SHADOW WARRIOR. The ancient Japanese art of death is practiced by a select few. Of those young men who are chosen to train in the way of the shadow warrior, most will fail. Those who pass these trials, the Ninja, become the silent assassins, lonely guardians, and unseen watchers of legend. But rarer still are those masters of the shadow craft, the Shiro - those whose fearsome abilities are matched only by their rigid code of honour. Men like Nicholas Linnear... THE MIKO. In ancient Japan they called them the Miko - the maidens of the shrine - women revered for their almost mystical powers who were rumoured to be the servants of the gods themselves. Traditionally the Miko were a force for good, but the woman stalking the shadow warrior Nicholas Linnear seems bent on murder and revenge...

The Veil of A Thousand Tears Simon and Schuster

Russian meddling, American fragmentation, and global politics collide in this action-packed, international thriller. In *The Nemesis Manifesto*, New York Times bestselling author Eric Van Lustbader, "the master of the smart thriller,"* delivers an epic and harrowing adventure of the predatory forces that are threatening the very fabric of democracy and kicks off a compelling new series with a singular new hero for our time. Evan Ryder is a lone wolf, a field agent for a black-ops arm of the DOD, who has survived unspeakable tragedy and dedicated her life to protecting her country. When her fellow agents begin to be systematically eliminated, Evan must unravel the thread that ties them all together...and before her name comes up on the kill list. The list belongs to a mysterious cabal known only as Nemesis, a hostile entity hell-bent on tearing the United States apart. As Evan tracks them from Washington D.C. to the Caucasus Mountains, from Austria to a fortress in Germany where her own demons reside, she unearths a network of conspirators far more complex than anyone could have imagined. Can Evan uproot them before Nemesis forces bring democracy to its knees? *Nelson DeMille

DIVTo keep his practice alive, a desperate lawyer takes a case defending a battered wife/divDIV Just seven years after he left law school, Sid Kaplan was one of New York's top defense attorneys. With a glittering style and a hunger for competition, he was as fierce as they come. He was the go-to lawyer for Manhattan's toughest, flashiest criminals—until his mother's death wrecked his confidence. Suddenly, the only way to sustain his sixteen-hour days was a ceaseless stream of cocaine and scotch, a combination that ruined his life's work in a matter of months./divDIV /divDIVHis only remaining employees are Caleb and Julia—a pair of ex-clients who don't mind working for irregular pay. Sid's latest bum case is Priscilla Sweet, a drug addict with

priors, violent tendencies, and a dead husband whom she may or may not have killed in self-defense. She also has dangerous friends, which means that defending Prissy will make Sid famous again—either on the front page, or in the obituaries. /div

Dragons On The Sea Of Night Tor Books

From Eric Van Lustbader, the New York Times bestselling author of the Jason Bourne series come Any Minute Now. Red Rover is broken, finished, dead. The blackest of black ops teams is betrayed on its top-priority mission to capture and interrogate a mysterious Saudi terrorist. One of their own is killed, the remaining two barely get home alive. Then without warning or explanation the mission is shut down. Greg Whitman and Felix Orteño are left adrift in a world full of deathly shadows, blind alleys, and unanswerable questions. Into their midst comes Charlize Daou, a brilliant, wildly talented arms expert with a past entangled with Whit's. Though Charlie grapples with damage of her own, she becomes their new center, their moral compass, and their reason for resurrecting Red Rover. Despite Whit's seemingly super-normal abilities it is Charlie, fully rooted in reality, who recognizes that both Whit and Felix have lost parts of themselves. And it is she who possesses the true power necessary for survival: the power to heal, to forgive, and to bring these two lost souls back from the demonic spiritual darkness into which they have fallen. Ignoring their new orders, Red Rover secretly sets out to find the protected Saudi terrorist, the first step in a perilous journey into the heart of a vast conspiracy that involves the NSA, a cabal of immensely wealthy mystics known as the Alchemists, and an ageless visionary out to create an entirely new way of waging war. A war that will destabilize one of the great super-powers and forever rearrange the balance of power across the entire globe. The Nemesis Manifesto Hydra

A towering epic of fantasy, *The Pearl*, is launched in *The Ring of Five Dragons*. Filled with action, color, and the myriad details of another world, *The Pearl* is the first great fantasy series of the new millennium, set to rival Robert Jordan, David Eddings, George R. R. Martin, Terry Brooks, and Terry Goodkind in popular appeal. This astonishing first volume opens as the Kundalan people have suffered for a century under the viciously oppressive, technologically-superior V'ornn invaders. In the resulting crisis of faith -- why hasn't their goddess Miina saved them? -- Kundalan religion has fallen under the control of evil forces from within who forbid the teaching of traditional sorcery, pretending to have no magic of their own. The V'ornn's mysterious leaders, the Gyrgon, know better, and search for the lost Ring of Five Dragons, the key to the door of the fabled Kundalan Storehouse, and perhaps to Kundalan sorcery as well. But misused, the Ring is the trigger of seemingly inexorable annihilation for V'ornn and Kundalan alike. Now from among the oppressed must arise the hero of prophecy, the Dar Sala-at, who alone can wield the sorcerous power to save the world. Thus begins a huge epic rooted in the conflict between spiritual and technological cultures. The twisting plot raises difficult and provocative moral questions in the course of a constantly surprising, sometimes shocking, fantastic adventure that will transport fantasy readers to new heights of enthusiasm, and make them ask for more. The hit international thriller from Eric Van Lustbader, the New York Times bestselling author of *The Bourne Legacy* For centuries, a hidden splinter sect of the Franciscans has guarded secrets that could transform the world. Now the safety of those secrets—and much more—depends on one man. Braverman “Bravo” Shaw always knew his father had secrets. But not until Dexter Shaw dies mysteriously does Bravo discover the enormity of his father's life as a high-ranking member of the Order of Gnostic Observatines. For more than eight hundred years, the Order has preserved an ancient cache of documents that could shake Christianity to its foundations. But the rival Knights of St. Clement will stop at nothing to obtain the treasure, and now Bravo is a target and a pawn in an ongoing war far larger and more deadly than any he could have imagined. From New York City to Washington, D.C., to Paris, to Venice, and beyond, the race is on for the quintessential prize...the Testament. The Silver Bear Random House Worlds

