[A Son Is Life's Greatest Gift](#) Simon and Schuster

The complete biblical historical fiction compilation by the New York Times bestselling author of Redeeming Love and A Voice in the Wind. The Bible is filled with inspiring stories of unlikely candidates God chose to quietly change eternity. This bestselling compilation in one volume contains five novellas about such people—men who stood behind heroes of the faith. Aaron. Caleb. Jonathan. Amos. Silas. Each faithfully sought God in the shadows of His chosen leaders. They answered God's call to serve without recognition or fame. And they gave everything, knowing their

reward might not come until the next life. Be challenged by these faithful men whose stories we must never forget. Aaron—the priest who stood in Moses' shadow but had the courage to cover his brother's fears. Caleb—the warrior whose words stirred men's hearts and brought God's people to the Promised Land.

Jonathan—the prince whose humility led him to befriend the man who would become king in his place. Amos—the prophet who heard when God called and spoke to a nation unwilling to listen. Silas—the scribe who surrendered his wealth to record God's Word, even as those around him were silenced. Each novella includes an in-depth Bible study perfect for personal reflection or group discussion.

New English Canaan of Thomas Morton Tyndale House Publishers, Inc.

The word 'addiction' these days is used to refer to a chronic condition where there is an unhealthily powerful motivation to engage in a particular behaviour. This can be driven by many

different factors – physiological, psychological, environmental and social. If we say that it is all about X, we miss V, W, Y and Z. So, some people think addicts are using drugs to escape from unhappy lives, feelings of anxiety and so on; many are. Some people think drugs become addictive because they alter the brain chemistry to create powerful urges; that is often true. Others think that drug taking is about seeking after pleasure; often it is. Some take the view that addiction is a choice – addicts weigh up the pros and cons of doing what they do and decide the former outweigh the latter. Yet others believe that addicts suffer from poor impulse control; that is often true... And so it goes on. When you look at the evidence, you see that all these positions capture important aspects of the problem – but they are not complete explanations. Neuroscience can help us delve more deeply into some of these explanations, while the behavioural and social sciences are better at exploring others. We need a model that puts all this together in a way that can help us decide what to do in different cases. Should we prescribe a drug, give the person some ‘tender loving care’, put them in prison or what? Theory of Addiction provides this synthesis. The first edition was well received: ‘Throughout the book the reader is exposed to a vast number of useful observations...The theoretical aims are timely, refreshing, ambitious and above all challenging. It opens up a new way of looking at addiction and has the potential to move the field of addiction a considerable leap forward. Thus we wholeheartedly would like to recommend the book for students as well as scholars. Read and learn!’ Nordic Studies on Alcohol and Drugs ‘The book provides a comprehensive review of existing theories - over 30 in all - and this synthesis of theories constitutes

an important contribution in and of itself... West is to be commended for his synthesis of addiction theories that span neurobiology, psychology and social science and for his insights into what remains unexplained.’ Addiction This new edition of Theory of Addiction builds on the first, including additional theories in the field, a more developed specification of PRIME theory and analysis of the expanding evidence base. With this important new information, Theory of Addiction will continue to be essential reading for all those working in addiction, from student to experienced practitioner – as urged above, Read and learn!

This book discusses the depictions of the cult and its personnel in the twelve prophetic books commonly referred to as "The Book of the Twelve" or "The Minor Prophets." The articles in the volume explore the following questions: How did these prophetic writers envision the priests and the Levites? What did they think about the ritual aspects of ancient Israelite faith, including not only the

official temple cult in Jerusalem but also cultic expressions outside the capital? What, in their views, characterized a faithful priest and what should the relationship be between his cultic performance and the ways in which he lived his life? How does the message of each individual author fit in with the wider Israelite traditions? Finally, who were these prophetic authors, in which historical contexts did they live and work, and what stylistic tools did they use to communicate their message?

The complete biblical historical fiction compilation by the New York Times bestselling author of *Redeeming Love* and *A Voice in the Wind*. The Bible is filled with inspiring stories of unlikely candidates God chose to change eternity. This bestselling compilation in one volume contains five novellas about such people—women in the family tree of Jesus Christ. Tamar. Rahab. Ruth. Bathsheba. Mary. Each was faced with extraordinary—even scandalous—challenges. But they had courage. They lived daring lives. Sometimes they made mistakes—big mistakes. And yet God, in His infinite mercy and grace, used them to bring forth the Christ, the Savior of the world. Their stories still hold great meaning and inspiration for us today. Tamar risked her life and reputation to be the woman she was called to be. See how the Lord uses our circumstances and our steps toward Him, however faltering, to fulfill His plan. Rahab was exploited by men who saw only her beauty, yet she held fast to her faith in God and was rewarded. Discover how God seeks and finds those whose hearts are tender toward Him, no matter how far away they are. Ruth's loyalty, especially toward her mother-in-law Naomi, helped her persevere in the face of tragedy, and God gave her a second

chance at love. Be encouraged that God will provide even when all hope seems lost. Bathsheba's scandalous affair with David did not end in one night. Learn that God is willing to restore and redeem those lost in the depths of despair who call out to Him. Mary is one of the most revered women in history. But first, she was an ordinary woman striving to please God in the same way women still do today. When God spoke, Mary responded in obedience which changed the world forever. Each novella includes an in-depth Bible study perfect for personal reflection or group discussion. Watch these five women in the Bible come to life and learn from their examples of hope, faith, love, and obedience.

