The Wimpy Kid Do-It-Yourself Book (revised and expanded edition) (Diary of a Wimpy Kid) Harry N. Abrams

A magical tale of imagination, adventure, and the power of storytelling, perfect for fans of *The Golden Compass* and *A Wrinkle in Time*. Kay's father has gone missing on Christmas Eve! And when Kay and her sister Ell go to his office, everyone he works with claims never to have heard of him. So later that evening, when Kay wakes up to find two mysterious strangers outside her bedroom window, talking about her father and looking for the last remnants of his existence, she demands to

know what's happened to her dad. The two strangers, Flip and Will, are wraiths, on a mission to bring Kay and Ell's father to their world--the world of woven stories and grand imagination that their father has spent his career studying. Only things in that world have gone very wrong, and the Bride of Bithynia, the only being who can set things right, is nowhere to be found. Can Kay and Ell find their father and join Flip and Will in a centuries-old battle to save the world? Debut author Andrew Zurcher has created a world as captivating as Lyra's Oxford and Alice's Wonderland in this spellbinding quest of a

novel. Praise for *Twelve Nights*: * "Debut author Zurcher writes with surety and panache . . . a superb adventure." -- Booklist, STARRED REVIEW "One for the bookshelf of any fantasy enthusiast." -- Kirkus Reviews

Ghosts Penguin Books Limited

In *The Third Wheel*, love is in the air—but what does that mean for Greg Heffley? A Valentine's Day dance at Greg's middle school has turned his world upside down. As Greg scrambles to find a date, he's worried he'll be left out in the cold on the big night. His best friend, Rowley, doesn't have any prospects either, but that's a small consolation. Then an unexpected twist gives Greg a partner for the dance and leaves Rowley the odd man out. But a lot can happen in one night, and in the end, you never know who's going to be lucky in love. 'Writing *The Third Wheel* has been a lot of fun because there's so much humor to be mined in the world of middle school romance. When the dust settles at the end of the seventh book, the *Wimpy*

universe will be changed in a way that will surprise fans of the series.' says author, Jeff Kinney.

Nim's Island Penguin Group Australia

An inspiring and timely debut novel from Lisa Williamson, *The Art of Being Normal* is about two transgender friends who figure out how to navigate teen life with help from each other. David Piper has always been an outsider. His parents think he's gay. The school bully thinks he's a freak. Only his two best friends know the real truth: David wants to be a girl. On the first day at his new school Leo Denton has one goal: to be invisible. Attracting the attention of the most beautiful girl in his class is definitely not part of that plan. When Leo stands up for David in a fight, an unlikely friendship forms. But things are about to get messy. Because at Eden Park School secrets have a funny habit of not staying secret for long, and soon everyone knows that Leo used to be a girl. As David prepares to come out to his family and transition into life as a girl and Leo wrestles with figuring out how to deal with people who try to define him through his history, they find in each other the friendship and support they need to

navigate life as transgender teens as well as the courage to decide for themselves what normal really means.

Diary of a Wimpy Kid Abrams

Being a kid can really stink. And no one knows this better than Greg Heffley, who finds himself thrust into high school where undersized weaklings share the hallways with kids who are taller, meaner, and already shaving. This is now the 8th book of this hilarious and highly successful series, and Greg Heffley and his friends now have a whole new set of adventures.

The Third Wheel: Diary of a Wimpy Kid (BK7) Penguin

Olivia (Vee), is now captain of her own spaceship, an Explorer Vessel which set out seven years earlier on a deep space mission. She and her twin brother Aidan are heading alone back to Earth following the virus that wiped out the rest of the ship in its entirety three years earlier "including their parents. Nathan is part of a community heading in the opposite direction. A violent war is spreading through space so they're heading for a peaceful patch from where they will plan an uprising. But on their journey, Nathan's ship is attacked and most of the community killed. Only a few survive, thanks to Vee and Aidan, who rescue them, bringing them on board their ship. Nathan and Vee are instantly attracted to each other, and in the midst of all the dramas and hostilities of this newly occupied ship, they fall head-over-heels in love. But not everyone is happy with their relationship. Someone is sowing rumours of Nathan's infidelity, Vee's flaws, and putting the lives of everybody on board at risk . . .

The pressure's really piling up on Greg Heffley. His mom thinks video games are turning his brain to mush, so she wants her son to put down the controller and explore his "creative side." As if that's not scary enough, Halloween's just around the corner and the frights are coming at Greg from every angle. When Greg discovers a bag of gummy worms, it sparks an idea. Can he get his mom off his back by making a movie . . . and will he become rich and famous in the process? Or will doubling down on this plan just double Greg's troubles?
