YesJapan Corporation

Winner of the Duff Cooper Prize • Named a top history book of the year by The Economist From one of our leading historians, the definitive history of the Greek War of Independence The Greek War of Independence was an unlikely cause, a disorganized collection of Greek patriots up against what was still one of the most storied empires in the world, the Ottomans. The revolutionaries needed all the help they could get. And they got it, as Europeans and Americans embraced the idea that the heirs to ancient Greece, the wellspring of Western civilization, were fighting for their freedom against the proverbial Eastern despot, the Turkish sultan. Mazower does full justice to the more complicated reality on the ground, as a revolutionary conspiracy triggered outright rebellion. By the time the dust settled, Greece was free, and Europe was changed forever. It was a victory for a completely new kind of politics—international in its range and affiliations, popular in its origins, romantic in its sentiments, and radical in its goals. The Greek War of Independence was the first war in which a people claimed liberty for themselves and overthrew an entire empire to attain it, inaugurating a new world of nation-states, the world in which we still live.

Kana from Zero! Teach Yourself

Colloquial Greek: The Complete Course for Beginners has been carefully developed by an experienced teacher to provide a step-

by-step course to Greece as it is written and spoken today. Combining a clear, practical and accessible style with a methodical and thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Greek in a broad range of situations. No prior knowledge of the language is required. Colloquial Greek is exceptional; each unit presents a wealth of grammatical points that are reinforced with a wide range of exercises for regular practice. A full answer key, a grammar index and bilingual glossaries can be found at the back as well as useful vocabulary lists throughout. Key features include: A clear, user-friendly format designed to help learners progressively build up their speaking, listening, reading and writing skills Jargon-free, succinct and clearly structured explanations of grammar An extensive range of focused and dynamic supportive exercises Realistic and entertaining dialogues covering a broad variety of narrative situations Helpful cultural points explaining the customs and features of life in Greece An overview of the sounds of Greek Balanced, comprehensive and rewarding, Colloquial Greek is an indispensable resource both for independent learners and students taking courses in Greek. Audio material to accompany the course is available to download free in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.

Japanese from Zero! Oxford University Korean From Zero! 2 continues the fun, innovative, and integrated approach to learning Korean created by professional interpreter and author of 6 text books, George Trombley, Korean linguist Reed Bullen, and native Korean speaker Jiyoung Kim and Korean teacher Myunghee Ham. Using up-to-date and easy-to-grasp grammar, Korean From Zero! is the perfect course for current students of Korean to continue their studies.

[A Basic Grammar of Modern Greek for English Speaking Students](#) Learn from Zero

The Greek language has a written history of more than 3,000 years. While the classical, Hellenistic and modern periods of the language are well researched, the intermediate stages are much less well known, but of great interest to those curious to know how a language changes over time. The geographical area where Greek has been spoken stretches from the Aegean Islands to the Black Sea and from

Southern Italy and Sicily to the Middle East, largely corresponding to former territories of the Byzantine Empire and its successor states. This Grammar draws on a comprehensive corpus of literary and non-literary texts written in various forms of the vernacular to document the processes of change between the eleventh and eighteenth centuries, processes which can be seen as broadly comparable to the emergence of the Romance languages from Medieval Latin. Regional and dialectal variation in phonology and morphology are treated in detail.

The Witches Penguin

Colloquial Greek Multilingual Matters
 Bestselling language courses! From Danish to Spanish, Swahili to Brazilian

Portuguese, the languages of the world are brought within the reach of any beginning student. Learners can use the Teach Yourself Language Courses at their own pace or as a supplement to formal courses. These complete courses are based on the very latest learning methods and designed to be enjoyable and user-friendly. Prepared by experts in the language, each course begins with the basics and gradually promotes the student to a level of smooth and confident communication, including: Up-to-date, graded interactive dialogues Graded units of culture notes, grammar, and exercises Step-by-step guide to pronunciation Practical vocabulary Regular and irregular verb tables Plenty of practice exercises and answers Bilingual glossary The new editions also feature: Clear, uncluttered, and user-friendly layout Self-assessment quizzes to test progress Website suggestions to take language study further *The linguistic integration of adult migrants: from one country to another, from one language to another* Hachette UK Covering the most commonly used vocabulary of everyday Greek life, as well as that found in general literature, this revised edition of the highly acclaimed Oxford Dictionary of Modern Greek is specially designed for tourists, travelers, students, and business people alike. This authoritative guide offers comprehensive coverage of 67,000 words and phrases, as well as some 82,000 translations, and includes many idioms and illustrative phrases in both Greek and English showing words in use. Information is given on points of style and usage, and appendices are included listing the principal parts of Greek verbs, place names, and personal names. Brought completely up-to-date with the monotonic spelling system for the Greek language, now the most widely used in Greece, this reference guide is a must for anyone Clearing or using Greek. *Research Methods in Language Learning* Little, Brown Books for Young Readers The linguistic integration of migrants affects every aspect of settling in a new country (employment, health, etc.). The aim of this collection of texts is to propose a number of specific measures member states can take to help adult migrants become acquainted with the language of the host country. The main focus is on organising language courses that meet migrants' real communication needs. It is not enough for authorities simply to consider the technical aspects of such courses, they should also design and conduct them in accordance with the fundamental values of the Council of Europe. A number of issues concerning the

linguistic integration of adult migrants are presented here, beginning with the notion of linguistic integration itself. Family reunion, the nature of citizenship and the function of language tests, among others, are dealt with from the point of view of language and language use. Readers are invited to reflect on the type of language competences that need to be acquired as well as an appropriate use of the Common European Framework of Reference for Languages. The collection also sets out approaches and instruments designed to assist in implementing effective policies. *Bilingualism and Multiculturalism in Greek Education* Routledge

Kanji From Zero! isn't just another kanji reference book, instead, it's designed to give genuine insight into kanji, the associated Japanese culture, and related Japanese words that other books often ignore.

Burmese for Beginners Tor Books

The Three-Body Problem Series Kanji from Zero

25th August 1957. The island of Spinalonga closes its leper colony. And a moment of violence has devastating consequences. When time stops dead for Maria Petrakis and her sister, Anna, two families splinter apart and, for the people of Plaka, the closure of Spinalonga is forever coloured with tragedy. In the aftermath, the question of how to resume life looms large. Stigma and scandal need to be confronted and somehow, for those impacted, a future built from the ruins of the past.

Complete Greek Beginner to Intermediate Course Penguin

From the World's No. 1 Storyteller, *The Witches* is a children's classic that has captured young reader's imaginations for

generations. This is not a fairy tale. This is about real witches. Grandmamma loves to tell about witches. Real witches are the most dangerous of all living creatures on

earth. There's nothing they hate so much as children, and they work all kinds of terrifying spells to get rid of them. Her grandson listens closely to Grandmamma's

stories—but nothing can prepare him for the day he comes face-to-face with The Grand High Witch herself! Now a major motion picture! Cover may vary.
