When the Little Engine Couldn't Lorenz Educational Press
Shaped just like the Little Blue Engine herself, a large board book is perfect for toddlers who are meeting The Little Engine That Could for the very first time as she travels through town helping the friends and neighbors she meets along the way.

Welcome to California: a Little Engine That Could Road Trip Penguin

We were created by an infinitely creative God to reflect his love and character to the world. One way we do that is by continuing his creative work. In this energizing book, serial entrepreneur and bestselling author Jordan Raynor helps artists, entrepreneurs, writers, and other creatives reimagine our work as service to God

and others, addressing such penetrating questions as - Is my work as a creative really as God-honoring as that of a pastor or missionary? - What does it look like to create not to make a name for myself but to glorify God and serve others? - How can I use my work to fulfill Jesus's command to create disciples? - Will what I make today matter in eternity? To answer these questions, Raynor shares compelling stories from an eclectic group of 40+ Christian entrepreneurs, including the founders of TOMS Shoes, Charity: Water, Chick-fil-A, In-N-Out Burger, Guinness, HTC, and Sevenly, as well as nontraditional entrepreneurs such as C. S. Lewis, Johann Sebastian Bach, and J. R. R. Tolkien. Raynor's "show" rather than "tell," story-driven style makes you feel as if you are sitting at the feet of some of the godliest and most successful entrepreneurs of all time. Perfectly poised to reach today's growing creative class, this unique work restores God's position as the first entrepreneur, helping readers see the eternal

value in the work they do today.

The Giant Jam Sandwich Grosset & Dunlap

The Turkeyland Band is on its way to play in Gobbleville's Thanksgiving Day parade when a tire goes flat and they have no spare, but the Little Blue Engine comes by and thinks she can help. Original.

The Little Engine That Could ABC Time Grosset & Dunlap

Join in the fun as this favourite children's song is brought to life by charming illustrations.

The Holiday Hurry Penguin

The original, classic motivational tale with stunning new art in a handsome edition. The Little Engine is a classic fairytale that all children should know. Originally written in the early 20th century, the story is one of perseverance and confidence. You and your child can now read this original children's classic with this new edition full of colorful illustrations. The Little Engine follows a little train engine who takes up the task of carrying a large train up a massive hill—a task that larger and more accomplished engines refused to do. The little engine huffs and puffs his way up the hill, struggling to carry his heavy load. However, he is positive and confident the whole way and ends up succeeding in his mission, making it over the crest of the hill and down the other side. Reading about the results of positivity, and perseverance in this beautiful new edition of The Little Engine will leave your child (and you) feeling confident and thinking "I think I can, I think I can" all day long!

Golden Books

High school and the difficult terrain of sexuality and gender identity are brilliantly explored in this smart, incisive

ethnography. Based on eighteen months of fieldwork in a racially diverse working-class high school, *Dude, You're a Fag* sheds new light on masculinity both as a field of meaning and as a set of social practices. C. J. Pascoe's unorthodox approach analyzes masculinity as not only a gendered process but also a sexual one. She demonstrates how the "specter of the fag" becomes a disciplinary mechanism for regulating heterosexual as well as homosexual boys and how the "fag discourse" is as much tied to gender as it is to sexuality.

Love from the Little Engine That Could Grosset & Dunlap

All aboard! The Little Engine is on a journey to say thank you! The perfect gift book to say thanks: for the big things, the small things, and everything else along the way.
