It is recognized by leading universities and employers worldwide, and is an international passport to progression and success. Developed over 25 years ago, it is tried, tested and trusted by schools worldwide. This syllabus is designed for learners who are learning Mandarin Chinese as a foreign language. The aim is to develop an ability to use the language effectively for

purposes of practical communication. The course is based on the linked language skills of listening, reading, speaking and writing, and these are built on as learners progress through their studies. Cambridge IGCSE Chinese aims to offer insights into the culture and civilization of countries where Mandarin Chinese is spoken, encouraging positive attitudes towards

language learning and towards speakers of foreign languages.
