[Defying Destiny](#) Lulu.com

This fiction makes the way of a prince in conquering the throne to gain peace. The action takes place many years ago, in the kingdom of Akerel of Prince Corvin. After the death of his parents, he tries to renew the treaty of the alliance with all five races, as they once existed, until the darkness appeared. In the path of the desire to avenge his parents, killed by his father's most trusted man, there appears a beautiful, tall, slender, blue-eyed face, with whom he falls in love gradually. This, Faren's name, makes him understand the prince that the desire for vengeance is just a momentary fury, and what has happened can not be brought back. What do you think will happen to Corvin? Will the dark prince give up the desire to conquer the kingdom, or will he start the war with the alliance? It's just a way of finding out how this story will end.

THE SWORD OF EDEN "REDEMPTION IS WON IN THE LIGHT BUT IS WROUGHT IN THE DARKNESS." The Angelic War rages as Satariel, the Prince of Darkness masterminds an insurgence that splinters and divides allegiances with a third of the angels embracing the Darkness joining him in an all-out rebellion against the Creator. Metatron, the Prince of Light leads the faithful against his twin brother Satariel, in a desperate effort to restore and unite the seven kingdoms that comprise Heaven. The Angelic War has reached critical mass with Eden caught in the crosshairs, the target of Satariel's diabolical plan to unleash Armageddon, spawning death and destruction of biblical proportions threatening the extinction of humankind. In the wake of an enormous loss, Dalton Orion creates a new life for himself living amidst the tranquil beauty of paradise on Kaua'i. Discovering a mythical artifact, Dalton is forced to confront his haunting past and come to terms with a shattered faith setting him on a collision course with a destiny that will ultimately decide the fate of Eden. The Sword of Eden launches a compelling and provocative supernatural series unpacking the symbiotic relationship between good and evil, angels and humans, the

natural and supernatural; that drives our common hopes and dreams. Filled with twists and turns, complex characters, intriguing sub-plots, and ancient mysteries; prepare to strap yourself in for a pulse-pounding, fast-paced experience of a literary ride. Forging elements of STAR WARS and Dante's INFERNO, Holt Clarke creates a completely innovative and enthralling epic saga. THE KINGDOM OF HEAVEN CHRONICLES BOOK 1 For more information, visit [www.HoltClarke.com](#) [Battle for the Island Kingdom](#) Rowman & Littlefield For ten dramatic and bitterly fought days in May, 1941, British Commonwealth and Greek soldiers fought with the valiant assistance of Cretan civilians -- men and women, young and old -- to hold their island against a Nazi onslaught. This is the documented story of the one of the most important yet least acknowledged battles of World War II.

For years, we have learned principles of individual spiritual warfare. Yet as the end times are upon us, the forces of darkness are intensifying their attacks around the world. For this next season, says renowned prophetic leader Dr. Bill Hamon, we as the church must up the ante and learn to fight on a higher level than we ever have, in corporate spiritual warfare. With wisdom, urgency, and keen prophetic insight, Hamon lays the biblical foundation for this final level of warfare and shows how we, as the church, can prepare to work in unity to become the army of the Lord. He lays out the weapons available to us in this new battle front and reveals a plan for destroying the works of the devil and advancing God's kingdom on earth. Now is the time to rise up, fight back together, and secure the ultimate victory in Christ.

Book one of the Portal Prophecies Series, A Keeper's Destiny, follows a group of ancient races who join together with some unlikely teenage heroes. The only clues they have to help them are hidden within predictions contained in a book written long ago. Can they unravel the mysteries of their past and over come the deceptions of their leaders? Will they be able to decipher the prophecies in time to stop invading armies? Join Willow and her friends in this fast paced adventure.

[The Path to Kingdom: Destiny Unfolds](#) Del Rey

Three Lords, one destiny. The taking of a child unleashes a storm that will ravage a continent with winds of destruction. A new nation, an old throne and the dark secrets of an ancient prophecy steer the fates of the three warrior brothers, who are the Lords of Destiny. Arc Saberlund leads his people to a new homeland, but a vengeful enemy threatens to engulf his fledgling nation unless he can find a way to hold back the might of a malevolent empire.

