An amnesiac searches for his identity, from Polynesia to Rome, in this novel by the Nobel Prize-winning author of *Dora Bruder*. Guy Roland is in pursuit of the identity he lost in the murky days of the Paris Occupation. For ten years, he has lived without a past. His current life and name were given to him by his recently retired boss, Hutte, who welcomed him,

a onetime client, into his detective agency. Guy makes full use of Hutte's files—directories, yearbooks, and papers of all kinds going back half a century—but his leads are few. Could he really be the person in that photograph, a young man remembered by some as a South American attaché? Or was he someone else, perhaps the disappeared scion of a prominent local family? He interviews strangers and is tantalized by half-clues until, at last, he grasps a thread that leads him through the maze of his own repressed experience. Published in France as *Rue des*

Boutiques obscures, this is both a detective mystery and a haunting meditation on the nature of the self, Patrick Modiano's spare, hypnotic prose, superbly translated by Daniel Weissbort, draws readers into the intoxication of a rare literary experience. Praise for *Missing Persons* "[An] elliptical, engrossing rumination on the essence of identity and the search for self." —Frank Sennet, *Booklist* "A fine introduction to his work. . . . Beautifully written and perfectly noirish, as though the world were being seen through a haze of Gauloise smoke. Be warned, though: after reading this, a sensitive soul may well seize up the next time a stranger waves." —*Kirkus Reviews*

AN NYRB CLASSICS ORIGINAL Winner of the Nobel Prize in Literature *Young Once* is a crucial book in the career of Nobel laureate Patrick Modiano. It was his breakthrough novel, in which he stripped away the difficulties of his earlier work and found a clear, mysteriously moving voice for his haunting stories of love, nostalgia, and grief. It has also been called "the most gripping Modiano book of all" (*Der Spiegel*). Odile and Louis are leading a happy, bucolic life with their two children in the French countryside near the Swiss mountains. It is Odile's thirty-fifth birthday, and Louis's thirty-fifth birthday is a few weeks away. Then the story shifts back to their early years: Louis, just freed from his military service and at loose ends, is taken up by a shady character who brings him to Paris

to do some work for a friend who manages a garage; Odile, an aspiring singer, is at the mercy of the kindness and unkindness of strangers. In a Paris that is steeped in crime and full of secrets, they find each other and struggle together to create what, looking back, will have been their youth.

Nobel laureate Patrick Modiano's spellbinding tale of adolescent schoolmates and the vicissitudes of fate As a boarding school student in the early 1960s, Patrick Modiano lived among the

troubled teenage sons of wealthy but self-involved parents. In this mesmerizing novel, Modiano weaves together a series of exquisitely crafted stories about such jettisoned boys at the exclusive Valvert School on the outskirts of Paris: abandoned children of privilege, left to create new family ties among themselves. Misfits and heroes, sports champions and good-hearted chums, the boys of Valvert misbehave, run away, get expelled, and engage in various forms of delinquency and disappearance. They emerge into adulthood tragically damaged, still tethered to their adolescent selves, powerless to escape the central loneliness of their lives in an ever-darkening spiral of self-delusion and grim consequence. A meditation on

nostalgia, the pitfalls of privilege, and the vicissitudes of fate, this book fully demonstrates the powerful mix of sadness, mystery, wonder, and ominous danger that characterizes Modiano's most rewarding fiction. Special feature: J. M. G. Le Clézio's foreword, here in English for the first time, provides a rare and insightful appreciation of one Nobel laureate by another.

*Invisible Ink* Godine+ORM

An autobiographical narrative, in which the author describes his experiences in Nazi concentration camps.

*Young Once* Visible Ink Press

This novel by Nobel Prize-winning author Patrick Modiano is one of the most seductive and accessible in his oeuvre: the story of a man's memories of fleeing responsibility, finding love, and

searching for meaning in an uncertain world. The narrator of *Villa Triste*, an anxious, roving, stateless young man of eighteen, arrives in a small French lakeside town near Switzerland in the early 1960s. He is fleeing the atmosphere of menace he feels around him and the fear that grips him. Fear of war? Of imminent catastrophe? Of others? Whatever it may be, the proximity of Switzerland, to which he plans to run at the first sign of danger, gives him temporary reassurance. The young man hides among the other summer visitors until he meets a beautiful young actress named Yvonne Jacquet, and a strange doctor, René Meinthe. These two invite him into their world of soirees and late-night debauchery. But when real life beckons

once again, he finds no sympathy from his new companions. Modiano has written a haunting novel that captures lost youth, the search for identity, and ultimately, the fleetingness of time.

**Christian Dogmatics** Legare Street Press

From beloved storyteller and Nobel Prize winner Patrick Modiano, a masterful and gripping crime novel set in picturesque Nice on the French Riviera. Stolen jewels, black markets, hired guns, crossed lovers, unregistered addresses, people gone missing, shadowy figures disappearing in crowds, newspaper stories uncomfortably close and getting closer . . . this ominous novel is Patrick Modiano's most noirish work to date. Set in Nice—a departure from the author's more familiar Paris—this novel evokes

the bright sun and dark shadow of the Riviera. Modiano's trademark ability to create a haunting atmosphere is here on full display: readers descend precipitously into a world of mystery, uneasiness, inevitability. A young couple in hiding keeps close watch over a notorious diamond necklace known as the Southern Cross. Its provenance is murky, its whereabouts known only to our hero and heroine, who find themselves trapped by its potential value—and its ultimate cost. Deftly Modiano reaches further and further into the past, revealing the secret histories of the two even as the pressurized present threatens to overwhelm them.

