The novel Uncle Tom's Cabin, by American author Harriet Beecher Stowe, focuses on a slave named Uncle Tom to weave a portrayal of the cruelty of slavery, finding redemption in the idea that Christian love can conquer something so destructive. It turned out to be the bestselling novel of the nineteenth century, helping to further the abolitionist cause after publication in 1852. At the start of the American Civil War Abraham Lincoln met Stowe and is said to have declared "So this is the little lady who made this big war." The novel had a major effect on people's attitudes towards slavery at the time.

Uncle Tom's Cabin (Illustrated) Amila Jay

Volume Two of the Harriet Beecher Stowe classic. Originally published beginning June 5, 1851 as a serial in The National Era, an abolitionist weekly published in Washington, DC., Stowe's anti-slavery novel was finished forty-three chapters and one year later. John Jewett's small publishing house published the book on March 20, 1852, a couple of weeks before the serial ended. Uncle Tom's Cabin was the best-selling novel of the 19th century and is credited with significantly advancing the abolitionist cause. Its historical impact was so great that it spawned the mythical story that Abraham Lincoln, upon meeting Stowe near the start of the Civil War, was heard to say, ""So this is the little lady who started this great war.""

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

Uncle Tom's Cabin W. W. Norton

Late in the afternoon of a chilly day in February, two gentlemen were sitting alone over their wine, in a well-furnished dining parlor, in the town of P—, in Kentucky. There were no servants present, and the gentlemen, with chairs closely approaching, seemed to be discussing some subject with great earnestness.

Brighten the season with tales from the master of Christmastime fiction. Most famous in the realm of holiday literature for his 1843 publication, A Christmas Carol, Charles Dickens was in fact a prolific writer in the yuletide genre and a great contributor to many now-prevalent traditions of the holiday itself. In the year following the release of A Christmas Carol, Dickens released The Chimes: A Christmas Story of Some Bells That Rang an Old Year Out and a New Year In. This story combined his usual sympathy for the poor with the notion that we must always strive to live in nobler ways. In 1845 came The Cricket on the Hearth, a novella that, in its time, surpassed even A Christmas Carol in popularity for stage productions. The years 1846 and 1848 respectively saw published The Battle of Life and The Haunted Man and the Ghost's Bargain. Given this wealth of Christmas-themed works, it is no wonder that Dickens is sometime referred to as "the man who invented Christmas." Perfect for both fans of Dickens' work and those who just find special pleasure in the holiday spirit, these five Christmas stories are now available as part of the Word Cloud Classics series, providing a chic, inexpensive introduction to timeless tales.

Edited by Joseph Pearce Contributors to this volume: Dedra McDonald Birzer Mark Canada John J. Han Mary R. Reichardt Harriet Beecher Stowe was appalled by slavery, and she took one of the few options open to nineteenth century women who wanted to affect public opinion: she wrote a novel, a huge, enthralling narrative that claimed the heart, soul, and politics of millions of her contemporaries. Uncle Tom's Cabin paints pictures of three plantations, each worse than the other, where even the best plantation leaves a slave at the mercy of fate or debt. Her questions remain penetrating even today: ""Can man ever be trusted with wholly irresponsible power?"" First published more than 150 years ago, this monumental work is today being reexamined by critics, scholars, and students. Though Uncle Tom has become a synonym for a fawning black yes-man, Stowe's Tom is actually American literature's first black hero, a man who suffers for refusing to obey his oppressors. Uncle Tom's Cabin is a living, relevant story, passionate in its vivid depiction of the cruelest forms of injustice and inhumanity-and the courage it

takes to fight against them. The Ignatius Critical Editions represent a tradition-oriented alternative to popular textbook series such as the Norton Critical Editions or Oxford World Classics, and are designed to concentrate on traditional readings of the Classics of world literature. Whereas many modern critical editions have succumbed to the fads of modernism and post-modernism, this series will concentrate on tradition-oriented criticism of these great works. Edited by acclaimed literary biographer, Joseph Pearce, the Ignatius Critical Editions will ensure that traditional moral readings of the works are given prominence, instead of the feminist, or deconstructionist readings that often proliferate in other series of 'critical editions'. As such, they represent a genuine extension of consumer-choice, enabling educators, students and lovers of good literature to buy editions of classic literary works without having to 'buy into' the ideologies of secular fundamentalism. The series is particularly aimed at tradition-minded literature professors offering them an alternative for their students. The initial list will have about 15 - 20 titles. The goal is to release three books a season, or six in a year. ""