Marta's Legacy Zondervan

A haunting account of teaching English to the sons of North Korea's ruling class during the last six months of Kim Jong-il's reign Every day, three times a day, the students march in two straight lines, singing praises to Kim Jong-il and North Korea: Without you, there is no motherland. Without you, there is no us. It is a chilling scene, but gradually Suki Kim, too, learns the tune and, without noticing, begins to hum it. It is 2011, and all

universities in North Korea have been shut down for an entire year, the students sent to construction fields—except for the 270 students at the all-male Pyongyang University of Science and Technology (PUST), a walled compound where portraits of Kim Il-sung and Kim Jong-il look on impassively from the walls of every room, and where Suki has gone undercover as a missionary and a teacher. Over the next six months, she will eat three meals a day with her young charges and struggle to teach them English, all under the watchful eye of the regime. Life at PUST is lonely and claustrophobic, especially for Suki, whose letters are read by censors and who must hide her notes and photographs not only from her minders but from her colleagues—evangelical Christian missionaries who don't know or choose to ignore that Suki doesn't share their faith. As the weeks pass, she is mystified by how easily her students lie, unnerved by their obedience to the regime. At the same time, they offer Suki tantalizing glimpses of their private selves—their boyish enthusiasm, their eagerness to please, the flashes of curiosity that have not yet been extinguished. She in turn begins to hint at the existence of a world beyond their own—at such exotic activities as surfing the Internet or traveling freely and, more dangerously, at electoral democracy and other ideas forbidden in a country where defectors risk torture and execution. But when Kim Jong-il dies, and the boys she has come to love appear devastated, she wonders whether the gulf between her world and theirs can ever be bridged. *Without You, There Is No Us* offers a moving and incalculably rare glimpse of life in the world's most unknowable country, and at the privileged young men she calls "soldiers and slaves."

I Wish You Happiness Zondervan

Scripture reveals a God who meets us where we are, not where we pretend to be. *No More Faking Fine* is your invitation to get honest with God through the life-giving language of lament. If you've ever been given empty clichés during challenging times, you know how painful it is to be misunderstood by well-meaning people. When life hurts, we often feel pressure--from others and ourselves--to keep it together, suck it up, or pray it away. But

Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard. For most of her life, Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether. She was known as an achiever and an overcomer on the fast track to success. But in silencing her pain, she robbed herself of the opportunity to be healed. Maybe you've done the same. Esther's journey into healing began when she discovered that God has given us a real-world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain. It's called lament--the gut-level, honest prayer that God never ignores, never silences, and never wastes. *No More Faking Fine* is your permission to lament, taking you on a journey down the unexpected pathway to true intimacy with God.

Drawing from careful biblical study and hard-won insight, Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side, teaching you that: We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect; instead, he meets us where we are There is hope beyond your heartache, disappointment, and grief Like Esther, you'll soon find that when one person stops faking fine, it gives everyone else permission to do the same.

and *The Masterpiece*, *Her Mother's Hope* is a rich, moving epic about faith and dreams, heartache and disappointment, and the legacy of love passed down through four generations in one family. Near the turn of the twentieth century, fiery Marta Schneider leaves Switzerland for a better life, determined to fulfill her mother's hope. Her formative journey takes her through Europe and eventually to Canada, where she meets handsome Niclas Waltert. But nothing has prepared her for the sacrifices she must make for marriage and motherhood as she travels to the Canadian wilderness and then to the dusty Central Valley of California to raise her family. Marta's hope is to give her children a better life, but experience has taught her that only the strong survive. Her tough love is often misunderstood, especially by her oldest daughter, Hildemara Rose, who craves her mother's acceptance. But unexpected and tragic events force mother and daughter to face their own shortcomings and the ever-widening chasm that threatens to separate them forever. "Emotionally rich. . . . As her compelling characters seek to do what they feel their faith demands, Rivers sets their resonant struggles against dusty streets, windswept Canadian plains, and California vineyards in vivid scenes readers will not soon forget." —Booklist, starred review "Writers like Rivers are why people buy Christian fiction: it's dramatic, engaging . . .
