GRAHAM ANNA

Beneath the Moon Dragonfly Books
 This simple, young, and satisfying story follows a Chinese American family as they celebrate the Mid-Autumn Moon Festival. Each member of the family lends a hand as they prepare a moonlit picnic with mooncakes, pomelos, cups of tea, and colorful lanterns. And everyone sends thanks and a secret wish up to the moon. Grace Lin's luminous and gloriously patterned artwork is perfect for this holiday tale. Her story is simple—tailor-made for reading aloud to young children. And she includes an informative author's note with further details on the customs and traditions of the Moon Festival for parents and teachers. The Moon Festival is

one of the most important holidays of the year along with the Lunar New Year, so this book makes an excellent companion to Grace Lin's *Bringing In the New Year*, which features the same family. [Moon Handbooks Tahiti](#) Moon Travel I guess I always felt even if the world came to an end, McDonald's still would be open. High school sophomore Miranda's disbelief turns to fear in a split second when an asteroid knocks the moon closer to Earth, like "one marble hits another." The result is catastrophic. How can her family prepare for the future when worldwide tsunamis are wiping out the coasts, earthquakes are rocking the continents, and volcanic ash is blocking out the sun? As August turns dark and wintery in northeastern Pennsylvania, Miranda, her two brothers, and their mother retreat to the unexpected safe

haven of their sunroom, where they subsist on stockpiled food and limited water in the warmth of a wood-burning stove. Told in a year's worth of journal entries, this heart-pounding story chronicles Miranda's struggle to hold on to the most important resource of all—hope—in an increasingly desperate and unfamiliar world. An extraordinary series debut Susan Beth Pfeffer has written several companion novels to *Life As We Knew It*, including *The Dead and the Gone*, *This World We Live In*, and *The Shade of the Moon*.

Fodor's New England Moon Travel Cozy beach towns, deliciously fresh seafood, and a buzzing art scene: discover the best of the Ocean State with *Moon Rhode Island*. Inside you'll find: Flexible, strategic itineraries including a weeklong tour of the state and a coastal weekend

getaway, with ideas for families, foodies, beachgoers, and art lovers The top sights and unique experiences: Admire the elegant mansions of Newport, relax on the beach in Little Compton, or take a sailing lesson. Stroll through Providence's Waterplace Park and take a scenic bike ride on Block Island. Visit a world-class museum, gallery-hop in College Hill, or check out the underground music scene. Feast on authentic Italian dishes in Federal Hill or try one of Rhode Island's iconic foods, like quahogs and stuffies Honest advice from longtime local Liz Lee on when to go, how to get around, where to eat, and where to stay, from budget-friendly hotels to historic inns Full-color photos and detailed maps throughout Handy tools including tips for seniors, visitors with disabilities, and traveling with kids In-depth background on the culture, history, weather, and wildlife Full coverage of Providence, Newport, Block Island, the East Bay and Sakonnet, and South County With Moon Rhode Island's practical tips and local insight, you can plan your trip your way. Seeing more of New England? Pick up Moon Boston or Moon Maine. Driving through? Check out Moon New England Road Trip.

Mitchell on the Moon Fodor's Travel

In this classic of children's literature, beloved by generations of readers and listeners, the quiet poetry of the words and the gentle, lulling illustrations combine to make a perfect book for the end of the day. In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room—to the picture of the three little bears sitting on chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one—the little bunny says goodnight. One of the most beloved books of all time, *Goodnight Moon* is a must for every bookshelf and a time-honored gift for baby showers and other special events.

"This rich volume is a national treasure."
—Kirkus Reviews (starred review)

"Captivating, informative, and inspiring...Easy to follow and hard to put down." —School Library Journal (starred review) The inspiring autobiography of NASA mathematician Katherine Johnson, who helped launch Apollo 11. As a young girl, Katherine Johnson showed an exceptional aptitude for math. In school she quickly skipped ahead several grades and was soon studying complex equations with the support of a professor who saw great promise in her. But ability and opportunity did not always go hand in

hand. As an African American and a girl growing up in an era of brutal racism and sexism, Katherine faced daily challenges. Still, she lived her life with her father's words in mind: "You are no better than anyone else, and nobody else is better than you." In the early 1950s, Katherine was thrilled to join the organization that would become NASA. She worked on many of NASA's biggest projects including the Apollo 11 mission that landed the first men on the moon. Katherine Johnson's story was made famous in the bestselling book and Oscar-nominated film *Hidden Figures*. Now in *Reaching for the Moon* she tells her own story for the first time, in a lively autobiography that will inspire young readers everywhere.

Moon Spotlight Newport is a 65-page compact guide covering the best of this lovely seaside city. New England natives Michael Blanding and Alexandra Hall offer their firsthand advice on must-see attractions, as well as maps with sightseeing highlights, so you can make the most of your time. This lightweight guide is packed with recommendations on entertainment, shopping, recreations, accommodations, food, and transportation, making navigating Newport uncomplicated and enjoyable. This Spotlight guidebook is excerpted from *Moon Rhode Island*.

