*Oedipus the King* Samuel French, Inc.

A brilliant, kaleidoscopic narrative of Oklahoma City—a great American story of civics, basketball, and destiny, from award-winning journalist Sam Anderson NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • Chicago Tribune • San Francisco Chronicle • The Economist • Deadspin Oklahoma City was born from chaos. It was founded in a bizarre but momentous “Land Run” in 1889, when thousands of people lined up along the borders of Oklahoma Territory and rushed in at noon to stake their claims. Since then, it has been a city torn between the wild energy that drives its outsized ambitions, and the forces of order that seek sustainable progress. Nowhere was this dynamic better realized than in the drama of the Oklahoma City Thunder basketball team’s 2012-13 season, when the Thunder’s brilliant general manager, Sam Presti, ignited a firestorm by trading future superstar James Harden just days before the first game. Presti’s all-in gamble on “the Process”—the patient, methodical management style that dictated the trade as the team’s best hope for long-term greatness—kicked off a pivotal year in the city’s history, one that would include pitched battles over urban planning, a series of cataclysmic tornadoes, and the frenzied hope that an NBA championship might finally deliver the glory of which the city had always dreamed. Boom Town announces the arrival of an exciting literary voice. Sam Anderson, former book

critic for New York magazine and now a staff writer at the New York Times magazine, unfolds an idiosyncratic mix of American history, sports reporting, urban studies, gonzo memoir, and much more to tell the strange but compelling story of an American city whose unique mix of geography and history make it a fascinating microcosm of the democratic experiment. Filled with characters ranging from NBA superstars Kevin Durant and Russell Westbrook; to Flaming Lips oddball frontman Wayne Coyne; to legendary Great Plains meteorologist Gary England; to Stanley Draper, Oklahoma City’s would-be Robert Moses; to civil rights activist Clara Luper; to the citizens and public servants who survived the notorious 1995 bombing of the Alfred P. Murrah federal building, Boom Town offers a remarkable look at the urban tapestry woven from control and chaos, sports and civics.

*Driving Backwards* Hal Leonard Corporation

The story is based on a fictional disaster that occurred in Peru on July 20, 1714. A rope bridge woven by the Incas on the road between Lima and Cuzco collapsed when five people were crossing it. They all fell into the river from a great height and were killed. Brother Juniper, a Franciscan friar who was about to cross the bridge himself, witnessed the tragedy. Being deeply pious, he saw in what happened a possible divine providence. Did the dead deserve to have their lives cut short in such a terrible way? The monk tries to learn as much as he can about the five victims, finding and questioning people who knew them. As a result of years of investigation, he compiles a voluminous book with all the evidence he has gathered that the beginning and end of human life are part of God's plan... The Bridge of San Luis Rey won the 1928 Pulitzer Prize for the Novel, and remains widely

acclaimed as Wilder's most famous work. In 1998, the book was rated number 37 by the editorial board of the American Modern Library on the list of the 100 best 20th-century novels. Time magazine included the novel in its TIME 100 Best English-language Novels from 1923 to 2005.

When Lacy wakes up dead in Westminster Cemetery, final resting place of Edgar Allan Poe, she's confused. It's the job of Sam, a young soldier who died in 1865, to teach her the rules of the afterlife and to warn her about Suppression—a punishment worse than death. Lacy desperately wants to leave the cemetery and find out how she died, but every soul is obligated to perform a job. Given the task of providing entertainment, Lacy proposes an open mic, which becomes a chance for the cemetery's residents to express themselves. But Lacy is in for another shock when surprising and long-buried truths begin to emerge.

*26 Pebbles* Samuel French, Inc.

A beautiful commemorative edition of Dr. Martin Luther King's essay "Letter from Birmingham Jail," part of Dr. King's archives published exclusively by HarperCollins. With an afterword by Reginald Dwayne Betts On April 16, 1923, Dr. Martin Luther King Jr., responded to an open letter written and published by eight white clergyman admonishing the civil rights demonstrations happening in Birmingham, Alabama. Dr. King drafted his seminal response on scraps of paper smuggled into jail. King criticizes his detractors for caring more about order than justice, defends nonviolent protests, and argues for the moral responsibility to obey just laws while disobeying unjust ones. "Letter from Birmingham Jail" proclaims a message - confronting any injustice is an acceptable and righteous reason for civil disobedience. This beautifully designed edition presents Dr. King's speech in its entirety, paying tribute to this extraordinary leader and his immeasurable contribution, and inspiring a new generation of activists dedicated to carrying on the fight for justice and equality.