From New York Times bestselling author Eric Lustbader, the suspense mastermind behind the smash bestsellers featuring Robert Ludlum's™ Jason Bourne, comes a blockbuster thriller of one man's debt of honor—and his ultimate destiny. Years ago, Nicholas Linnear, a.k.a. “the Ninja,” made a promise to his father: If a man named Mikio Okami ever sought his help, he would respond without question, no matter the cost. Now the time has come to fulfill his pledge. Okami is the Kaisho—the boss of bosses of the Yakuza, the Japanese underworld—and in his Venice

headquarters, he realizes that he has been marked for death. But the identity of the assassin and the inexorable compulsion that drives him are shrouded in mysticism and madness. Honor bound to protect Okami, Linnear is prepared to make the ultimate sacrifice: a descent into a chasm of knowledge so potent, of dangers so unfathomable, that even if he survives, he will emerge changed forever.

Nightmare Academy Thomas Nelson

Having staked his claim as a master of epic fantasy with *The Ring of Five Dragons*, Eric Van Lustbader now returns to his world of Kundala to unearth new riches of wonder and excitement in this second volume of *The Pearl* saga. With the help of her friends, Riane, the prophesied redeemer known as the Dar Sala-at, saved Kundala from annihilation, preserving natives and V'ornn invaders alike. Together, the companions avenged terrible crimes and secured the Ring of Five Dragons, but their struggles have only just begun. The Ring averted doomsday, yet it did not open the magical Storehouse Door as expected. That sorcerous treasury remains sealed because of the spell cast by Giyan and her sister. A spell to migrate Annon Ashera's male V'ornn psyche into Riane's dying Kundalan female body. By combining them into a single being, it saved them both and fulfilled the prophecy that the Dar Sala-at would be “born at both ends of the cosmos.” But the spell also breached the Abyss, releasing daemons who could wreak havoc on Kundala. The daemons were imprisoned there aeons ago by the Goddess Miina. Now the fiends must be vanquished, not only so the quest for the Pearl can continue, but to save Giyan, who has been possessed by the archdaemon Horolaggia. Their only hope is the fabled Veil of A Thousand Tears. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Sometimes the weakness we fear most can become our greatest strength . . . Jack McClure has had a troubled life. His dyslexia always made him feel like an outsider. He escaped from an abusive home as a teenager and lived by his wits on the streets of Washington D.C. It wasn't until he realized that dyslexia gave him the ability to see the world in unique ways that he found success, using this newfound strength to become a top ATF agent. When a terrible accident takes the life of his only daughter, Emma, and his marriage falls apart, Jack blames himself, numbing the pain by

submerging himself in work. Then he receives a call from his old friend Edward Carson. Carson is just weeks from taking the reins as President of the United States when his daughter, Alli, is kidnapped. Because Emma McClure was once Alli's best friend, Carson turns to Jack, the one man he can trust to go to any lengths to find his daughter and bring her home safely. The search for Alli leads Jack on a road toward reconciliation . . . and into the path of a dangerous and calculating man. Someone whose actions are as cold as they are brilliant. Whose power and reach are seemingly infinite. Faith, redemption, and political intrigue play off one another as McClure uses his unique abilities to journey into the twisted mind of a stone cold genius who is constantly one step ahead of him. Jack will soon discover that this man has affected his life and his country in more ways than he could ever imagine. Once, Jason Bourne was notorious in the clandestine world of covert-ops as one of the CIA's most expert international killers for hire. Out of the ashes of his violent past he's emerged today as a Georgetown professor, living a quiet life, retired from danger-until he narrowly escapes the bullet of a faceless assassin. And when two of Bourne's closest associates are murdered, Bourne knows that his legacy has followed him-and set him up as prime suspect for the brutal crimes. The quicksand of lies and betrayals is deeper than Bourne ever imagined. Hunted by the CIA as a dangerous rogue agent, he has only one option to stay alive-and one last chance to stay one step ahead of an unseen assailant whose vengeance is personal. Pursued across the globe, Bourne's on the run, and on the edge of discovering the truth-that he's become the expendable pawn in an international terrorist plot. One that's taking every living witness with it and plunging Bourne one step closer to the world-shattering consequences of...

Talon of Scorpio Forge Books

This book discusses the common principles of morality and ethics derived from divinely endowed intuitive reason through the creation of al-fitr' a (nature) and human intellect (al-'aql). Biomedical topics are presented and ethical issues related to topics such as genetic testing, assisted reproduction and organ transplantation are discussed. Whereas these natural sources are God's special gifts to human beings, God's revelation as given to the prophets is the supernatural source of divine guidance through which human communities have been guided at all times through history. The second part of the book concentrates on the objectives of Islamic religious practice - the maqa' sid - which include: Preservation of Faith, Preservation of Life, Preservation of Mind (intellect and reason), Preservation of Progeny (al-nasl) and Preservation of Property. Lastly, the third part of the book discusses selected topical issues, including abortion, assisted reproduction devices, genetics, organ transplantation, brain death and end-of-life aspects. For each topic, the current medical evidence is followed by a detailed discussion of the ethical issues involved.
