Because you will track personal behavior and spending habits (finding an apartment, finding a job, getting a bank account, paying taxes, and more) of their simulated character, you retain more personal finance knowledge. Virtual Business - Personal Finance Best answer: Using a series of characters, or wingdings, like that indicates censoring out cussing, what you see essentially being a euphemism that only exists in written communication, not oral communication. Sometimes, it can be clear exactly what cussing was intended just by context, but sometimes not, and sometimes people put those characters without any specific cuss word(s) in mind.