Anker, a sports and travel journalist, has gathered the work of 17 different climbers with first-hand knowledge of the Eiger to offer both historical and personal perspectives about the mountain. 179 photos, 112 in color. *General Catalogue* Yale University Press This uneasy, compelling novel begins with a nighttime accident on the streets of Paris. The unnamed narrator, a teenage boy, is hit by a car whose driver he vaguely recalls having met before. The mysterious ensuing events,

involving a police van, a dose of ether, awakening in a strange hospital, and the disappearance of the woman driver, culminate in a packet being pressed into the boy's hand. It is an envelope stuffed full of bank notes. The confusion only deepens as the characters grow increasingly apprehensive; meanwhile, readers are held spellbound. Modiano's low-key writing style, his preoccupation with memory and its untrustworthiness, and his deep concern with timeless moral questions have earned him an international audience of devoted readers. This beautifully rendered translation brings another of his finest works to an eagerly waiting English-language audience. *Paris Nocturne* has been named "a perfect book" by *Libération*, while *L'Express* observes,

“Paris Nocturne is cloaked in darkness, but it is a novel that is turned toward the light.”

*Electrical Apparatus and Supplies* New York Review of Books

In this rare glimpse into the life of Nobel laureate Patrick Modiano, the author takes up his pen to tell his personal story. He addresses his early years—shadowy times in postwar Paris that haunt his memory and have inspired his world-cherished body of fiction. In the spare, absorbing, and sometimes dreamlike prose that translator Mark Polizzotti captures unerringly, Modiano offers a memoir of his first twenty-one years. Termed one of his “finest books” by the Guardian, *Pedigree* is both a personal exploration and a luminous portrait of a world gone

by. *Pedigree* sheds light on the childhood and adolescence that Modiano explores in *Suspended Sentences*, *Dora Bruder*, and other novels. In this work he re-creates the louche, unstable, colorful world of his parents under the German Occupation; his childhood in a household of circus performers and gangsters; and his formative friendship with the writer Raymond Queneau. While acknowledging that memory is never assured, Modiano recalls with painful clarity the most haunting moments of his early life, such as the death of his ten-year-old brother. *Pedigree*, Modiano’s only memoir, is a gift to his readers and a master key to the themes that have inspired his writing life.

*Come Sing to Me* Other Press, LLC

In this essential trilogy of novellas by the

winner of the 2014 Nobel Prize in Literature, French author Patrick Modiano reaches back in time, opening the corridors of memory and exploring the mysteries to be encountered there. Each novella in the volume—*Afterimage*, *Suspended Sentences*, and *Flowers of Ruin*—represents a sterling example of the author’s originality and appeal, while Mark Polizzotti’s superb English-language translations capture not only Modiano’s distinctive narrative voice but also the matchless grace and spare beauty of his prose. Although originally published separately, Modiano’s three novellas form a single, compelling whole, haunted by the same gauzy sense of place and characters. Modiano draws on his own experiences, blended with the real or invented stories of others, to

present a dreamlike autobiography that is also the biography of a place. Orphaned children, mysterious parents, forgotten friends, enigmatic strangers—each appears in this three-part love song to a Paris that no longer exists. Shadowed by the dark period of the Nazi Occupation, these novellas reveal Modiano’s fascination with the lost, obscure, or mysterious: a young person’s confusion over adult behavior; the repercussions of a chance encounter; the search for a missing father; the aftershock of a fatal affair. To read Modiano’s trilogy is to enter his world of uncertainties and the almost accidental way in which people find their fates.

New York-based British artist John Beech and New York playwright Edward Albee have known each other since 1991, when Albee acquired the first of several of Beech's works for his collection. In the summer of 2006, Beech set out for Montauk to meet with Albee about collaborating on a book. As Albee went through the images, Beech was struck by the poignant and poetic remarks Albee spoke in response, sometimes with just a single word, at other times with a short insightful phrase. These primary responses were the genesis of the facsimile-reproduced handwritten texts that appear in response to each of the 40 images reproduced in this stunning limited edition of 750 copies. *Les Livres disponibles* Hodder Arnold

Modiano is a beautiful tapestry that brings together memory, esoteric encounters, and fragmented sensations Patrick Modiano's first book since his 2014 Nobel Prize revisits moments of the author's past to produce a spare yet moving reflection on the destructive underside of love, the dreams and follies of youth, the vagaries of memory, and the melancholy of loss. Writing from the perspective of an older man, the narrator relives a key period in his life through his relationships with several enigmatic women—Geneviève, Martine, Madeleine, a certain Madame Huberson—in the process unearthing his troubled relationship with his parents, his unorthodox childhood, and the unsettled years of his youth that helped form the celebrated writer he would

become. This is classic Modiano, utilizing his signature mix of autobiography and invention to create his most intriguing and intimate book yet.
