A Vintage Shorts "Short Story Month" Selection An afternoon at the Sheridan's garden party will be

perfect. Darling Laura is doing a marvelous job negotiating with the band, workmen, cook, and florist who appears with an unexpected delivery, all without her mother's help. But, distressing news reaches the house just before lunch. A young man from one of the sordid little cottages down the lane was killed in an accident, and suddenly Laura can't imagine proceeding with the party. From Katherine Mansfield, one of the most talented and pioneering masters of the short story in English, of whom Virginia Woolf once wrote: "I was jealous of her writing—the only writing I have ever been jealous of," "The Garden Party" is an exquisite paragon of the form. Plot Summary: The wealthy Sheridan family prepares to host a garden party. Laura is charged with instructing the workers on the placement of the marquee. Her haughty air

quickly disintegrates into an intimidated admiration for the workingmen, with whom she feels a personal connection. Laura's mother, Mrs. Sheridan, has ordered masses of lilies, to both their delight. Laura's sister Jose tests the piano, and then sings a song in case she is asked to do so again later. After the furniture is rearranged, the Sheridans learn that their working-class neighbor Mr. Scott has died. While Laura believes the party should be called off, neither Jose nor their mother agrees. Laura eases her conscience by deciding to forget the matter until the party is over. When the evening comes, Mrs. Sheridan tells Laura to bring a basket full of leftovers to the Scotts' house to expose her to the world beyond their estate. Laura is led into the poor neighbors' house by Mrs. Scott's sister, sees the pitiable figure of the widow, and is led to the late husband's corpse. Here, Laura is intrigued by the sublimity of the corpse's face, and she finds death just beautiful as life. Having left the house, Laura meets her brother Laurie in an alleyway. She finds herself unable to explain life and death concisely, and Laurie understands that his sister has come to realize her own mortality.

When her wealthy family prepares to host a lavish summer party, the young, hitherto sheltered Laura Sheridan suddenly feels a kinship with the staff and the helpers hired to set up the venue for the festivities. As she learns of the death of one of their working-class neighbours, this burgeoning sense of class consciousness is heightened by a realization of her own mortality. Published in 1922, at the height of literary modernism, 'The Garden Party' is now considered one of the key texts of that movement. This volume, which also includes a wide selection of Katherine Mansfield's other short stories, is an invaluable resource for anyone wishing to discover one of the early twentieth century's finest writers.

Although Katherine Mansfield was closely associated with D.H. Lawrence and something of a rival of Virginia Woolf, her stories suggest someone writing in a different era and in a vastly different English. Her language is as transparent as clean glass, yet hovers on the edge of poetry. Her characters are passionate men and women swaddled in English reserve -- and sometimes briefly breaking through. And her genius is to pinpoint those unacknowledged and almost imperceptible moments in which those people's relationships -- with one another and themselves -- change forever. This collection includes such masterpieces as "Prelude," "At the Bay" "Bliss," "The Man Without a Temperament" and "The Garden Party" and has a new introduction by Jeffrey Meyers.

This collection allows the reader to become familiar with the complete range of Mansfield's work from the early, satirical stories set in Bavaria, through the luminous recollections of her childhood in New Zealand, and through the mature, deeply felt stories of her last years.
