PRATT JORDYN

THAT'S NOT MY (R)

Eliza Naumann, a seemingly unremarkable nine-year-old, expects never to fit into her gifted family: her autodidact father, Saul, absorbed in his study of Jewish mysticism; her brother, Aaron, the vessel of his father's spiritual ambitions; and her brilliant but distant lawyer-mom, Miriam. But when Eliza sweeps her school and district spelling bees in quick succession, Saul takes it as a sign that she is destined for greatness. In this altered reality, Saul inducts her into his hallowed study and lavishes upon her the attention previously reserved for Aaron, who in his displacement embarks upon a lone quest for spiritual fulfillment. When Miriam's secret life triggers a familial explosion, it is Eliza who must order the chaos. Myla Goldberg's keen eye for detail brings Eliza's journey to three-dimensional life. As she rises from classroom obscurity to the blinding lights and outsized expectations of the National Bee, Eliza's small pains and large joys are finely wrought and deeply felt. Not merely a coming-of-age story, Goldberg's first novel delicately examines the

unraveling fabric of one family. The outcome of this tale is as startling and unconventional as her prose, which wields its metaphors sharply and rings with maturity. The work of a lyrical and gifted storyteller, Bee Season marks the arrival of an extraordinarily talented new writer.

There are over a hundred animal doodling opportunities in this pack, and the cards are wipe-clean so you can doodle over them again and again.

Can You See If I'm a Bee? Macmillan

You mustn't tickle the tiger or it might roar at you... but it's hard to resist that fluffy touchy-feely patch! This hilarious book has four touchy-feely patches which make a sound when you press them, along with holes in the pages and a musical finale. The combination of touchy-feely and audio is an irresistible treat for little children. The fifth title in an exciting and rapidly growing new

series of baby books. Simple, endearing artwork and amusing sounds guarantee giggles from children.

Animal Doodles Harbour Publishing

Usborne touchy-feely board book.

I Am a Bee Ordinary Terrible Things

This delightful series of board books is aimed at very young children. The bright pictures, with their patches of different textures, are designed to develop sensory and language awareness. Babies and toddlers will love turning the pages and touching the feely patches.

It's Not Me, It's You Allen & Unwin

Peppered with aphorisms and laced with wit and humour, this text is a clever, inspirational allegory about living life to its fullest.

Go Tell the Bees That I Am Gone BoD – Books on Demand

Inspired by Frances Schultz's popular House Beautiful magazine series on the makeover of her East Hampton house, Bee Cottage, what began as a decorating book evolved into a memoir combining the best elements of both: beautiful photos and a compelling personal story. Schultz

taps into what she learned during her renovations of Bee Cottage—determining how each area in the house and garden would be used and furnished—to unravel the question of how a mature, intelligent, successful woman could have made such a mess of her personal life. As she figures out each room over a period of years, Frances finds a new path in life, also a continual process. She comes to learn that, like decorating a home, our lives must adapt to who we are and what we need at different points along the way. *The Bee Cottage Story* is part memoir, part home decorating guide. Frances discusses the kinds of useful, commonsense design issues that professionals take for granted and the rest of us just may not think of, prompting the reader to examine and discover her own "truth" in decorating—and in her life.

[Bee & Me](#) Usborne Books

A lovely new edition of this popular title in the groundbreaking "That's Not My..." series. Combines bright, colorful illustrations with a variety of different textures to touch and feel.

[Song of Increase](#) Titan Books (US, CA)

These bright pictures and patches of different textures will help develop sensory and language awareness in very young children.

That's Not My Bee Sounds True

A delightful addition to the best-selling 'That's Not My'... series. Babies and toddlers will love turning the pages, touching the feely patches and spotting the familiar little white mouse as they look for their bee. Part of an internationally bestselling series, which includes over fifty titles and has sold over 5 million copies in the UK alone. With simple, repetitive text, tactile patches and bold illustrations suitable for babies and toddlers. A little, white mouse appears on every page, for children to spot.

