LEONIDAS MARSHALL

In the Time of the Butterflies Vintage
¿La convertiría en su esposa o en su amante? Margot De Bryun era independiente y no estaba dispuesta a que un hombre controlara su vida. Sin embargo, el atractivo libertino Stephen Standish, marqués de Fanworth, le picaba la curiosidad... ¿Un hombre podía tener... otras ventajas? A Stephen le parecía que Margot reunía todas las virtudes para casarse con ella; era inteligente, atractiva y tenía talento. Sin embargo, cuando unos rubíes que habían robado a la familia lo llevaron a la joyería de Margot, él, furioso, le exigió que fuese su amante... pero no era fácil doblegar a Margot.

Celos Harper Collins
A pioneering work from a visionary anthropologist, *The Children of Sanchez* is hailed around the world as a watershed achievement in the study of poverty—a uniquely intimate investigation, as poignant today as when it was first published. It is the epic story of the Sánchez family, told

entirely by its members—Jesus, the 50-year-old patriarch, and his four adult children—as their lives unfold in the Mexico City slum they call home. Weaving together their extraordinary personal narratives, Oscar Lewis creates a sympathetic but ultimately tragic portrait that is at once harrowing and humane, mystifying and moving. An invaluable document, full of verve and pathos, *The Children of Sanchez* reads like the best of fiction, with the added impact that it is all, undeniably, true.

The Curious Incident of the Dog in the Night-Time A&C Black

From the bestselling author of *Kafka on the Shore*: A magnificent coming-of-age story steeped in nostalgia, “a masterly novel” (*The New York Times Book Review*) blending the music, the mood, and the ethos that were the sixties with a young man’s hopeless and heroic first love. Now with a new introduction by the author. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As

Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegiac, Norwegian Wood first propelled Haruki Murakami into the forefront of the literary scene.

A New Reference Grammar of Modern Spanish Vintage

Annotation. A critique of the lesbian sex industry's efforts to profit from women's oppression. Lolita Scholastic Inc.

Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more. Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her

perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

Caliban and the Witch

Serapis Classics

A fresh, practical approach to Leo Tolstoy's enduring classic, *Anna Karenina*, considered one of the greatest novels ever written.

The Book Thief Simon and Schuster

Tarzan, the king of the jungle, enters an isolated country called Minuni, inhabited by a people four times smaller than himself, the Minunians, who live in magnificent city-states which frequently wage war against each other.

Tarzan befriends the king, Adendrohahkis, and the prince, Komodoflorensal, of one such city-state, called Trohanadalmakus, and joins them in war against the onslaught of the army of

Veltopismakus, their warlike neighbours.

The Origin of the Family, Private Property and the State DigiCat

A weird wonder of Argentine and modern literature and a crucial work for Julio Cortázar, *The Seven Madmen* begins when its hapless and hopeless hero, Erdosain, is dismissed from his job as a bill collector for embezzlement. Then his wife leaves him and things only go downhill after that. Erdosain wanders the crowded, confusing streets of Buenos Aires, thronging with immigrants almost as displaced and alienated as he is, and finds himself among a group of conspirators who are in thrall to a man known simply as the Astrologer. The Astrologer has the cure for everything that ails civilization. Unemployment will be cured by mass enslavement. (Mountains will be hollowed out and turned into factories.) Mass enslavement will be funded by industrial-scale prostitution. That scheme will be kicked off with murder. "D'you know you look like Lenin?" Erdosain asks the Astrologer. Meanwhile Erdosain struggles to determine

the physical location and dimensions of the soul, this thing that is causing him so much pain. Brutal, uncouth, caustic, and brilliantly colored, *The Seven Madmen* takes its bearings from Dostoyevsky while looking forward to Thomas Pynchon and Marvel Comics.

A Thousand Splendid Suns Pan Macmillan

(abridged and revised)

This reference grammar offers intermediate and advanced students a reason ably comprehensive guide to the morphology and syntax of educated speech and plain prose in Spain and Latin America at the end of the twentieth century. Spanish is the main, usually the sole official language of twenty-one countries,} and it is set fair to overtake English by the year 2000 in numbers 2 of native speakers. This vast geographical and political diversity ensures that Spanish is a good deal less unified than French, German or even English, the latter more or less internationally standardized according to either American or British norms. Until the 1960s, the criteria of internationally correct Spanish were dictated by

the Real Academia Española, but the prestige of this institution has now sunk so low that its most solemn decrees are hardly taken seriously - witness the fate of the spelling reforms listed in the *Nuevas normas de prosodia y ortografía*, which were supposed to come into force in all Spanish-speaking countries in 1959 and, nearly forty years later, are still selectively ignored by publishers and literate persons everywhere. The fact is that in Spanish 'correctness' is nowadays decided, as it is in all living languages, by the consensus of native speakers; but consensus about linguistic usage is obviously difficult to achieve between more than twenty independent, widely scattered and sometimes mutually hostile countries. Peninsular Spanish is itself in flux.

Pima Bajo Harlequin, una división de HarperCollins Ibérica

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When

Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.** [Tarzan and the Ant-Men \(Serapis Classics\)](#) Autonomedia DigiCat Publishing presents to you this special edition of "The Wild Palms" by William

Faulkner. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Harper Collins

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love
Chronicle of a Death Foretold New York Review of Books

A Nobel Peace Prize winner reflects on poverty, injustice, and the struggles of Mayan communities in Guatemala, offering “a fascinating and moving description of the culture of an entire people” (The Times) Now a global bestseller, the remarkable life of Rigoberta Menchú, a Guatemalan peasant woman, reflects on the experiences common to many Indian communities in Latin America. Menchú suffered gross injustice and hardship in her early life: her brother, father and mother were

murdered by the Guatemalan military. She learned Spanish and turned to catechistic work as an expression of political revolt as well as religious commitment. Menchú vividly conveys the traditional beliefs of her community and her personal response to feminist and socialist ideas. Above all, these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman.

