NORMAN MAYA

Monday Night Jihad Penguin

Two intelligence experts with unique access to inside sources reveal the fascinating story behind the evolution of America's new, effective approach to counterterrorism

Home Fire Basic Books

As one of Al Qaeda's most respected scholars and bomb-makers, Aimen Dean rubbed shoulders with the mastermind of the 9/11 attacks and met Osama Bin Laden himself. His job was already one of the most dangerous in the world. But what the others didn't know was that he was working undercover for MI6.

Terrorists in Love Penguin

Drawing upon a wealth of previously unresearched primary sources in many languages, the authors shed much new light on a group frequently described as the most lethal actor in the current Afghan insurgency, and shown here to have been for decades at the centre of a nexus of transnational Islamist militancy, fostering the development of jihadi organisations from Southeast Asia to East Africa. Addressing the abundant new evidence documenting the Haqqani network's pivotal role in the birth and evolution of the global jihadi movement, the book also represents a significant advance in our knowledge of the history of al-Qaeda, fundamentally altering the picture painted by the existing literature on the subject.

[Osama Bin Laden, Radical Islam, and the Future of America](#)

Anchor

A Pulitzer Prize-winning intelligence reporter presents a narrative account of a mysterious Jordanian agent that describes how he infiltrated both al-Qaeda and the CIA before killing himself and seven CIA operatives in a suicide bombing, an event that revealed sobering agency weaknesses. Reprint.

Jesus, Jihad and Peace Manas Publications

This guidebook illustrates the UN system while covering issues as diverse as terrorism, peacekeeping, human rights, climate change, and UN reform.

United States of Jihad Henry Holt

If you truly love Allah, you will die for him. Your death will mean much reward for you and your family in heaven. Only death will prove your love. It was the final test. A chance to win not only the love of Allah, but the love of her father—something she had never been able to earn. Esther took a deep breath and raised her hand in the air. At the age of eighteen, she had just volunteered to become a suicide bomber. Defying Jihad is the true story of a girl growing up under radical Islamic rule, trained to believe her ultimate purpose was to serve Allah by dying as a jihadist. But two nights before she was to leave forever, she had a dream . . . one that would change the course of her destiny. Against all odds, Esther became a follower of Jesus—even though leaving Islam meant her death sentence. But rather than kill her immediately, Esther's furious father challenged her to a series of public debates with Muslim scholars: the Bible versus the Quran. If Esther won, she might yet survive. But if the Muslim clerics won, Esther must renounce her Christian faith. For an entire month—if she lived that long—Esther would be brought before

the mob daily to defend her newfound faith. Would God give her the words to argue against Muslim leaders, former friends, and even her own family? Defying Jihad is an amazing story of a woman prepared to surrender all for Jesus—and whose life transformed from terror to overwhelming love.

Nine Lives The NIYAH Company

Abdallah Azzam, the Palestinian cleric who led the mobilization of Arab fighters to Afghanistan in the 1980s, played a crucial role in the internationalization of the jihadi movement. Killed in mysterious circumstances in 1989 in Peshawar, Pakistan, he remains one of the most influential jihadi ideologues of all time. Here, in the first in-depth biography of Azzam, Thomas Hegghammer explains how Azzam came to play this role and why jihadism went global at this particular time. It traces Azzam's extraordinary life journey from a West Bank village to the battlefields of Afghanistan, telling the story of a man who knew all the leading Islamists of his time and frequented presidents, CIA agents, and Cat Stevens the pop star. It is, however, also a story of displacement, exclusion, and repression that suggests that jihadism went global for fundamentally local reasons.

A CIA field commander offers a no-holds-barred, inside look at the war in Afghanistan against Osama Bin Laden, explaining how his handpicked team of CIA and Special Operations Forces launched an offensive against Al Qaeda. Reprint.

Infidel Simon and Schuster

While we have all seen and viscerally felt the damage bin Laden

has unleashed on the United States, most of us do not have a coherent understanding of what motivates him and his supporters. This could pave the road to disaster, for the forces bin Laden has led and inspired are a far more lethal, varied, and unique threat than that posed by any others labeled "terrorist" over the past quarter century. Furthermore, the strength of his personality and message is likely to create an enduring legacy that will persist long after bin Laden's own departure from the scene. Bin Laden's railing diatribes, full of historical allusions and Koranic references, may sound like the irrational ramblings of a madman to those in the West. One must understand, however, that there exists a sizable population in the Muslim world with whom bin Laden's words resonate. Much as the spiritual fervor and fiery rhetoric of America's founding fathers incited a revolution against British colonizers, bin Laden's eloquence and religious conviction are intended to unite the Islamic world in a defensive jihad against what he describes as America's predatory war on Muslims. Only history will show the success or failure of his endeavor. *Through Our Enemies' Eyes* focuses on what extremists such as bin Laden have said and done and estimates the impact of those words and deeds on the Muslim world. The author assesses bin Laden as a person (his personality, his leadership capabilities, and his intentions), his al Qaeda network, and the historical and religious contexts in which he acts, and details the radical Islamist push for a defensive jihad that has bin Laden at the forefront. Finally, the author analyzes what all this means for U.S. interests.

