From the No. 1 international bestselling author, Adam Silvera, comes three sensational books guaranteed to stay with you long after reading. **THEY BOTH DIE AT THE END** When Death-Cast calls Mateo Torrez and Rufus Emeterio to tell them they're going to die today, two total strangers meet up through the Last Friend app to live a lifetime in a single day . . . and maybe even fall in love while they're at it. **HISTORY IS ALL YOU LEFT ME** After Griffin loses his ex-boyfriend and first love, Theo, grief and worsening OCD become all consuming. But Theo's most recent boyfriend provides unexpected comfort. As their relationship becomes complicated, Griffin must make a choice: confront the past or miss out on the future. **MORE HAPPY THAN NOT** Aaron Soto hasn't been happy since his father's suicide, but he can't deny how much better he feels around newfound friend, Thomas. With his feelings throwing up confusion, he turns to a memory-alteration procedure to straighten him out, even if it means forgetting who he truly is . . . Praise for Adam Silvera: 'Adam Silvera is a master at capturing the infinite small heartbreaks of love and loss and grief.' Nicola Yoon, author of *Everything, Everything* 'A phenomenal talent.' Juno Dawson, author of *Clean* 'There isn't a teenager alive who won't find their heart described perfectly on these pages.' Patrick Ness, author of *The Knife of Never Letting Go*

He Forgot to Say Goodbye Soho Press

Recognizing you've done something wrong can be hard. Apologizing can be even harder. Punk the Skunk liked to tease. Normally, his teasing was harmless. But today was not a normal day. What happens when teasing goes too far? While saying sorry and forgiving others can be hard, they are two of the most important social skills a child can learn. Parents, counselors, and teachers will love that the valuable life lessons in this book are taught in such a fun way that kids won't even realize they're learning. Geared towards children in preschool to 2nd grade, ages 3-8. It's never too early to talk about these important social skills: Showing empathy Dealing with bullying Being a true friend Being kind to others who are different Recognizing when you've done something wrong Saying sorry Forgiving others when they've apologized Teacher and parent discussion materials on these topics are included in the back of the book. When Punk realizes his teasing isn't funny, will he be able to do what it takes to get his friends back, or will it be too late? Find out NOW in this anti-bullying book that may have you rooting for the "under-skunk."

Infinity Son Springer Science & Business Media

#1 New York Times bestseller! Becky Albertalli and Adam Silvera reunite to continue the story of Arthur and Ben, the boys readers first fell for in the bestselling rom-com *What If It's Us*. Ben survived freshman year of college, but he's feeling more stuck than ever. His classes are a slog, his part-time job working with his father is even worse, and his best friend Dylan's been acting weird for weeks. Ben's only real bright spot is his writing partner Mario, who's been giving him a lot of Spanish

lessons and even more kisses. Mario's big Hollywood dreams make Ben start to dream bigger—and the choices he makes now could be the key to reshaping his future. So why can't he stop thinking about a certain boy from his past? Arthur is back in New York City for the first time in two years, ready to take the theater world by a storm as the world's best . . . intern to the assistant of an off-off-Broadway director. Of course, it sucks to be spending the summer apart from his sweet, reliable boyfriend, Mikey, but he knows their relationship is strong enough to weather the distance. Which is why it's no big deal when his ex-boyfriend Ben stumbles back into the picture. And it's definitely fine that Ben's blissfully happy with some mystery boy. First loves are special, but it's way too late for what-ifs. Right? Even as the boys try to shake off the past, they keep running into each other in the present. Is this the universe trying to tell them there's a do-over in their future? *Here's to Us* is sure to be welcomed by fans old and new of these authors and their previous collaboration, *What If It's Us*. Critically acclaimed and bestselling authors Becky Albertalli and Adam Silvera combine their talents in these smart, funny, heartfelt novels about two very different boys who can't decide if the universe is pushing them together—or pulling them apart.

The Loony-Bin Trip HarperCollins

"In every person's life there comes a time when it's necessary to not only step outside their comfort zone, but to also leap way from it. For Heather, her carefully ordered world is already planned out: travel with her friends after college, come back to a great career in September, and head into a life where not much is left to chance. But that was before she met Jack, who makes his own rules. Jack, who is following his grandfather's journals through Europe. Jack, who has a secret that could change everything...."--

Every story begins before the story begins, and not surprisingly, so does Sheila's. She didn't have any idea of this until Adam was six years old. That was in 1993. But the story begins twenty years earlier in 1973 when she was only seventeen years old. Long before she knew there would be a son named Adam. So begins the thirty-year adventure of the fascinating world of autism, a mysterious cognitive disorder that began when Adam was nineteen months old, years before the word autism became mainstream and acceptable. From the earliest days when she knew "something is wrong", to helping Adam mature into a young man who lives independently with support, *All the Adams in the World* tells the thirty year journey of confronting the obstacles, attitudes, and frustrations along with the love and joy that comes with acceptance. To parents and siblings - this book helps you know that you are not alone. To teachers and specialists—this book testifies to the significant and vital role you play in the lives of your students. And to the medical community - Sheila and Adam's story provides an important reminder of how our doctors do not merely treat a patient, you are tending to an entire family. *All the Adams in the World* is a memoir of experience, insight, and gratitude to the network of people who helped Adam become the man he is today.

