Finally, a handy log for recording all of your ghost-hunting experiences. Using a different page for each outing, the ghost hunter is prompted to remember all of the pertinent details. From the location, time, cost, and who was there, to the setting and what actually happened, there is space to capture all of the specifics for subsequent review and evaluation -- maybe even somewhere down the line when it comes time to compare multiple visits. There is ample room to record the historical background of each location, followed by a place to write down exactly what happened and whether anything was encountered on the tour. There is even a checkbox to evaluate the believability of a guided commercial hunt and whether it is worth revisiting. Each perfect-bound softcover journal is 7.44" x 9.69" and can accommodate 25 different haunted experiences.

The sequel to National Book Award Finalist *Ghost* and a New York Times bestseller. A newbie to the track team, Patina must learn to rely on her teammates as she tries to outrun her personal demons in this follow-up to the National Book Award finalist *Ghost* by New York Times bestselling author Jason Reynolds. *Ghost*. Lu. Patina. Sunny. Four kids from wildly different backgrounds with personalities that are explosive when they clash. But they are also four kids chosen for an elite middle school track team—a team that could qualify them for the Junior Olympics if they can get their acts together. They all have a lot to lose, but they also have a lot to prove, not only to each other, but to themselves. Patina, or Patty, runs like a flash. She runs for many reasons—to escape the taunts from the kids at the fancy-schmancy new school she's been sent to ever since she and her little sister had to stop living with their mom. She runs from the reason WHY she's not able to live with her "real" mom any more: her mom has

The Sugar, and Patty is terrified that the disease that took her mom's legs will one day take her away forever. And so Patty's also running for her mom, who can't. But can you ever really run away from any of this? As the stress builds, it's building up a pretty bad attitude as well. Coach won't tolerate bad attitude. No day, no way. And now he wants Patty to run relay...where you have to depend on other people? How's she going to do THAT?

"A wonderfully entertaining YA horror novel" —NPR Erasmio Cruz is from the wrong side of the tracks. His dad was a junkie who overdosed. His mom chose to run off rather than raise him. His only passion is the supernatural, and his only family is his

grandmother, whose aches and pains, he soon learns, aren't just from old age but from cancer. Desperate to help his grandmother pay for treatment, Erasmio sets up shop as a paranormal investigator. After witnessing a series of inexplicable events, he must uncover the truth behind his clients' seemingly impossible claims. From hauntings to exorcisms, Erasmio soon finds that San Antonio is a much scarier place than even he knew.

A once-glittering music hall now hides dark mysteries in this atmospheric thriller set in both present day and Edwardian London. A hundred years ago, the Tarleton Music Hall on London's south bank was one of the city's most popular attractions. People lined up night after night to see its headliner, the legendary song-and-dance man Toby Chance. But that was before Toby disappeared in 1914. People were shocked to see the Tarleton suddenly locked up. But that's how it's been ever since. Today, with property prices soaring, an investment group hires Robert Fallon to survey the place. Fallon is as charmed by the project, especially when he hears the rumors of a Singing Ghost who haunts the building. But he must admit that something is indeed odd about the Tarleton. What, for instance, can be made of the mysterious wall in the basement? Fallon delves into the Tarleton's history, and learns the story of the brilliant but troubled Toby

Chance. But the deeper he goes, the harder it is to shake the feeling that he is being menaced by the past.

REFUGE - THE GENESIS CHRONICLES is a fast paced adventure that takes Jareb, Noah's nephew, through the last hundred years before the Flood. This young man grows up in a vile, wicked and violent world where he must face such threats as the wicked Queen Delilah, General Baasha, and a host of giants. The grandson of the great Methuselah, he becomes known first as The Avenger and later as the King of Majestic City. By his side is his lovely wife Naomi, whose faith in God is tested severely as she faces personal peril. Will her faith triumph? Overshadowing all is the coming Flood. Both Jareb and Noah warn the people often of the coming Flood and offer refuge to all who are willing to come. Noah points to the Ark, a huge barge-like boat built miles from the nearest body of water, as God's chosen refuge. But Jareb counters with Majestic City, which resides safely within the great Majestic Mountains. In the end it is two men, two plans, and two destinies. One man survives and the other perishes.

In this collection of poetry, prose, and short stories, Ghost Tracks offers us a glimpse into a world of raw emotion and soul-searching exploration. Sprinkled with humor and observations, this tome is written with texture and vivid imagery, inviting us to discover our inner power of self-healing and opens our eyes to personal possibilities by encouraging us to study the depth of our emotions, acknowledge their value, and to extract the lessons

they propose to better appreciate our own strengths and struggles. Exposing the gift of joy and the cost of pain that come with loving, Kelly Hamilton has truly created a safe and compassionate place for broken hearts, a sanctuary to develop our unique journey toward wisdom, and with it the evolution back to our natural state of untroubled certainty.

