Change your perspective: get BIG Packed with action, romance and historical intrigue, Rurouni Kenshin is one of the most beloved and popular manga series worldwide. Set against the backdrop

of the Meiji Restoration, it tells the saga of Himura Kenshin, once an assassin of ferocious power, now a humble rurouni, a wandering swordsman fighting to protect the honor of those in need. A Collection of Volumes 4 - 6! Shinomori Aoshi was once the leader of Edo Castle's elite guard, the Oniwabanshū. When the shōgunate was overthrown, Aoshi and his men were deprived of both home and purpose. All that's left to them now are their fighting skills, which they've put to service as a mercenary guard for the industrialist Takeda Kanryū. However much sympathy Kenshin might feel for the Oniwabanshū, he's sworn to stop Kanryū's corrupt plans. But in order to do so, he'll have to defeat Aoshi, a shinobi prodigy and master of a deadly twin-sword style. Later, Isurugi Raijūta, a swordsman of incredible strength and ferocity, requests Kenshin's aid in reforming Japan's swordsmanship schools, to save them from their decline in the modern age. Although Kenshin is intrigued by Raijūta's ideals, he's disturbed by his increasingly brutal methods. Sanosuke runs into some trouble of his own when he's reunited with a member of the Sekihō Army--the doomed civilian-run unit that they both served in during the revolution--who's determined to exact revenge from the Meiji government.

créature, Ambroise cherche à acquérir une légitimité au sein de l'orchestre qu'il vient d'intégrer en tant que harpiste. Whether your character is jumping for joy or grappling with an opponent, this book provides all the essential techniques to draw more lifelike action figures in the classic Japanese manga style. The comprehensive introduction first shows the reader the physical anatomy of male vs. female figures and gives important tips on proportions, perspective and small but often-overlooked details such as the relative differences between male and female hands, fingers and feet. Five subsequent chapters cover over 40 action poses in the following categories: Chapter 1: Action (e.g. running and jumping) Chapter 2: Martial Arts (e.g. punching and kicking) Chapter 3: Interacting (e.g. judo holds and high fives) Chapter 4: Weapons (e.g. swords and knives) Chapter 5: Reacting (e.g. dodging a punch or taking a punch) Each pose and movement is illustrated with a rough sketch outline followed by a highlighted manga drawing containing detailed annotations by the author. After studying the sketches, you practice the drawing techniques at the end of each chapter. Each chapter also provides professional tips on the use of color and shading for greater realism. Special sections contain information and tips on particular topics of interest, such as how to draw clothes, hair and facial expressions or how to create special effects. At the end of the book, an actual 6-page comic strip gives readers the opportunity to practice what they have learned by filling in the

missing elements.
