History of Archaeology: International Perspectives Taschen

A comprehensive guide to exploring the best of France's history, culture, and landscape.

The popular educator Bayard Jeunesse

A comprehensive account of every major war and battle fought in the Americas, this revised edition of the award-winning Wars of the Americas offers up-to-date scholarship on the conflicts that have shaped a hemisphere. When it was first published in 1998, Wars of the Americas: A Chronology of Armed Conflict in the Western Hemisphere was the only major reference focused exclusively on warfare in all its forms in North, Central, and South America over the past five centuries. Now this acclaimed resource returns in a dramatically expanded new edition. For its second edition, Wars of the Americas has been doubled in size to two full volumes: the first covers all wars and major battles from the earliest Spanish conquests through the 18th-century colonial rivalries that gripped the hemisphere. The second volume covers covers the American Revolutionary War and all subsequent conflicts up to the present. In addition to exhaustive updating throughout and a deeper focus on the historical context of each conflict, the new edition includes new coverage of the present-day drug cartel wars, international terrorism, and the ever-evolving relationships between the United States and the nations of Latin America.

Emmanuel Hocquard and the Poetics of Negative Modernity PARIS By The Numbers

This critical work explores written and visual texts in light of the writer's understanding of negative modernity and professed adherence to its dimension of literality. In his pursuit of literality, contemporary writer-poet Emmanuel Hocquard enacts a model of the "discontinuous organization of language," a poetic practice known to some as an "action poetique." This book gives special attention to essays, letters, poems, fictions, etc. and also pursues the poet's attraction to Deleuze, Wittgenstein, and Rousseau. Professor Fetzer presents features of Hocquard's writings that reflect the imprint of negative modernity and explores these dimensions through interpretive readings.

They included the Ghetto Swingers, a Jewish jazz band that "toured" Auschwitz and Theresienstadt; the Luftwaffe pilot who listened to Glenn Miller while bombing London; the Berlin swing gangs and Zazous (Parisian jazz enthusiasts) who risked persecution and imprisonment for the opportunity to dance openly to prohibited swing records; Django Reinhardt, the brilliant guitarist who refused to flee Nazi-controlled France; and many others." "Swing Under the Nazis also explores Zwerin's confrontation with a past that still has claims on the present as he recalls his own encounters with contemporary oppression - most notably a concert tour through apartheid-controlled South Africa with his multiracial jazz group."--Jacket.

Being women provided them with a particular perspective, expressed first-hand through their letters. Dalton shows how Lespinasse, Roland, Renier Michiel, and Mosconi grappled with differences of ideology, social status, and community, often through networks that mixed personal and professional relations, thus calling into question the actual separation between public and private spheres. Building on the work of Dena Goodman and Daniel Gordon, Dalton shows how a variety of conflicts were expressed in everyday life and sheds new light on Venice as an important eighteenth-century cultural centre.

This book shows through criticism the richness, the complexity, and the far-reaching significance of the writings of Anne Hebert, the Quebequain novelist and poet who first achieved recognition in the 1940s and '50s. The writings, by such notables as Gaetan, Brulotte, Neil Bishop, Annabelle Rea, Lori Saint-Martin, Roseanna Dufault, and many others, are variously in English and in French. Prefaced by renowned Hebertian scholar Janet Pallister, and introduced by Pallister's essay on the life and accomplishment of Anne Henert, the work is accompanied by a large bibliography of the works of Anne Hebert.

Written by expert travel-writers with more than 40 titles to their name, Bradt's Gascony & the Pyrenees is the only current English-language guide to the entirety of this fascinating, relatively under-visited and consequently affordable region of southwest France. Offering advice on where to stay and eat with what to do and see, this new guide provides everything you need for an enjoyable, fulfilling visit. In Gascony, everyone can find their own adventure. Surfers can ride Atlantic waves at Hossegor and Mimizan. Sun-seekers can loll on the Landes' beaches, then stretch their legs by climbing Europe's tallest sand dune, the Dune du Pilat. Hikers can trek high into the Pyrenees to gawp at majestic cirques, while those less energetic can go on a donkey-backl. Families can bike along numerous backways, while cycling buffs cheer on the professionals during the Pyrenees stage of the Tour de France. Activity enthusiasts aside, the region will delight anyone who craves a slower-paced holiday in beautiful natural landscapes. Culture buffs can linger in the coastal art havens of Collioure, Port- Vendres and Céret, or discover Palaeolithic cave art at Niaux and Le Mas-d'Azil. Pilgrims can follow the path to Lourdes. Fans of the bizarre can visit Salvador Dali's 'centre of the universe' (Perpignan train station) or La Pourcailhade, the pig festival of Tri-sur-Baïse. Urbanites can enjoy the splendours of Perpignan, Bayonne, Biarritz and Auch, or take it down a notch at medieval Catalan villages. For quirky retail therapy, shopaholics can browse the espadrilles for which Mauléon is famed or the berets synonymous with Oloron-Sainte-Marie. Gourmets will delight in the quality of local cuisine, from cèpe mushrooms and poulet au pot to a flock of duck-based dishes. Cocooned within quiet, natural settings, yoga practitioners can calm mind and body with various wellness therapies. And whatever floats your boat, everyone can relax in some of the hundreds of personally recommended places to stay - from charming inns and spas to restored medieval stables, and even the astronomers' dormitories at the Pic du Midi. All conveyed through the intimate expert insights that characterise Bradt's Gascony & the Pyrenees.

This book serves as a gateway to the Elementa grammaticae Huronicae, an eighteenth-century grammar of the Wendat ('Huron') language by Jesuit Pierre-Philippe Potier (1708-1781). The volume falls into three main parts. The first part introduces the grammar and some of its contexts, offering information about the Huron-Wendat and Wyandot, the early modern Jesuit mission in New France and the Jesuits' linguistic output. The heart of the volume is made up by its second part, a text edition of the Elementa. The third part presents some avenues of research by way of specific case studies.

Cinema has been long associated with France, dating back to 1895, when Louis and Auguste Lumi_re screened their works, the first public viewing of films anywhere. Early silent pioneers Georges MZli_s, Alice Guy BlachZ and others followed in the footsteps of the Lumi_re brothers and the tradition of important filmmaking continued throughout the 20th century and beyond. In Encyclopedia of French Film Directors, Philippe Rège identifies every French director who has made at least one feature film since 1895. From undisputed masters to obscure one-timers, nearly 3,000 directors are cited here, including at least 200 filmmakers not mentioned in similar books published in France. Each director's entry contains a brief biographical summary, including dates and places of birth and death; information on the individual's education and professional training; and other pertinent details, such as real names (when the filmmaker uses a pseudonym). The entries also provide complete filmographies, including credits for feature films, shorts, documentaries, and television work. Some of the most important names in the history of film can be found in this encyclopedia, from masters of the Golden Age_Jean Renoir and RenZ Clair_to French New Wave artists such as Fran_ois Truffaut and Jean-Luc Godard.