"Uncle Tom's Cabin; or, Life Among the Lowly", is an anti-slavery novel by American author Harriet Beecher Stowe. Published in 1852, the novel "helped lay the groundwork for the Civil War", according to Will Kaufman. Stowe, a Connecticut-born teacher at the Hartford Female Seminary and an active abolitionist, featured the character of Uncle Tom, a long-suffering black slave around whom the stories of other characters revolve. The sentimental novel depicts the reality of slavery while also asserting that Christian love can overcome something as destructive as enslavement of fellow human beings. "Uncle Tom's Cabin" was the best-selling novel of the 19th century and the second best-selling book of that century, following the Bible. It is credited with helping fuel the abolitionist cause in the 1850s. In the first year after it was published, 300,000 copies of the book were sold in the United States; one million copies were sold in Great Britain. In 1855, three years after it was published, it was called "the most popular novel of our day." The impact attributed to the book is great, reinforced by a story that when Abraham Lincoln met Stowe at the start of the Civil War, Lincoln declared, "So this is the little lady who started this great war." The quote is apocryphal; it did not appear in print until 1896, and it has been

argued that "The long-term durability of Lincoln's greeting as an anecdote in literary studies and Stowe scholarship can perhaps be explained in part by the desire among many contemporary intellectuals ... to affirm the role of literature as an agent of social change." The book and the plays it inspired helped popularize a number of stereotypes about black people. These include the affectionate, dark-skinned "mammy"; the "pickaninny" stereotype of black children; and the "Uncle Tom", or dutiful, long-suffering servant faithful to his white master or mistress. In recent years, the negative associations with "Uncle Tom's Cabin" have, to an extent, overshadowed the historical impact of the book as a "vital antislavery tool."

In the nineteenth century, *Uncle Tom's Cabin* sold more copies than any book in the world except the Bible. Upon publication, it was quickly translated into thirty-seven languages and has never gone out of print. It remains a controversial and complex text

that, along with David Walker's Appeal, Henry David Thoreau's Walden, W. E. B. DuBois's The Souls of Black Folk, and Helena María Viramontes' Under the Feet of Jesus, among others, stands out as an important text in the progressive struggle for social justice in the United States. This Second Edition is based on the original 1852 book edition, published in two volumes by John P. Jewett and Company, Boston, and includes all original illustrations. The text is accompanied by a preface and detailed explanatory annotations to assist the reader with obscure historical terms and biblical allusions. "Backgrounds and Contexts" includes a wealth of historical documents addressing the issues of slavery and abolitionism. New visuals in the Second Edition include a selection of abolition posters and records of torture. Also newly included is J. Hector St. John de Crevecoeur's eyewitness account of slavery as a visitor to the United States, a selection from David Walker's Appeal, and Henrietta King's autobiographical account of the horror of slavery. "Criticism" presents a balanced view of the ongoing controversy over Uncle Tom's Cabin in fifteen reviews and scholarly interpretations spanning more than 150 years of writing about the novel. Paul Laurence Dunbar, Jane P. Tompkins, and Susan M. Ryan, among others, admire Uncle Tom's Cabin for its social vision and artistry,

while James Baldwin and Sophia Cantave, among others, argue that the book's racism continues to promote misperceptions and that its prominence does ongoing damage. A Chronology of Stowe's life and work, a Brief Timeline of Slavery in America, and an updated Selected Bibliography are also included.

When Uncle Tom's Cabin was published in 1852, it became an international blockbuster, selling more than 300,000 copies in the United States alone in its first year. Progressive for her time, Harriet Beecher Stowe was one of the earliest writers to offer a shockingly realistic depiction of slavery. Her stirring indictment and portrait of human dignity in the most inhumane circumstances enlightened hundreds of thousands by revealing the human costs of slavery, which had until then been cloaked and justified by the racist misperceptions of the time. Langston Hughes called it "a moral battle cry," noting that "the love and warmth and humanity that went into its writing keep it alive a century later," and Tolstoy described it as "flowing from love of God and man."