The Lesbian Heresy

Algonquin Books

Out of extreme poverty Jean Valjean steals a loaf of bread and then spends many years trying to escape his reputation as a criminal. In later years he rises socially and is a respectable member of society; but policeman Javert will not allow him to forget his past and is determined to expose him. 1862.

Develop confident linguists, who appreciate other cultures with this course, based closely around the IB's desired learner profile. This text caters for Language B - students learning Spanish as a second language at Standard and Higher levels. It includes a starter

unit to help bridge the gap from pre-16 exams into the distinctive requirements of the IB Diploma. - Builds language skills through carefully crafted tasks and grammar practice - Improves exam performance with activities for all aspects of IB Spanish assessment - Promotes global citizenship and an appreciation of Hispanic culture through stimulus material, including a particular emphasis on the Americas Each copy includes an Audio CD providing tracks for the listening exercises

The Wife Vintage

In this sequel to the international bestseller *Howl's Moving Castle*, bookish Charmain finds herself smack in the middle of magical court intrigues . . . and dealing with the dashing Wizard Howl. When Charmain Baker agreed to look after her great-uncle's house, she thought she was getting blissful, parent-free time to read. She didn't realize that the house bent space and time, and she did not expect to become responsible for an extremely magical stray dog and a muddled young apprentice wizard. Now, somehow, she's been

targeted by a terrifying creature called a lubbock, too, and become central to the king's urgent search for the fabled Elfgift that will save the country. The king is so desperate to find the Elfgift, he's called in an intimidating sorceress named Sophie to help. And where Sophie is, the great Wizard Howl and fire demon Calcifer won't be far behind. How did respectable Charmain end up in such a mess, and how will she get herself out of it? All fans of classic fantasy books deserve the pleasure of reading those by Diana Wynne Jones, whose acclaim included the World Fantasy Award for Life Achievement. As Neil Gaiman stated, she was "quite simply the best writer for children of her generation." The three books in the World of Howl are: *Howl's Moving Castle* *Castle in the Air* *House of Many Ways* Other beloved series from Dianna Wynne Jones include the *Chronicles of Chrestomanci* and the *Dalemark Quartet*.
Obras dramáticas
Springer Science & Business Media
Oblivion is a heartbreaking, exquisitely written memorial to the author's father, Héctor Abad Gómez, whose

criticism of the Colombian regime led to his murder by paramilitaries in 1987. Twenty years in the writing, it paints an unforgettable picture of a man who followed his conscience and paid for it with his life during one of the darkest periods in Latin America's recent history.

Celebrating its 30th

anniversary in 2024,

internationally bestselling

author and literary icon

Julia Alvarez's *In the Time*

of the *Butterflies* is

"beautiful, heartbreaking

and alive ... a lyrical work

of historical fiction based

on the story of the Mirabal

sisters, revolutionary

heroes who had opposed

and fought against

Trujillo." (Concepción de

León, *New York Times*)

Alvarez's new novel, *The*

Cemetery of Untold

Stories, is coming April 2,

2024. Pre-order now! It is

November 25, 1960, and

three beautiful sisters

have been found near

their wrecked Jeep at the

bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't

have to. Everybody knows of *Las Mariposas*—the *Butterflies*. In this

extraordinary novel, the

voices of all four sisters--

Minerva, Patria, María

Teresa, and the survivor,

Dedé--speak across the

decades to tell their own

stories, from secret

crushes to gunrunning,

and to describe the

everyday horrors of life

under Trujillo's rule.

Through the art and

magic of Julia Alvarez's

imagination, the martyred

Butterflies live again in

this novel of courage and

love, and the human costs

of political oppression.

"Alvarez helped blaze the

trail for Latina authors to

break into the literary

mainstream, with novels

like *In the Time of the*

Butterflies and *How the*

García Girls Lost Their

Accents winning praise

from critics and gracing

best-seller lists across the

Americas."—Francisco

Cantú, *The New York*

Times Book Review "This Julia Alvarez classic is a must-read for anyone of Latinx descent."

—Popsugar.com "A

gorgeous and sensitive

novel . . . A compelling

story of courage,

patriotism and familial

devotion." —People

"Shimmering . . . Valuable

and necessary." —Los

Angeles Times "A

magnificent treasure for

all cultures and all time."

—St. Petersburg Times

"Alvarez does a

remarkable job illustrating

the ruinous effect the 30-

year dictatorship had on

the Dominican Republic

and the very real human

cost it

entailed."—Cosmopolitan.

Anna Karenina Simon and

Schuster

A bestselling modern

classic—both poignant

and funny—narrated by a

fifteen year old autistic

savant obsessed with

Sherlock Holmes, this

dazzling novel weaves

together an old-fashioned

mystery, a contemporary

coming-of-age story, and

a fascinating excursion

into a mind incapable of

processing emotions.

Christopher John Francis

Boone knows all the

countries of the world and

their capitals and every

prime number up to

7,057. Although gifted

with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and

turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the

workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.