[War Storm](#) is the second epic novel in the Lords of Destiny series and the eagerly awaited sequel to Exodus.

[Cage of Destiny](#) The Kingdom at War

A Hidden Crime is the first in the Splitted Kingdom series of books by Kwasi Atta. 100 years ago, there was once a kingdom united under the rule of the dinosaurs; but a power struggle between the lion, the eagle and their followers resulted in a war which raged on for many years. This led to the kingdom splitting into the Labori and Azigi kingdoms. The Labori kingdom was ruled by the lion, and the Azigi kingdom ruled by the eagle. The story follows the adventures of a young boy, although seen to be inferior among the animals, has been prophesied to fulfill a destiny, a destiny that would right the wrong in the kingdom, and change the course of history. Will he fulfill his destiny? The story will reveal...

[The Isle of Battle](#) Zondervan

Tracing the history of Japanese aggression from 1853 onward, Hoyt masterfully addresses some of the biggest questions left from the Pacific front of World War II.

[Peaceful War](#) Baen Publishing Enterprises

Is peace really so precious that it is popularly viewed in irenology (peace studies) of our time as "natural" and "a prime force in human behavior"—whereas war, its opposite, is instead condemned as "sinful" and "not" natural? In fact, there is even the prestigious Nobel "peace" prize to be awarded to those who contribute to world peace but not an equivalent Nobel "war" prize to those who do the contrary. This euphoric view of peace is by no means a constant conventional wisdom in human history, as it can be sharply contrasted with an equally seductive view of war in polemology (war studies). For instance, only several decades ago, the well-known writer Thomas Mann once approvingly asked about war: "Is not peace an element of civil corruption and war a purification, a liberation, an enormous hope?" (WK 2009a) This fickleness of conventional wisdom on war and peace has blinded us from the dark sides of both war and peace, with the consequence of impoverishing our understanding of the human condition and its future. Contrary to the two opposing sides of this conventional wisdom in its fickle history, war and peace are neither possible nor desirable to the extent that their respective ideologues would like us to believe. In addition, war and peace cannot exist with each other. Of course, this is not to suggest that

irenology (peace studies) and polemology (war studies) are worthless, or that other fields of study (related to war studies and peace studies) like "political science, economics, psychology, sociology, international relations, history, anthropology, religious studies,...gender studies, as well as a variety of others" should be ignored. (WK 2009) Needless to say, neither of these two extreme views is reasonable either. Instead, this book accepts the challenging task to provide an alternative (better) way to understand the nature of war and peace, especially in relation to aggression and pacificity—while learning from different approaches in the literature but without favoring any one of them (nor integrating them, since they are not necessarily compatible with each other). Thus, this book offers a new theory to transcend the existing approaches in the literature on war and peace in a way not conceived before. If successful, this seminal project is to fundamentally change the way that we think about war and peace, from the combined perspectives of the mind, nature, society, and culture, with enormous implications for the human future and what I originally called its "post-human" fate.

The Armor of God HarperCollins

"(Soon War will end with the signing of peace, however; love will soon come and all who see it, will either protect it or destroy it; moreover, two hearts one of Light & Purity and the other one of Darkness, will come together in a Lover's embrace or will be forever torn apart by Lover's hate.) Warning :(However; beware of the Diamond Spare for he seeks not only the kingdom of Light, but he seeks to destroy all that Light touches.)" The Prophecy of the High King Cronus

The Sword of Eden Reign Publishing

Treachery and deceit run rampant throughout a devastated land, spanning dark alliances in the terrible war ignited by the enmity of two families. But unbeknownst to all, there are others who truly control the beleaguered kingdom's destiny—combatants emerging from eons of restless sleep to renew the bloody terror of a battle older than time.

Warriors Revenge Lulu.com

It's been almost a year since the Trials of Unyielding Steel. When Lydia gets a lead on the whereabouts of Jonathan Sterling, she concludes her training with a legendary immortal sorcerer and puts a plan in motion for his capture. Near Selyr, Taelien reunites with an old friend - Wrynn Jaden, the legendary Witch of a Thousand Shadows - and meets with Jonan to make a deal. Jonan, of course, has other concerns. His master, the legendary Lady of

Thieves herself, has given him a new assignment - one that hints at world-shaping events, if he can survive the mission. He'll partner with Velas, but she has her own problems to deal with, including a revelation that will test where her loyalties truly lie.

