 Createspace Independent Publishing Platform

An Easier and Better Way to Learn Anatomy. The human body is wondrously complex, with 700 muscles, 206 bones, and countless cells and

tissues ... but studying and remembering all of them can be overwhelming! Instead of rote memorization, the Anatomy Coloring book helps you take an interactive approach to learning anatomy through coloring. Not only can this take less time than memorizing from textbooks and flashcards, but the process thoroughly fixes anatomical concepts in your mind for easier visual recall later.
