LILLY CUNNINGHAM

We're Different, We're the Same (Sesame Street)
Scholastic Inc.
Provides information to help boys better understand puberty and the challenges of growing up, and includes tips, quizzes, and answers to questions.

My Body Rookie Toddler

A children's book written for ages 1 - 5 years old to help offer understanding for natural basic feelings. This book will assist parents teach their little ones how to respond to their senses. Feel Better is written as a confidence booster and green light to run, sing, dance, and cry.
Penguins Pan Macmillan
Rhyming text makes toothbrushing fun.

Dirtmeister's Nitty Gritty

Planet Earth Random House Books for Young Readers
Who better than Elmo and his Sesame Street friends to teach us that though we may all look different on the outside—deep down, we are all very much alike? Elmo and his Sesame Street friends help teach toddlers and the adults in their lives that everyone is the same

on the inside, and it's our differences that make this wonderful world, which is home to us all, an interesting—and special—place. This enduring, colorful, and charmingly illustrated book offers an easy, enjoyable way to learn about differences—and what truly matters. *We're Different, We're the Same* is an engaging read for toddlers and adults alike that reinforces how we all have the same needs, desires, and feelings. *Career Awareness Packet*
Knopf Books for Young

Readers
A special field trip on the magic school bus gives a look at major parts of the body and how they work. **Farm** Scholastic Inc. With step-by-step directions, lessons, projects, cooperative learning activities and more, here are reproducible cut-and-paste patterns for assembling and understanding the systems and organs of the human body. **Rocks and Minerals** Scholastic Inc. A rendition of a traditional

African American spiritual. *Things That Go!* Scholastic Inc. A detailed and straightforward guide to the human body helps young readers discover how their bodies work, both inside and outside. Sharks Scholastic Reference This companion to our bestselling book, *The Care & Keeping of You*, received its own all-new makeover! This updated interactive journal allows girls to record their moods, track their periods, and keep in touch

with their overall health and well-being. Tips, quizzes, and checklists help girls understand and express what's happening to their bodies--and their feelings about it.

**First Little Readers:
Guided Reading Level a
(Classroom Set): A Big
Collection of Just-Right
Leveled Books for
Beginning Readers**

Cartwheel Books

Summary: Introduces various kinds of sharks, explains how sharks swim, hunt, and travel across the oceans, and

discusses why sharks are an endangered species and what can be done to help protect them.

**There was an Old Lady
who Swallowed the
ABCs**

National

Geographic Kids
Come and explore the world under your feet with the Dirtmeister and friends! Part graphic novel, part fun guidebook, this very cool, rocky journey introduces both eager and reluctant readers to the basic geologic processes that shape our Earth. Clear and concise explanations

of the various geologic processes reveal the comprehensive science behind each fascinating topic. Fun facts and simple DIY experiments reinforce the concepts while short biographies of important scientists inspire future geoscientists.

The Busy Body Book

Simon and Schuster

Learn about things that go, including cars, boats, bicycles, spaceships, and more --

Feel Better Cartwheel Books

Discover nature through

these rhyming stories with realistic surfaces to touch! Gorgeous textured art with informative labels adds dimension to these simple life cycle tales. Children will delight in the frog's bumpy skin, the chick's grainy egg, and the surprise fold-out/pop at the end!

The Encounter

Scholastic Teaching Resources

Discusses the physical and emotional changes associated with puberty in boys and suggests ways to ease the adjustment to these changes.

My Body Belongs to Me from My Head to My Toes
North Winds Press
Who made this mess? When dad asks who left socks all over the place, a brother and sister insist that it was "Not Me." Dad is quite sure the kids are not telling the truth, until he is introduced to the actual Not Me, a creature who in turn accuses Not True, who exposes the real sock bandit, the ever-complaining Not Fair! Parents and caregivers will appreciate this highly relatable book that manages to slyly address

the blaming and excuse-making that often happens, while focusing on the humour of the situation.

The Boy's Body Book

Simon and Schuster
Discover the secrets of geology, from intricate fossilized plants and animals through to a great variety of minerals and crystals; unlock the mysteries of the ground beneath our feet, from how rocks are formed to how meteorites crash to Earth. ROCKS AND MINERALS is a compelling guide to a community of

characters who come together to create the foundations of our planet

The Magic School Bus

Scholastic Inc.

Presents fifteen models designed to introduce students in kindergarten through third grade to the pilgrims, their voyage on the "Mayflower," and their settlement in Plymouth.

My First Book of the Body

Safe for Children

Publishing
An exploration of empathy and unity - featuring Elise Gravel's signature quirky monsters! Everybody is

unique and different. But we are all more similar than we think. Just like you: Everybody has fears. Everybody has moments of joy . . . and moments of sadness. Everybody makes mistakes . . . and can fix them. And, just like you, everybody needs to feel safe and valued. From beloved children's author Elise Gravel comes a reassuring picture book, perfect for trying times.

My Amazing Human

Body Richmond Hill, Ont.
: Scholastic Canada
Twenty kid-pleasing little

books plus a teaching guide packed with lessons, tips, and literacy-boosting reproducible. Correlates with Guided Reading Level A!
Brush, Brush, Brush!
Scholastic Australia
It's the first day of school, and Camilla discovers that she is covered from head to toe in stripes, then polka-dots, and any other pattern spoken aloud! With a little help, she learns the secret of accepting her true self, in spite of her peculiar ailment.