My Journey Behind the Lines of Jihad Open Road + Grove/Atlantic

Judaism, Christianity, and Islam all feature parallel accounts of the "end times," and all three accounts feature a messianic Savior, an apocalyptic final war between good and evil, and a central role for the city of Jerusalem. Do these three "end times" scenarios intersect in some way? In a world that cries out for peace, which will prevail-Jesus or jihad?

Leading the second wave of post 9/11 terrorist books, *American Jihad* reveals that America is rampant with Islamic terrorist networks and sleeper cells and Emerson, the expert on them, explains just how close they are to each of us.

An Insider's Guide to the UN Broadway Books

Between 1994 and 2000, Omar Nasiri worked as a secret agent for Europe's top foreign intelligence services-including France's DGSE (Direction Générale de la Sécurité Extérieure), and Britain's MI5 and MI6. From the netherworld of Islamist cells in Belgium, to the training camps of Afghanistan, to the radical mosques of London, he risked his life to defeat the emerging global network that the West would come to know as Al Qaeda. Now, for the first time, Nasiri shares the story of his life-a life balanced precariously between the world of Islamic jihadists and the spies who pursue them. As an Arab and a Muslim, he was able to infiltrate the rigidly controlled Afghan training camps, where he encountered men who would later be known as the most-wanted terrorists on earth: Ibn al-Sheikh al-Libi, Abu Zubayda, and Abu Khabab al-Masri. Sent back to Europe with instructions to form a sleeper cell, Nasiri became a conduit for messages going back and forth between Al Qaeda's top recruiter in Pakistan and London's radical cleric Abu Qatada.

The Al-Qaeda Mole Who Infiltrated the CIA Oneworld

Describes the author's experiences as the journalist wife of a Libyan-born Muslim with whom she lives in the American South, a relationship that has endured prejudices and different views about family and parenting.

The Life of Al-Qaeda Strategist Abu Mus'ab Al-Suri Crown

"Brilliant and beautiful. It surely ranks with the best war memoirs I've ever encountered." —Tim O'Brien, author of *The Things They Carried* An award-winning poet and former infantry team leader in Iraq, Brian Turner combines his devastating recollections as "Sergeant Turner" with his visions of the experiences of generations of warriors in his family—and even those of the enemy—in a work of profound understanding and shocking beauty.

A Novel Potomac Books, Inc.

How has ISIS been able to muster support far beyond its initial constituency in the Arab world and attract tens of thousands of foreign volunteers, including converts to Islam, and seemingly countless supporters online? In this compelling intervention into the debate about ISIS' origins and future prospects, the renowned French sociologist, Olivier Roy, argues that while terrorism and jihadism are familiar phenomena, the deliberate pursuit of death has produced a new kind of radical violence. In other words, we're facing not a radicalization of Islam, but the Islamization of radicalism. *Jihad and Death* is a concise dissection of the highly sophisticated narrative mobilised by ISIS: the myth of the Caliphate recast into a modern story of heroism and nihilism. According to Roy, this very contemporary aesthetic of violence is less rooted in the history of Islamic thought than it is entrenched

in a youth culture that has turned global and violent.

Inside the Jihad Cambridge University Press

"A versatile prose stylist... [Aboulela's] lyrical style and incisive portrayal of Muslims living in the West received praise from the Nobel Prize winner J. M. Coetzee... [she is] a voice for multiculturalism."—New York Times It's 2010 and Natasha, a half Russian, half Sudanese professor of Islamic studies, is researching the life of Imam Shamil, the 19th century Muslim leader who led the anti-Russian resistance in the Caucasian War. When shy, single Natasha discovers that her star student, Oz, is not only descended from the warrior but also possesses Shamil's priceless sword, the Imam's story comes vividly to life. As Natasha's relationship with Oz and his alluring actress mother intensifies, Natasha is forced to confront issues she had long tried to avoid—that of her Muslim heritage. When Oz is suddenly arrested at his home one morning, Natasha realizes that everything she values stands in jeopardy. Told with Aboulela's inimitable elegance and narrated from the point of view of both Natasha and the historical characters she is researching, *The Kindness of Enemies* is both an engrossing story of a provocative period in history and an important examination of what it is to be a Muslim in a post 9/11 world.

My Life with the Taliban Basic Books

The Algerian Islamist Abdullah Anas, 'perhaps the greatest warrior of the Afghan Arabs', fought the Soviet Union for a decade. As one of the earliest Arabs to join the Afghan jihad, he counted as brothers-in-arms the future icons of Al-Qaeda's global war, from Abdullah Azzam to Osama bin Laden to Omar Abdel-Rahman, and befriended key Afghan jihadi figures such as

Gulbuddin Hekmatyar and Ahmad Shah Massoud, the Lion of Panjshir. To the Mountains is an intimate portrait of this brutal war, tracing Anas's involvement in the conflict, as well as his experiences of the Algerian civil war (1992-8) and his sojourn in 'Londonistan'. Brushing shoulders with everyone from Abu Mus'ab al-Zarqawi to Jalaluddin Haqqani, Anas opted for his own independent route, seeking to persuade the Afghan Arabs that they should not be distracted by attacks on the West. Paradoxically, he remains committed to the broader Islamist movement, believing that jihad will continue till the end of time, yet has also spent years talking to the Taliban, seeking to build a lasting peace in Afghanistan. This is his story. Co-written with investigative journalist Tam Hussein, Anas's memoir will doubtless become a seminal primary source on the rise of global jihadism.
