depth information about raising their sons and daughters in a Red Pill aware context. While not an instruction manual, it will give men some insight into how to develop a parenting style based on Red Pill principles as well as what they can expect their kids to encounter from a feminine-primary social order determined to 'educate' them. The Feminine Nature is a collection of essays,

revised and curated, that specifically address the most predictable aspects of the female psyche. It outlines and explores both the evolutionary and socialized reasons for women's most common behaviors and their motives, and how men can build this awareness into a more efficient way of interacting with them. *Social Imperatives* details how the female psyche extrapolates into western (and westernizing) cultural narratives, social dictates and legal and political legislation. This is the Feminine Imperative writ large and this section explores how feminism, women's sexual strategy and primary life goals have molded our society into what we take for granted today. Also detailed is the 'women's empowerment' narrative, and the rise of a blank-slate egalitarian equalism masking as a form of female supremacism that has fundamentally altered western cultures. The last section, *Positive Masculinity*, is comprised of essays, reformed and expanded upon, that will give men a better idea of how to define masculinity for themselves from a conventional and rational perspective. In an era when popular culture seeks to dismiss, ridicule, shame and obscure masculinity, this section and this book is intended to raise men's awareness of how fluid redefinitions of masculinity have been deliberately used to disempower and feminize men by a feminine-primary social order. This book is the third in of series complements to The Rational Male, the fifteen-year core writing of author/blogger Rollo Tomassi from therationalmale.com. Rollo Tomassi is one of the most prominent voices in the globally growing, male-focused online consortium known as the "Manosphere" as well as one of the 'Godfathers' of intersexual Red Pill awareness.

Aristotle's On the Soul Vintage

NO MORE GAMES. IT'S TIME FOR THE TRUTH. Neil Strauss made a name for himself advocating freedom, sex and opportunity as the author of *The Game*. Then he met the woman who forced him to question everything. Neil's search for answers took him from Viagra-laden free-love orgies to sex addiction clinics, from cutting-edge science labs to modern-day harems, and, most terrifying of all, to his own mother. What he discovered changed everything he knew about love, sex, relationships and, ultimately, himself. The Truth may have the same effect on you.

Writing Without Bullshit Createspace Independent Publishing Platform

A plane crashes on a desert island and the only survivors, a group

of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

Lord of the Flies Penguin

Power has an appearance and appearance has power. Ideally those two would line up together and the world would be full of good, masculine men who dress and look like good masculine men. But all too often, reality is something different. There are good men and strong leaders out there who dress and look like children or bums. There are awful, lazy men in the world who dress in a way that hides their vices from those around them and makes them appear better than they truly are. In an attempt to correct for these disparities, our current culture tries to rob both appearance of its power and power of its appearance - to say that the way a person dresses or looks doesn't - or at least shouldn't matter. We're given platitudes like, "don't judge a book by its cover" and there's a often a cultural rush to prove ourselves as non-judgmental as we can. But a man's appearance has been an integral part of humanity since before the dawn of civilization. As human beings we use mental shortcuts when assessing our surroundings and the people within them. It is inefficient and dangerous to treat every object, scenario, and person as a blank slate or an unknown. And, because it is our tendency to judge according to visual stimuli, we use physicality, body language, grooming, and clothing to quickly and effectively communicate who we are and how we want other people to perceive us. Some men dress to appear more physically threatening, others to

convey status and power within social spheres, some attempt to fit in and not draw attention to themselves, and others will use their clothing to show their disdain for the social norms around them. Regardless of what your intentions are, your clothing says something about you. And no, this doesn't just apply to you, but to every man who has ever interacted with another human being. From the ancient shaman, to the Wall Street banker, the Pope to the gutter punk, all men use clothing and appearance to tell the world who we are. Which means it's worthwhile for you to understand how to use this tool effectively. The purpose of this book is to outline the underlying principles of how clothing affects men and masculinity. Understanding and applying those principles will take you far beyond looking like you've been dressed by an image consultant, in one of his five variations of acceptable clothing, and into the realm of being well-dressed all the time.

Practical Female Psychology for the Practical Man Faber & Faber

This new edition of Genevieve Lloyd's classic study of the maleness of reason in philosophy contains a new introduction and bibliographical essay assessing the book's place in the explosion of writing and gender since 1984.

The Myth of Male Power Random House Canada

What does it mean to be male in the 21st Century? Award-winning artist Grayson Perry explores what masculinity is: from sex to power, from fashion to career prospects, and what it could become—with illustrations throughout. In this witty and necessary new book, artist Grayson Perry trains his keen eye on the world of men to ask, what sort of man would make the world a better place? What would happen if we rethought the macho, outdated version of manhood, and embraced a different ideal? In the current atmosphere of bullying, intolerance and misogyny, demonstrated in the recent Trump versus Clinton presidential campaign, *The Descent of Man* is a timely and essential addition

to current conversations around gender. Apart from gaining vast new wardrobe options, the real benefit might be that a newly fitted masculinity will allow men to have better relationships—and that's happiness, right? Grayson Perry admits he's not immune from the stereotypes himself—yet his thoughts on everything from power to physical appearance, from emotions to a brand new Manifesto for Men, are shot through with honesty, tenderness, and the belief that, for everyone to benefit, updating masculinity has to be something men decide to do themselves. They have nothing to lose but their hang-ups.

[The Descent of Man](#) Sanage Publishing House Llp

The rational male is a thorough study on male and female nature. It essentially focuses on desire and power dynamics, which in our culture have been pushed to the feminine. Being a male isn't always a terrible thing. Wanting a lot of sex isn't a negative thing, nor is being domineering, and most importantly, genuinely displaying these characteristics will appeal you to the opposite sex. The Rational Male book discusses the reasons for this. Why do women go for jerks despite their protestations? What their mating technique is and what to be aware of in order to avoid being exploited It teaches you all you need to know about both sexes and how to negotiate the sexual marketplace. In addition, you've been making blunders in your approach and living with women in general. And why your wife will no longer have sex with you. This book hopes to correct that. To get started, scroll up and click the BUY NOW button. **DISCLAIMER-** This is not the original book. You should absolutely buy the original copy of the book from the author.
