Soldier of Finance Penguin

In every industry, there are companies that take off. They effortlessly hire talented people, attract loyal customers, create cool products and make lots of money. These companies seem to stand out and scale up quickly with support from investors, partners and the media. Sadly, most companies don't perform this way. Most entrepreneurs aren't building anything of value. They work hard, make sacrifices, struggle, dream, plan and strive, but in the end, it doesn't pay off. This book sets out a method for building a business that becomes a valuable asset. It focuses you on transforming your organisation into something scalable, digital, fun and capable of making an impact. It's time to, stand out, scale up and build a business that has a life of its own. Start now by reading this book.

Smart Couples Finish Rich, Canadian Edition AMACOM

Heartfit365 is a common sense guide to perspective, choices and outcomes for heart healthy living. This book retells the story of a typical out of shape hockey dad who stopped paying attention to his own health and at 40, found himself in the midst of a serious heart health crisis. What the author learned was that his circumstances were not unique, but how he dealt with them was. He decided to shift his focus from losing weight to investing in his heart health every day and that simple mindset change made all of the difference. Now an international speaker, Dave teaches other adults the process of daily heart healthy living and weight management. You don't have to be a triathlete to learn from one and the ultimate goal of this book is to help you learn to eat less processed food, sit less and move more.

The Automatic Millionaire Homeowner, Canadian Edition Crown Currency

Whether you've tried to systemise in the past or not, SYSTEMology provides a revolutionary approach to small business systems.

The Automatic Millionaire Homeowner Crown Currency

Internationally bestselling financial advisor David Bach's Automatic Millionaire promotes a revolutionary system for making even the most undisciplined money managers rich. The Automatic Millionaire shows readers how to change their financial practices and even their lives, the simple and automatic way. The book begins with a powerful story about an average Canadian couple — he's a low-level manager, she's a beautician — whose joint income never exceeds \$55,000 a year, yet who somehow manage to own two homes debt-free, put two kids through college, and retire at fifty-five with more than \$1 million in savings. The incredible message Bach delivers is that the key to getting rich is "automating" the way to wealth by "paying yourself first," using automatic funded retirement accounts and money market accounts to secure the future and pay for the present. A concise guide that's a fixture on bestseller lists, The Automatic Millionaire introduces readers to a system that is powerful and simple — an automatically effective, life-changing system that delivers. Do it once, the rest is automatic.

A war for your money is raging and it is time to fight back! In a book that will forever change how you spend your hard earned money, America's favorite financial coach, David Bach, shows you how to save thousands of dollars every year by taking on the "corporate machines." In these times when every dollar counts, big businesses are using dishonest tricks to rip you off, making themselves billions while they keep you living paycheck to paycheck. David Bach knows that until you learn to fight for your money, you will overpay for almost everything you buy. In Fight for Your Money, he gives you the tools to FIGHT BACK and WIN. Bach shows you how every dollar you spend is really a battle between you and the businesses—and the government—who want to take it as profit. When you know how the system is rigged—the extra points, the hidden fees, the late charges, the unused tax breaks, the escalating rates—you can fight back against the pickpockets and save literally thousands every year—money in your pocket that can help you live your dreams. Fight for Your Money shows how you are being taken on your cell phone contract, cable bill, car purchase, credit card, life insurance, healthcare, 401(k) plan, airfare, hotel bills, and much more. Bach gives you all the tools you need to fight back, with websites, phone numbers, sample letters and real-life stories of ordinary people who have fought for their money and won. You'll learn how to: Beat the credit card companies at the games they play that cost you thousands annually in interest and fees Make your bank accounts work for you with higher yields and lower fees Save thousands by pre-paying college tuition at TODAY's prices Raise your credit score and pay thousands less in mortgage interest Cut your life insurance premiums in half by making one call Save hundreds on air travel, hotels, and car rentals—just by being an informed consumer Avoid huge rip-offs like bank-issued gift cards, medical credit cards, 401(k) debit cards, and sneaky renewals of your cell-phone plan. David Bach knows that when you are being taken financially, you work harder than you have to, for longer than you need to. This book helps you fight for your money, so you can live your life doing what you really want to do.

