It is a cooking theory book and a biography of a restaurant in Copenhagen, and, as with any biography, the reader must be in tune with the writer and the subject. Relæ : A Book of Ideas - Walmart Relae is titled a book of ideas but it is also an incredible collection of vegetable recipes, plated and presented in beautiful small plates with a healthy dose of wabi sabi. Puglisi (9781607746492) Having read Christian Puglisi's "A Book of Ideas", I fast-tracked Relae to the top of my restaurants in Copenhagen to try and on my third visit to the city went for lunch. Compared with all the glossy covered, large format, restaurant chef cookery books, Relae (the book) stands out as refreshingly different. Relae: A Book of Ideas: Amazon.co.uk: Christian F. Puglisi ... Relæ: A Book of Ideas Chef Christian F. Puglisi opened restaurant Relæ in 2010 on a rough, run-down stretch of one of Copenhagen's most crime-ridden streets. His goal was simple: to serve impeccable, intelligent, sustainable, and plant-centric food of the highest quality—in a setting that was devoid of the pretention and frills of conventional high-end restaurant dining. Rather than focusing on recipes, the core of the book is a series of interconnected "idea essays," which reveal the ingredients,