More Happy Than Not (Deluxe Edition) Simon and Schuster

Combining the emotional deftness of Sarah Dessen with the magical spark of New York City in

wintertime, this affecting novel will inspire readers to pay closer attention to the world around them. What does it really mean to be kind . . . and why does it sometimes feel like the hardest thing in the world to do? High school senior Kendall, who just returned from a life-changing semester in Europe, and Max, who is drifting his way through a gap year before college, struggle with these questions when they witness a tragic accident in New York City during the holiday season. Racked with guilt, the two accept a dare to perform random acts of kindness to strangers. The challenge pulls these two teens, who have a history together from back home, closer and closer as they explore a vibrant city filled with other people's stories and secrets. Kendall and Max can't deny their growing bond, even though they both have other romantic entanglements and uncertain futures. As the clock counts down on New Year's Eve, will they find themselves together at midnight? Jennifer Castle's latest novel is a romantic, thought-provoking tale of human connection and how we find—and make—our place in the world.

Jean Genet, French playwright, novelist and poet, turned the experiences in his life amongst pimps, whores, thugs and other fellow social outcasts into a poetic literature, with an honesty and explicitness unprecedented at the time. Widely considered an outstanding and unique figure in French literature, Genet wrote five novels between 1942 and 1947, now being republished by Faber & Faber in beautiful new paperback editions. *The Thief's Journal* is perhaps Jean Genet's most authentically autobiographical novel; an account of his impoverished travels across 1930s Europe. The narrator is guilty of vagrancy, petty theft and prostitution, but his writing transforms such degradations into an inverted moral code, where criminality and delinquency become heroic. With a holy trinity of his own making - homosexuality, theft and betrayal - in *The Thief's Journal* Genet produced a startlingly powerful novel without precedent. Includes a new introduction by Ahdaf Soueif.

Next in the Brooklyn Brujas series of fantasy novels that follow three witch born sisters as they develop their powers and battle magic in their hometown and the worlds beyond, from the author of *The Inheritance of Orquídea Divina*. Lula must let go of the ghosts of her past to face the actual living dead of her present. Lula Mortiz feels like an outsider. Her sister's newfound Encantrix powers have wounded her in ways that Lula's bruja healing powers can't fix, and she longs for the comfort her family once brought her. Thank the Deos for Maks, her sweet, steady boyfriend who sees the beauty within her and brings light to her life. Then a bus crash turns Lula's world upside down. Her classmates are all dead, including Maks. But Lula was born to heal, to fix. She can bring Maks back, even if it means seeking help from her sisters and defying Death herself. But magic that defies the laws of the deos is dangerous. Unpredictable. And when the dust settles, Maks isn't the only one who's been brought back... "Cordova keeps the flame on high... "I mean, it's not as if I want a father. I have a father. It's just that I don't know who he is or where he is. But I have one." Ramiro Lopez and Jake Upthegrove don't appear to have much in common. Ram lives in the Mexican-American working-class barrio of El Paso called "Dizzy Land." His brother is sinking into a world of drugs, wreaking havoc in their household. Jake is a rich West Side white boy who has developed a problem managing his anger. An only child, he is a misfit in his mother's shallow and materialistic world. But Ram and Jake do have one thing in common: They are lost boys who have never met their fathers. This sad fact has left both of them undeniably scarred and obsessed with the men who abandoned them. As Jake and Ram overcome their suspicions of each other, they begin to move away from their loner existences and realize that they are capable of reaching out beyond their wounds and the neighborhoods that they grew up in. Their friendship becomes a healing in a world of hurt. San Antonio Express-News wrote, "Benjamin Alire Sáenz exquisitely captures the mood and voice of a community, a culture, and a generation"; that is proven again in this beautifully crafted novel.

An NBC Today Show Book Club Pick! *A Seventeen Magazine Best YA Book of 2018!* *A Kirkus Best YA Fantasy Book of the Year* *A We Need Diverse Books 2018 Must-Read* "Epic thrills, heart-punching romance, and a marvel of a hero" --Adam Silvera, New York Times-bestselling author of *They Both Die at the End* The people of Uztari have long looked to the sky with hope and wonder. Nothing in their world is more revered than the birds of prey and no one more honored than the falconers who call them to their fists. Brysen strives to be a great falconer—while his twin sister, Kylee, rejects her ancient gifts for the sport and wishes to be free of falconry. She's nearly made it out, too, but a war is rolling toward their home in the Six Villages, and no bird or falconer will be safe. Together the twins must journey into the treacherous mountains to trap the Ghost Eagle, the greatest of the Uztari birds and a solitary killer. Brysen goes for the boy he loves and the glory he's

long craved, and Kylee to atone for her past and to protect her brother's future. But both are hunted by those who seek one thing: power. In this first young-adult fantasy novel in a trilogy, Alex London launches a soaring saga about the memories that haunt us, the histories that hunt us, and the bonds of blood between us.

