**The Art of War (King's Classics)** Hachette UK

The Art of War is an ancient Chinese military treatise by Sun Tzu, a high-ranking military general, strategist and tactician. The text is composed of 13 chapters, each of which is devoted to one aspect of warfare. It is commonly thought of as a definitive work on military strategy and tactics. For the last two thousand years it remained the most important military treatise in Asia, where even the common people knew it by name. It has had an influence on Eastern and Western military thinking, business tactics, legal strategy and beyond. The book was first translated into the French language in 1772 by French Jesuit Jean Joseph Marie Amiot and a partial translation into English was attempted by British officer Everard Ferguson Calthrop in 1905. However, the most popular (and accurate) English language translation was completed by Lionel Giles in 1910. Leaders as diverse as Mao Zedong, General Vo Nguyen Giap, General Douglas MacArthur and leaders of Imperial Japan have drawn inspiration from the work. This edition has 380 footnotes, an introduction, and brief biographies on the 11 main commentators on Sun Tzu's work.

The New York Times Bestseller | Winner of the Army Historical Foundation Distinguished Writing Award Omaha Beach legend Ray Lambert's unforgettable firsthand account of D-Day "Lambert landed on [Omaha Beach] as a 23-year-old Army medic. ... As the bullets cut down his comrades, he raced repeatedly back into the sea to drag out wounded soldiers." —New York Times Seventy-five years ago, he hit Omaha Beach with the first wave. Now D-Day legend Ray Lambert (1920-2021) delivers one of the most remarkable memoirs of our time, a tour-de-force of remembrance evoking his role as a decorated World War II medic who risked his life to save the heroes of Normandy. At five a.m. on June 6, 1944, U.S. Army Staff Sergeant Ray Lambert worked his way through a throng of nervous soldiers to a wind-swept deck on a troopship off the coast of Normandy, France. A familiar voice cut through the wind and rumble of the ship's engines. "Ray!" called his brother, Bill. Ray, head of a medical team for the First Division's famed 16th Infantry Regiment, had already won a silver star in 1943 for running through German lines to rescue trapped men, one of countless rescues he'd made in North Africa and Sicily. "This is going to be the worst yet," Ray told his brother, who served alongside him throughout the war. "If I don't make it," said Bill, "take care of my family." "I will," said Ray. He thought about his wife and son—a boy he had yet to see. "Same for me." The words were barely out of Ray's mouth when a shout came from below. To the landing craft! The brothers parted. Their destinies lay ten miles away, on the bloodiest shore of Normandy, a plot of Omaha Beach ironically code named "Easy Red." Less than five hours later, after saving dozens of lives and being wounded at least three separate times, Ray would lose consciousness in the shallow water of the beach under heavy fire. He would wake on the deck of a landing ship to find his battered brother clinging to life next to him. Every Man a Hero is the unforgettable story not only of what happened in the incredible and desperate hours on Omaha Beach, but of the bravery and courage that preceded them, throughout the Second World War—from the sands of Africa, through the treacherous mountain passes of Sicily, and beyond to the greatest military victory the world has ever known.

**Sun Tzu** Simon and Schuster

A hardcover edition of the classic tale of a young soldier's harrowing experiences in the trenches, widely acclaimed as the greatest war novel of all time—featuring an Introduction by historian Norman Stone. Now a Netflix Film. When twenty-year-old

Paul Bäumer and his classmates enlist in the German army during World War I, they are full of youthful enthusiasm. But the world of duty, culture, and progress they had been taught to believe in shatters under the first brutal bombardment in the trenches. Through the ensuing years of horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another. Erich Maria Remarque's classic novel not only portrays in vivid detail the combatants' physical and mental trauma, but dramatizes as well the tragic detachment from civilian life felt by many upon returning home. Remarque's stated intention—"to tell of a generation of men who, even though they may have escaped shells, were destroyed by the war"—remains as powerful and relevant as ever, a century after that conflict's end." Everyman's Library pursues the highest production standards, printing on acid-free cream-colored paper, with full-cloth cases with two-color foil stamping, decorative endpapers, silk ribbon markers, European-style half-round spines, and a full-color illustrated jacket. Contemporary Classics include an introduction, a select bibliography, and a chronology of the author's life and times.

"Based on a true story, this sweeping saga tells the tale of a working class couple in Berlin who decide to take a stand against the Nazis. More than an edge-of-your-seat thriller, more than a moving romance, even more than literature of the highest order, it's a deeply moving story of two people who stand up for what's right, and for each other. Hans Fallada wrote Every Man Dies Alone in a feverish twenty-four days, soon after the end of World War II and his release from a Nazi insane asylum. He did not live to see his its publication"--Page 4 of cover.