Ghost Wood Song Simon and Schuster

Desmond and Andres are in for a bike-riding adventure in the second book of the Desmond Cole Ghost Patrol chapter book series! Welcome to Kersville, a town with a spooky history and a collection of ghosts and spirits who are major mischief-makers. Most kids spend their days without ever seeing or dealing with a ghost, but some kids get stuck with a haunt. When that happens, they call Desmond Cole Ghost Patrol. There's no job too spooky, icky, or risky for Desmond. I'm not like that at all. My name's Andres Miedoso. I'm Desmond's best friend and ghost patrol partner. So when Desmond and I are called to track down a ghost on wheels, Desmond is sure that ghosts don't ride bikes. Here's why: they float everywhere. Makes sense, right? But if there's one thing I've learned during my Ghost Patrol days, it's this: Never tell a ghost what they can or can't do. With easy-to-read language and illustrations on almost every page, the Desmond Cole Ghost Patrol chapter books are perfect for emerging readers.

The Capitol Ghost is the story of ice skaters, street kids, coaches, criminals, and the ghosts that walk among them. Four children from the Preliminary Jazzicals Synchronized Skating Team enlist brainy teenager Karina Kowalski to help them hunt a ghost at the Capitol and save an elderly night watchman's honor. Karina uncovers the first clue, an ancient prayer, and begins to trace the ghost through nearly sixty years of history. But what will Karina sacrifice in her zeal to help others? A figure skating test, a father, or even her own life? At the same time, a street gang in New York City is led by teenaged poet Dayshawn Rogers. When Dayshawn's little sister is murdered, he requests help from Worldpol. Dayshawn designs a plan that Officer Chuck Zander uses to track down the murderer. But what will Dayshawn lose in his zeal to help others? A publishing deal, a father, or even his own life? Even though the two groups never meet, their lives intersect and influence not only Karina and Chuck, but also people they don't know, people in this world and the next world. The Capitol Ghost is the second novel in the Jazzicals series about synchronized skating, the world's fastest-growing ice skating sport.

"Pure gold." —School Library Journal (starred review) "The perfect anchor leg for a well-run literary relay." —Kirkus Reviews Lu must learn to leave his ego on the sidelines if he wants to finally connect with others in the climax to the New York Times bestselling and award-winning Track series from Jason Reynolds. Lu was born to be cocaptain of the Defenders. Well, actually, he was born albino, but that's got nothing to do with being a track star. Lu has swagger, plus the talent to back it up, and with all that—not to mention the gold chains and diamond earrings—no one's gonna outshine him. Lu knows he can lead Ghost, Patina, Sunny, and the team to victory at the championships, but it might not be as easy as it seems. Suddenly, there are hurdles in Lu's way—literally and not-so-literally—and Lu needs to figure out, fast, what winning the gold really means. Expect the unexpected in this final event in Jason Reynold's award-winning and bestselling Track series.

An NPR Best Book of the Year A Vanity Fair Best Summer Read "A

haunting, mind-bending memoir. . . . riveting." —New York Times "A mixture of biography and true crime, this narrative . . . offers more plot twists, shocking revelations and shady characters than most contemporary thrillers." —NPR The Book of Atlantis Black will have you questioning facts, rooting for secrets, and asking what it means to know the truth. A young woman is found dead on the floor of a Tijuana hotel room. An ID in a nearby purse reads "Atlantis Black." The police report states that the body does not seem to match the identification, yet the body is quickly cremated and the case is considered closed. So begins Betsy Bonner's search for her sister, Atlantis, and the unraveling of the mysterious final months before Atlantis's disappearance, alleged overdose, and death. With access to her sister's email and social media accounts, Bonner attempts to decipher and construct a narrative: frantic and unintelligible Facebook posts, alarming images of a woman with a handgun, Craigslist companionship ads, DEA agent testimony, video surveillance, police reports, and various phone calls and moments in the flesh conjured from

memory. Through a history only she and Atlantis shared—a childhood fraught with abuse and mental illness, Atlantis's precocious yet short rise in the music world, and through it all an unshakable bond of sisterhood—Bonner finds questions that lead only to more questions and possible clues that seem to point in no particular direction. In this haunting memoir and piercing true crime account, Bonner must decide how far she will go to understand a sister who, like the mythical island she renamed herself for, might prove impossible to find.
