"As a null, Scarlett Bernard possesses a rare ability to counteract the supernatural by instantly neutralizing spells and magical forces. For years she has used her gift to scrub crime scenes of any magical traces, helping the powerful paranormal communities of Los Angeles stay hidden. But after LAPD detective Jesse Cruz discovered Scarlett's secret, he made a bargain with her: solve a particularly grisly murder case, and he would stay silent about the city's unearthly underworld. Now two dead witches are found a few days before Christmas, and Scarlett is once again strong-armed into assisting the investigation. She soon finds a connection between the murders and her own former mentor, Olivia, a null who mysteriously turned into a vampire and who harbors her own sinister agenda. Now Scarlett must revisit her painful past to find Olivia--unless the blood-drenched present claims her life first."--Back cover.

All I know is that they might try again. Werewolves are disappearing right, left and centre. A mysterious vampire seems intent on following me everywhere I go. And I have to solve my own vicious killing. Preferably before death comes for me again.

On Blood Road (a Vietnam War Novel) Clan Destine Press

In this New York Times bestseller, a willful New York debutante travels the rugged Great Plains for a future in the flourishing American West. Charting the trail across the Great Plains from New York City to the Mexican Territory of California, a headstrong couple embarks on a new life in this classic work of historical fiction as unforgiving, moving, and unpredictable as the frontier. A recent finishing school graduate, eighteen-year-old Garnet Cameron is desperate for direction. Too driven for the

restrictive manners of the upper class, Garnet is naturally drawn to Oliver Hale, a frontier trader from the West. Unlike the men to whom she's accustomed, Oliver treats Garnet as an equal and respects her independence. His tales of adventure on the plains thrill her. And his proposal of marriage is accepted. Garnet eagerly grabs hold of the promise and prospects of an exciting future, only to discover how ill-prepared she is for the punishing landscape of the Jubilee Trail and the even harsher realities of human nature. Made into a feature film, Jubilee Trail is a classic novel of a woman in the old West, beloved not only for the rebelliousness and resilience of its heroine, but for its authenticity, its grand sweep, its unsparing intimacy, and its honest portrayal of the survivors and victims—and victors and villains—of a defiant American wilderness.