In this prequel to the bestselling phenomenon *They Both Die at the End*, two new strangers spend a life-changing day together after Death-Cast first makes their fateful calls. #1 New York Times bestseller! It's the night before Death-Cast goes live, and there's one question on everyone's mind: Can Death-Cast actually predict when someone will die, or is it just an elaborate hoax? Orion Pagan has waited years for someone to tell him that he's going to die. He has a serious heart condition, and he signed up for Death-Cast so he could know what's coming. Valentino Prince is restarting his life in New York. He has a long and promising future ahead and he only registered for Death-Cast after his twin sister nearly died in a car accident. Orion and Valentino cross paths in Times Square and immediately feel a deep connection. But when the first round of End Day calls goes out, their lives are changed forever—one of them receives a call, and the other doesn't. Though neither boy is certain how the day will end, they know they want to spend it together...even if that means their goodbye will be heartbreaking. Told with acclaimed author Adam Silvera's signature bittersweet touch, this story celebrates the lasting impact that people have on each other and proves that life is always worth living to the fullest. * A Publishers Weekly Best Book of the Year *

consequences of refusing to let go of the past. When Griffin's first love and ex-boyfriend, Theo, dies in a drowning accident, his universe implodes. Even though Theo had moved to California for college and started seeing Jackson, Griffin never doubted Theo would come back to him when the time was right. But now, the future he's been imagining for himself has gone far off course. To make things worse, the only person who truly understands his heartache is Jackson. But no matter how much they open up to each other, Griffin's downward spiral continues. He's losing himself in his obsessive compulsions and destructive choices, and the secrets he's been keeping are tearing him apart. If Griffin is ever to rebuild his future, he must first confront his history, every last heartbreaking piece in the puzzle of his life.

What If It's Us Penguin

In his twisty, gritty, profoundly moving New York Times bestselling-debut—also called “mandatory reading” and selected as an Editors' Choice by the New York Times—Adam Silvera brings to life a charged, dangerous near-future summer in the Bronx. In the months after his father's suicide, it's been tough for sixteen-year-old Aaron Soto to find happiness again—but he's still gunning for it. With the support of his girlfriend Genevieve and his overworked mom, he's slowly remembering what that might feel like. But grief and the smile-shaped scar on his wrist prevent him from forgetting completely. When Genevieve leaves for a couple of weeks, Aaron spends all his time hanging out with this new guy, Thomas. Aaron's crew notices, and they're not exactly thrilled. But Aaron can't deny the happiness Thomas brings or how Thomas makes him feel safe from himself, despite the tensions their friendship is stirring with his girlfriend and friends. Since Aaron can't stay away from Thomas or turn off his newfound feelings for him, he considers turning to the Leteo Institute's revolutionary memory-alteration procedure to straighten himself out, even if it means forgetting who he truly is. Why does happiness have to be so hard? “Silvera managed to leave me smiling after totally breaking my heart. Unforgettable.” —Becky Albertalli, author of *Simon vs. The Homo Sapiens Agenda* “Adam Silvera explores the inner workings of a painful world and he delivers this with heartfelt honesty and a courageous, confident hand . . . A mesmerizing, unforgettable tour de force.” —John Corey Whaley, National Book Award finalist and author of *Where Things Come Back* and *Noggin*

Bridget Christie is a stand-up comedian, idiot and feminist. On the 30th of April 2012, a man farted in the Women's Studies Section of a bookshop and it changed her life forever. *A Book For Her* details Christie's twelve years of anonymous toil in the bowels of stand-up comedy and the sudden epiphany that made her, unbelievably, one of the most critically acclaimed British stand-up comedians this decade, drawing together the threads that link a smelly smell in the women's studies section to the global feminist struggle. Find out how nice Peter Stringfellow's fish tastes, how yoghurt advertising perpetuates rape myths, and how Emily Bronte used a special ladies' pen to write *Wuthering Heights*. If you're interested in comedy and feminism, then this is definitely the book for you. If you hate both then I'd probably give it a miss. “Christie is adept at turning on a

sixpence between being comical, or serious, or both at once, and at pricking her own earnestness.”

Telegraph ‘Christie piles derision and tomfoolery upon everyday sexism, while never pretending that jokes alone will solve the problem.’ Guardian
