A gripping and beautifully illustrated story set in the heart of the Amazon, featuring dramatic encounters with animals, dangerous rapids, and extraordinary discoveries.

Babies in the Forest Farrar, Straus and Giroux

Introduced by Barbara McDermitt The telling of tales and the oral tradition in Scotland has long and honourable history, both in the annals of the folk and in the more formal pages of literary publication. Writers as different as Hogg, Scott, Stevenson, Cunninghame Graham, Buchan, Grassic Gibbon and Alasdair Gray have all drawn on the form or the voice or the features of the folk tale. Duncan Williamson, arguably the greatest traditional tale teller in modern times, is a master of this spellbinding art, and here in a single volume Linda Williamson has gathered together some of the most memorable tales in his repertoire. Transcribed from recorded sessions for the sound archives of the School of Scottish Studies, these twenty-six stories give us privileged access to the travellers' fireside with stories of talking animals; of the broonie, selkies and fairies; of cunning Jack's adventures; of kings and giants in long tales for the winter nights. 'An extraordinary collection of stories.' The Scotsman 'Exemplary and delightful . . . [Williamson] is the inheritor of a rich and vital oral tradition . . . and is recognised as a master narrator.' Times Educational Supplement ' . . . the bearer of the richest oral tradition in Europe.' Herald

Journey to the Last River Frances Lincoln Children's Books

A facsimile edition of the tattered notebooks of the Unknown Adventurer, this love letter to the wild details everything you need to know about how to live and thrive in nature, from the principles of treehouse building to wilderness first aid. If you are reading this, it means my notebooks have been found. I am leaving them here at camp for safekeeping along with a few other belongings that I won't be taking with me. The notebooks are a lifetime's worth of knowledge, which I'm passing on to you. So reads an excerpt from the weatherworn letter discovered by nature enthusiast Teddy Keen on a recent trip to the Amazon, along with sketchbooks filled with details of extraordinary

adventures and escapades, expedition advice, and survival methods, annotated with captivating colored-pencil drawings. It is thought that the sketchbooks were created for two young relatives of the author. Drawing on Teddy's knowledge of the outdoors, the pages of the sketchbooks have been carefully transcribed for young readers, as they were originally intended. You'll be transported by riveting adventure tales from around the globe, like being dragged off by a hyena in Botswana, surviving a Saharan dust storm, being woken by an intrepid emperor penguin in Antarctica, and coming face-to-face with a venomous bushmaster (one of the most dangerous snakes on the planet)—all told in lyrical prose and illustrations that wonder at the mysterious beauty of the wild. Having inspired the adventurous spirit in you, the Unknown Adventurer encourages you to set out on your own adventure with information on wild camping, rafting, exploration, and shelters and dens, plus tips on first aid and tying knots. Expert instructions on wilderness basics, like building a fire, what to do if you get lost, and how to build various types of shelters are accompanied by more specific skills culled from many years of experience, like baking campfire bread, creating a toothbrush from a twig, making a suture from soldier ants, and even how to pan for gold. Find your way back to your primal self with the immersive text and glorious color artwork of this one-of-a-kind adventure book. REMEMBER: be good, be adventurous...and look after your parents.

The First Christmas Tree Gibbs Smith

A little fox cub helps grumpy Mr Badger find the Christmas spirit in this festive, lift-the-flap rhyming tale. With Christmas Day approaching, the woodland animals are merry with festive cheer. A chirpy young robin is adopted by a family of mice in the joyful retelling of the new animation holiday musical special from Netflix and Aardman Animation. When her egg fortuitously rolls into a garbage dump, Robin is raised by a loving family of mice. As she grows up, her differences become more apparent. Robin sets off on the heist to end all heists to prove to her family that she can be a really good mouse - but ends up discovering who she really is. Streaming worldwide from Christmas 2021, Robin Robin is the new collaboration between Aardman, the animation studio behind Wallace & Gromit and Shaun the Sheep, and Netflix who have over 158 million subscribers in 190 countries. Golden Globe(R) winner Gillian Anderson, (The Crown) and Oscar(R) nominee Richard E. Grant (Can You Ever Forgive Me?) lead the cast which also includes Bronte Carmichael (Christopher Robin) and Adeel Akhtar (Enola Holmes). A classic picture book inspired by the Aardman Christmas musical animation, written by the directors of the film. A warm and funny, action-packed story about learning to be yourself, and the importance of love and family over all things. Features beautiful artwork from the illustrator of Margaret's Unicorn and Imelda and the Goblin King. Robin Robin is a heartwarming and humorous story with themes of diversity, community, inclusion and acceptance - perfect for the festive season and beyond.

#### Cripps the Carrier ; a Woodland Tale Running Press Kids

It was the coldest morning of the winter, thus far, and winter is no joke on those northern tablelands, where the streams still run black in token of their forest origin, and old men remember how the deer used to be driven to their clearings for food, when the snow had piled itself breast high through the fastnesses of the Adirondacks. The wilderness had been chopped and burned backward out of sight since their pioneer days, but this change, if anything, served only to add greater bitterness to the winter's cold. Certainly it seemed to Job Parshall that this was the coldest morning he had ever known. It would be bad enough when daylight came, but the darkness of this early hour made it almost too much for flesh and blood to bear. There had been a stray star or two visible overhead when he first came out-of-doors at half-past four, but even these were missing now.

A page-turning novel that is also an exploration of the great philosophical concepts of Western thought, Jostein Gaarder's Sophie's World has fired the imagination of readers all over the world, with more than twenty million copies in print. One day fourteen-year-old Sophie Amundsen comes home from school to find in her mailbox two notes, with one question on each: "Who are you?" and "Where does the world come from?" From that irresistible beginning, Sophie becomes obsessed with questions that take her far beyond what she knows of her Norwegian village. Through those letters, she enrolls in a kind of correspondence course, covering Socrates to Sartre, with a mysterious philosopher, while receiving letters addressed to another girl. Who is Hilde? And why does her mail keep turning up? To unravel this riddle, Sophie must use the philosophy she is learning—but the truth turns out to be far more complicated than she could have imagined.

This leafy flapbook lets readers admire and explore the life of trees. What kind of tree grows in the sea? How tall are the tallest trees? Which tree can change how its leaves taste? This flap book holds the answers, along with masses of other amazing tree facts, and can tell you why we need trees - and why they need our help.

Teddy's Christmas Stackpole Books

One of the earliest great stories of English literature after *Beowulf*, *Sir Gawain* is the strange tale of a green knight on a green horse, who rudely interrupts King Arthur's Round Table festivities one Yuletide, challenging the knights to a wager. Simon Armitage, one of Britain's leading poets, has produced an inventive and groundbreaking translation that "helps] liberate *Gawain* from academia" (*Sunday Telegraph*).

Tocher Little Lift and Look

A beautifully illustrated guide to the wildlife, plants, history and magic of woodlands. Children can discover their inner explorer, learning how to identify trees, track animals, build woodland shelters, draw maps and discover legends set in woods. With safety tips and links to websites with virtual tours of woodlands and video clips of wildlife.