Pack Up the Moon Good Night Books

Finalist for the Pulitzer Prize and the National Book Critics Circle Award *A New York Times Notable Book* *Winner of the Texas Book Award and the Oklahoma Book Award* This New York Times bestseller and stunning historical account of the forty-year battle between Comanche Indians and white settlers for control of the American West "is nothing short of a revelation...will leave dust and blood on your jeans" (The New York Times Book Review). *Empire of the Summer Moon* spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second entails one of the most remarkable narratives ever to come out of the Old West: the epic saga of the pioneer woman Cynthia Ann Parker and her mixed-blood son Quanah, who became the last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined when the American West opened up. Comanche boys became adept bareback riders by age six; full Comanche braves were

considered the best horsemen who ever rode. They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. The war with the Comanches lasted four decades, in effect holding up the development of the new American nation. Gwynne's exhilarating account delivers a sweeping narrative that encompasses Spanish colonialism, the Civil War, the destruction of the buffalo herds, and the arrival of the railroads, and the amazing story of Cynthia Ann Parker and her son Quanah—a historical feast for anyone interested in how the United States came into being. Hailed by critics, S. C. Gwynne's account of these events is meticulously researched, intellectually provocative, and, above all, thrillingly told. *Empire of the Summer Moon* announces him as a major new writer of American history.

The Edge of Winter Simon and Schuster

A revealing tour of the opulent Newport Mansions where the Astors, Vanderbilts, and other Gilded Age families spent their summers. At the turn of the twentieth century, the wealthy families of New York would vacation at their summer homes in Newport, Rhode Island. Where the salty air once mingled with the laughter of society women in ball gowns, the houses of the Newport Cliff Walk still preside in grandeur over the crashing waves below. From the grand majesty of the Breakers to the beautiful proportions of Rosecliff, these houses are enduring reminders of the architectural flowering of the Gilded Age. Walking along the paved trail, it's easy to imagine the faintest hint of a waltz coming from the windows of Beechwood, or to envision the Duchess of Windsor's carriage arriving for a visit at Fairholme. Ed Morris takes you on a tour of twenty-four historic mansions and landmarks, entertaining along the way with tales of splendor and style, social maneuvering and matchmaking.

Life as We Knew it Houghton Mifflin Harcourt

Long recognized as the premier travel writer to the South Pacific, author David Stanley narrows and deepens his focus in *Tonga-Samoa Handbook*. Covering the lush, tropical Samoas, the ancient Kingdom of Tonga, and lonely little Niue, this book provides: -- Penetrating coverage of the unique histories, cultures, and mores of the region -- Practical tips on

flights to Tonga-Samoa and interisland travel -- Extensive accommodations listings, from the colorful International Dateline Hotel in Nuku'alofa to low-budget guesthouses in Apia -- Tips on where and what to eat: traditional Samoan palusami, the gargantuan Tongan feasts of Vava'u, and the pizzerias and mountainous ice-cream cones of Pago Pago -- 32 detailed maps

Moon New England Road Trip Penguin
Neve Halloran and her daughter have shared a fierce love for the austere beauty of Rhode Island's South County ever since Neve guided Mickey's first baby steps along the sandy shore. Now, with Mickey a teenager and Neve's last hope for happiness with her daughter's loving but unstable father gone, both will struggle to make a new life together amid the windswept landscape that sustains them. Captivated by a fragile wildlife sanctuary, Mickey will move toward womanhood in the company of a lonely boy who shares her instinctive way with the creatures of the coast. And Neve will find herself drawn to a man who has devoted his life to the sanctuary, but who is unable to share the pain of a recent loss—or reconnect with the father who still bears the scars of World War II. As winter gives way to spring, and spring to summer, a secret will emerge that has lain buried in the depths just offshore for decades, a secret that will galvanize the small seaside community. For the waters bear their own vestige of the past—and their ceaseless rhythms may point the way to hope and new beginnings. Lyrical, luminous, and utterly captivating, *The Edge of Winter* is Luanne Rice at her most penetrating and insightful, in a moving exploration of the bonds that shape us and set us free. From the Hardcover edition.

Moon Ohio Moon Travel Travelers will find the best of the South Pacific in this guidebook that provides in-depth coverage of outdoor recreation. Complete with helpful maps, photographs and illustrations, as well as useful advice on food, entertainment, and money, this guidebook offers the tools travelers need for a uniquely personal experience. *Good Night Rhode Island* Moon Travel Easy-to-read text introduces the sights of Rhode Island through a full day of sightseeing.

Directories in Print Atheneum Books for Young Readers Though small in stature, Rhode Island packs more living into its small borders than any other U.S. state. Founded by a

religious exile from the Massachusetts Bay colony in the 17th century, this proud little state has emerged from its slumping post-industrial economy to become more than just a Boston to New York City thruway. With Moon Handbooks Rhode Island, Andrew Collins leads travelers on a fascinating journey through the state's six centuries of history, folklore and reality. Being small means everything's close—more than half the population lives within a 15-mile drive of the State House in Providence and everybody in the Ocean State lives within a 30-mile drive from either the beach or Narragansett Bay, America's second-largest estuary. Covering all aspects of the ocean state—from the shores of Newport, South County, and Block Island to the city streets of Providence to the industrial heritage of the Blackstone river valley- Moon Handbooks Rhode Island is the perfect guide for exploring this fascinating state.