Let David Bach show you a whole new way to prosper—by going green Internationally renowned financial expert and bestselling author David Bach has always urged readers to put their financial lives in line with their values. But what if your values are a cleaner and greener earth? Most people think that "going green" is an expensive choice they can't afford. Bach is here to say that you can have both: a life in line with your green values and a million dollars in the bank. Go Green, Live Rich outlines fifty ways to make your life, your home, your shopping, and your finances greener—and get rich trying. From driving the right car to making your home energy smart, Bach offers ways to improve the environment while you spend less, save more, earn more, and pay fewer taxes. Best of all, he shows you exactly how to take advantage of the "green wave" in personal finance without the difficult work of evaluating individual stocks. What's more, he will get you thinking about a green business of your own so you can help the world along as it is changing for the better. David Bach is on a mission to teach the world that you can live a great life by living a green life. With Go Green,

Live Rich, you can live in line with your eco-values on the road to financial freedom.

SYSTEMology Crown Currency

The New York Times bestseller that gives “readers with an entrepreneurial turn of mind . . . road maps on how millionaires found their niches” (USA Today). The author of the blockbuster bestseller The Millionaire Next Door: The Surprising Secrets of America's Wealthy shows how self-made millionaires have surmounted shortcomings such as average intelligence by carefully choosing their careers, taking calculated risks, and living balanced lifestyles while maintaining their integrity. Dr.

Thomas J. Stanley also builds on his research from The Millionaire Next Door and takes us further into the psyche of the American millionaire. Stanley focuses in on the top one percent of households in America and tells us the motor behind the engine; what makes them tick. His findings on how these families reached such financial success are based on in-depth surveys and interviews with more than thirteen hundred millionaires. “A very good book that deserves to be well read.” —The Wall Street Journal “Worth every cent . . . It's an inspiration for anyone who has ever been told that he wasn't smart enough or good enough.” —Associated Press “A high IQ isn't necessarily an indicator of financial success . . . Stanley tells us that the typical millionaire had an average GPA and frugal spending habits—but good interpersonal skills.” —Entertainment Weekly “Ideas bigger than the next buck.” —Orlando Sentinel

Secret Millionaires Club John Wiley & Sons

A new kind of manifesto for the working woman, with tips on building wealth and finding balance, as well as inspiration for harnessing the freedom and power that comes from a breadwinning mindset. Nearly half of working women in the United States are now their household's main breadwinner. And yet, the majority of women still aren't being brought up to think like breadwinners. In fact, they're actually discouraged--by institutional bias and subconscious beliefs--from building their own wealth, pursuing their full earning potential, and providing for themselves and others financially. The result is that women earn less, owe more, and have significantly less money saved and invested for the future than men do. And if women do end up the main breadwinners, they've been conditioned to feel reluctant and unprepared to manage the role. In Think Like a Breadwinner, financial expert Jennifer Barrett reframes what it really means to be a breadwinner. By dismantling the narrative that women don't--and shouldn't--take full financial responsibility to create the lives they want, she reveals not only the importance of women building their own wealth, but also the freedom and power that comes with it. With concrete practical tools, as well as examples from her own journey, Barrett encourages women to reclaim, rejoice in, and aspire to the role of breadwinner like never before.

The Finish Rich Workbook Rosetta Books

“A three-step process to financial freedom” from the #1 New York Times–bestselling author of The Automatic Millionaire (Jon Gordon, bestselling author of The Energy Bus). Drawing on the David Bach's experiences teaching millions of people around the world to live a rich life, this fast, easy read reveals how anyone—from zillennials to baby boomers—can still make his or her dreams come true. In this compelling, heartwarming parable, Bach and his bestselling coauthor John David Mann (The Go-Giver) tell the story of Zoey, a twenty-something woman living and working in New York City. Like many young professionals, Zoey is struggling to make ends meet under a growing burden of credit card and student loan debt, working crazy hours at her dream job but still not earning enough to provide a comfortable financial cushion. At her boss's suggestion, she makes friends with Henry, the elderly barista at her favorite Brooklyn coffee shop. Henry soon reveals his “Three Secrets to Financial Freedom,” ideas Zoey dismisses at first but whose true power she ultimately comes to appreciate. Over the course of a single week, Zoey discovers that she already earns enough to secure her financial future and realize her truest dreams—all she has to do is make a few easy shifts in her everyday routine. The Latte Factor demystifies the secrets to achieving financial

freedom, inspiring you to realize that it's never too late to reach for your dreams, proving once again that "David Bach is the financial expert to listen to when you're intimidated by your finances" (Tony Robbins, #1 New York Times–bestselling author).
