A solid vocabulary is crucial for testing, writing, and the precise communication required by daily life. Using a contextual approach, Wordly Wise 3000 students are taught to say unfamiliar words and identify any possible similarities to other words, use the word in context, break the word down into parts, and finally look it up. Three thousand carefully selected words taken from literature, textbooks, and SAT-prep books form the backbone of this vocabulary series. Each lesson begins with a Word List that includes pronunciations, parts of speech, and concise definitions, and uses each word in an interesting, contextual, sentence. Lessons teach new words through reading, writing, and a variety of activities designed to firmly associate words with the context in which they're used. Wordly Wise 3000, Book 2 is made up of 15 lessons with 10 words in each lesson. Starting in Book 2, vocabulary instruction becomes more sophisticated, while continuing to prepare students for content area learning; lessons focus on building vocabulary while strengthening reading, writing, and critical thinking skills. Comprehension of the vocabulary words is facilitated and reinforced through the five different exercises repeated in each lesson; reading first strategies as well as Greek and Latin roots are also included. This third edition features the same word lists as the second edition, however, the passages and questions that follow the passages have been updated and assigned measures from The Lexile Framework for Reading. Wordly Wise 3000, 3rd Edition is not compatible with 2nd Edition teacher's guides and resources. Wordly Wise 3000, Book 2, 3rd Edition has 15 lessons with 150 words; words taught in book 2 include groom, boulder, soil, faucet, imitate, local, connect, settle, scholar and more. 144 two-tone pages, softcover. Grade 2.

These resource books for teachers provide strategies and tools to help your students get the most out of each vocabulary lesson. Divided into easy-to-navigate sections rather than holistic lessons (e.g. answer key, lesson review, lesson review answers), the first portion provides the teacher with the latest in vocabulary research, as well as strategies and techniques for teaching a sample lesson. The remainder of each book is divided into sections for the student book answer key, lesson review

exercises (which may be used as extension/review/alternatives), lesson review answer key, tests, the test answer key, and a word list on the inside back cover.