Christian America and the Kingdom of God A.J. Kingston
War Torn by Kent Nedland Legiar is the young king who has inherited a weakened and dying kingdom on the verge of being conquered. Hard choices await Legiar as he struggles to find a way to save his kingdom. Targe is a farmer from the land of Dim-Lou drafted into the ranks of the Dim-Lou army. He blames his king for the tragedies that have befallen him, and he seeks revenge. Welsh is a nomad turned holy eminence of the Delsha Empire. He seeks to quell the growing rebellion with Dim-Lou to assure his own land's dominance. Issella is the daughter of Eminence Welsh, an only child who has lived a life of luxury. Issella has no desire to sacrifice the life she has. What price will she pay to protect her title and way of life? And Saphina is a servant to the king of Dim-Lou. Saphina is freed by Legiar and quickly devotes her life to serving the king, who has given her freedom. She dreams of becoming queen and is willing to do whatever it takes to make this dream a reality. War Torn is a poetic fantasy novel that tells the story of the war between Dim-Lou, a small farming community, and the desert Empire Delsha. It includes a collection of sonnets written from the point of view of five different characters whose actions and choices shape the future of the kingdom.

Destiny's Forge: A Man-Kzin Wars Novel Disney Electronic Content
The idea of the United States as a Christian nation is a powerful, seductive, and potentially destructive theme in American life, culture, and politics. Many fundamentalist and evangelical leaders routinely promote this notion, and millions of Americans simply assume the Christian character of the United States. And yet, as Richard T. Hughes reveals in this powerful book, the biblical vision of the "kingdom of God" stands at odds with the values and actions of an American empire that sanctions war instead of peace, promotes dominance and oppression instead of reconciliation, and exalts wealth and power instead of justice for the poor and needy. With conviction and careful consideration,

Hughes reviews the myth of Christian America from its earliest history in the founding of the republic to the present day. Extensively analyzing the Old and New Testaments, Hughes provides a solid, scripturally-based explanation of the kingdom of God—a kingdom defined by love, peace, patience, and generosity. Throughout American history, however, this concept has been appropriated by religious and political leaders and distorted into a messianic nationalism that champions the United States as God's "chosen nation" and bears little resemblance to the teachings of Jesus. Pointing to a systemic biblical and theological illiteracy running rampant in the United States, Hughes investigates the reasons why so many Americans think of the United States as a Christian nation despite the Constitution's outright prohibition against establishing any national religion by law or coercion. He traces the development of fundamentalist Christianity throughout American history, noting especially the increased power and widespread influence of fundamentalism at the dawn of the twenty-first century, embodied and enacted by the administration of President George W. Bush and America's reaction to the terrorist attacks on September 11, 2001.

Japan's War Xlibris Corporation

There is a mighty spiritual war raging all around us. You have sensed it, felt it, and hoped it wasn't quite so real. It's all happening; right here, right now, in YOUR life. David Skeba reveals why your life is the way it is and how you can change it for the better. We are born into a world where we find ourselves caught in the midst of Satan's war against God's kingdom. The battle is for our very souls and for the glory of God! We have become the targets. We are the prize. Open your eyes and discover an invisible world you never knew existed. What you don't know can hurt you. Learn how to.

The Destiny of a Prince Psychology Press

Deceived by the malevolence of dark witchcraft, Prince Damien & Lady Maxine find themselves stranded away from their kingdom, and trapped in the war-torn realm of Arkhalia. Unbeknownst to them, their arrival tips the scales of destiny, setting in motion events that would shake the foundations of creation and decide the fate of all. Struggling to survive amid the chaotic war for power between the Arkhalian King and the Magi High Council, the wanton destruction of Ibliss's defiance of The Creator, and the braying doom foretold by the Ildar in ages long passed, Damien & Maxine embark on a desperate journey home to the realm of Lamar.