That's Not My Car Penguin

Reproduction of the original: *The Sorceress* by Margaret Oliphant

That's Not My Lion... Usborne Books

From one of the best writers in American literature, a classic novel about smuggling, intrigue, and love. *To Have and Have Not* is the dramatic story of Harry Morgan, an honest man who is forced into running contraband between Cuba and Key West as a means of keeping his crumbling family

financially afloat. His adventures lead him into the world of the wealthy and dissipated yachtsmen who throng the region and involve him in a strange and unlikely love affair. In this harshly realistic, yet oddly tender and wise novel, Hemingway perceptively delineates the personal struggles of both the "haves" and the "have nots" and creates one of the most subtle and moving portraits of a love affair in his oeuvre. By turns funny and tragic, lively and poetic, remarkable in its emotional impact, *To Have and Have Not* is literary high adventure at its finest.

[That's Not My Parrot...](#) Simon and Schuster

WARNING! THIS MAY BE THE MOST SHOCKING BOOK YOU EVER READ! Max Fisher used to run a computer company; Angela Petrakos was his assistant and mistress. But that was last year. Now Max is reinventing himself as a hip-hop crack dealer and Angela's back in Ireland, hooking up with a would-be record-setter...in the field of serial killing. Will their paths cross again? What do you think? From the evil geniuses who brought you *Bust* comes a roller-coaster ride of suspense, mayhem and vicious fun that'll make you reluctant ever to open your mail again. Don't say we didn't warn you.

#1 NEW YORK TIMES BESTSELLER • Diana Gabaldon returns with the "vast and sweeping" (The Washington Post) newest novel in the epic *Outlander* series. War leaves nobody alone. Neither the past, the present, nor the future offers true safety, and the only refuge is what you can protect: your family, your friends, your home. Jamie Fraser and Claire Randall were torn apart by the Jacobite Rising in 1746, and it took them twenty years of loss and heartbreak to find each other again. Now it's 1779, and Claire and Jamie are finally reunited with their daughter, Brianna, her husband, Roger, and their children, and are rebuilding their home on Fraser's Ridge—a fortress that may shelter them against the winds of war as well as weather. But tensions in the Colonies are great: Battles rage from New York to Georgia and, even in the mountains of the backcountry, feelings run hot enough to boil Hell's teakettle. Jamie knows that loyalties among his tenants are split and it won't be long before the war is on his doorstep. Brianna and Roger have their own worry: that the dangers that provoked their escape from the twentieth century might catch up to them. Sometimes they question whether risking the perils of the 1700s—among them disease, starvation, and an impending war—was indeed the safer choice for their family. Not so far away,

young William Ransom is coming to terms with the mysteries of his identity, his future, and the family he's never known. His erstwhile father, Lord John Grey, has reconciliations to make and dangers to meet on his son's behalf and on his own, and far to the north, Young Ian Murray fights his own battle between past and future, and the two women he's loved. Meanwhile, the Revolutionary War creeps ever closer to Fraser's Ridge. Jamie sharpens his sword, while Claire whets her surgeon's blade: It is a time for steel.

[My Bee Book](#) Usborne Pub Limited

The Bee Book shows you step-by-step how to create a bee-friendly garden, get started in beekeeping, and harness the power of honey for well-being. Fully illustrated with full-color photographs throughout, this beautiful guide covers everything you need to know to start your own backyard hive, from setup to harvest. Practical beekeeping techniques are explained with clear step-by-step sequences, photos, and diagrams so you'll be prepared to establish your own colony, deal with diseases, collect a swarm, and much more. A comprehensive gardening chapter features planting plans to fill container and border gardens, bee "hotel" and habitat projects, and an at-a-glance flower gallery of bees' favorite plants. *The Bee Book* also shows you how to harvest honey, beeswax, and propolis from the hive and use these ingredients in 38 recipes for home remedies, beauty treatments, and candle-making. Discover the wonder of bees in nature, in your garden, and in the hive with *The Bee Book*.