**The Things They Carried** Penguin

"An extremely entertaining array of American life in a bygone era." — New Yorker The last of Thornton Wilder's works published during his lifetime, Theophilus North is part autobiographical and part the imagined adventures of Wilder's twin brother who died at birth. This edition features an updated afterword from Wilder's nephew, Tappan Wilder, with illuminating material about the novelist, story and setting. Setting out to see the world in the summer of 1926, Theophilus North gets as far as Newport, Rhode Island, before his car breaks down. To support himself, Theophilus takes jobs in the elegant mansions along Ocean Drive, just as Wilder himself did in the same decade. Soon the young man finds himself playing the roles of tutor, tennis coach, spy, confidant, lover, friend and enemy as he becomes entangled in adventure and intrigue in Newport's fabulous addresses, as well as in its local boarding houses, restaurants, dives and military barracks. Narrated by the elderly North from a distance of fifty years, Theophilus North is a fascinating commentary on youth and education from the vantage point of age, and deftly displays Wilder's trademark wit juxtaposed with his lively and timeless ruminations on what really matters, at the end of the day, about life, love, and work.

*The Beaux-stratagem* Macmillan + ORM

An unforgettable collection of funny and heartbreaking poems by a remarkable new voice in American poetry

**A Rose for Emily** TidePool Press, LLC

A work of startling originality when it debuted in 1938, Thornton Wilder's *Our Town* evolved to be seen by some as a vintage slice of early 20th Century Americana, rather than being fully appreciated for its complex and eternal themes and its deceptively simple form. This unique and timely book shines a light on the play's continued impact in the 21st century and makes a case for the healing powers of Wilder's text to a world confronting multiple crises. Through extensive interviews with more than 100 artists about their own experience of the play and its impact on them professionally and personally - and including background on the play's early years and its pervasiveness in American culture - *Another Day's Begun* shows why this particular work remains so important, essential, and beloved. Every production of *Our Town* has a story to tell beyond Wilder's own. One year after the tragedy of 9/11, Paul Newman, in his final stage appearance, played the Stage Manager in *Our Town* on Broadway. Director David Cromer's 2008 Chicago interpretation would play in five more cities, ultimately becoming New York's longest-running *Our Town* ever. In 2013, incarcerated men at Sing Sing Correctional Facility brought *Grover's Corners* inside a maximum security prison. After the 2017 arena bombing in Manchester UK, the Royal Exchange Theatre chose *Our Town* as its offering to the stricken community. 80 years after it was written, more than 110 years after its actions take place, *Our Town* continues to assert itself as an essential play about how we must embrace and appreciate the value of life itself. *Another Day's Begun* explains how this American classic has the power to inspire, heal and endure in the modern day, onstage and beyond.

[Holy Bible \(NIV\)](#) Aegitas

The cult classic essay collection from “one of the most emotionally exacting, mercilessly candid, deeply funny . . . writers of our time” (Cheryl Strayed, *The New York Times Book Review*). First published in 2001, *My Misspent Youth* captured a generation’s uneasy coming of age as the world made its chaotic way into a new millennium. It also established Meghan Daum as a leading literary voice, widely celebrated for her fresh, provocative approach to the hidden fault lines of America’s cultural landscape. From her *New Yorker* essays about the financial demands of big-city ambition and the ethereal, strangely old-fashioned allure of cyber-relationships to her dazzlingly hilarious riff about musical passions that give way to middle-brow paraphernalia, Daum delves into the center of things while closely examining the detritus that spills out along the way. With precision and well-balanced irony, Daum implicates herself as readily as she does the targets that fascinate and horrify her.

**The Book of (More) Delights** Theatrefolk

"The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson about gift-giving, it has been popular for adaptation, especially for presentation at Christmas time.

*Failing Up* Lulu.com

This play is a study of life, love, and death in a New England town at the turn of the 20th century.

**The Feather Thief** HarperCollins

From bestselling author of *The Book of Delights* and award-winning poet, a book of lyrical mini-essays celebrating the everyday that will inspire

readers to rediscover the joys in the world around us. In Ross Gay’s new collection of small, daily wonders, again written over the course of a year, one of America’s most original voices continues his ongoing investigation of delight. For Gay, what delights us is what connects us, what gives us meaning, from the joy of hearing a nostalgic song blasting from a passing car to the pleasure of refusing the “nefarious” scannable QR code menus, from the tiny dog he fell hard for to his mother baking a dozen kinds of cookies for her grandchildren. As always, Gay revels in the natural world—sweet potatoes being harvested, a hummingbird carousing in the beebalm, a sunflower growing out of a wall around the cemetery, the shared bounty from a neighbor’s fig tree—and the trillion mysterious ways this glorious earth delights us. *The Book of (More) Delights* is a volume to savor and share.

From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**Open Mic Night at Westminster Cemetery** HarperCollins

Jerry. George. Elaine. Kramer. We've followed their misadventures for nearly ten years on Thursday nights. Here, finally, are the scripts of the first two seasons that will take you back to the beginning of Seinfeld. Featuring the first 17 episodes ever aired, *The Seinfeld Scripts* contains all the great lines that have kept us laughing for years: the pilot episode, "The Seinfeld Chronicles," where it all began; George introduces his importer/exporter altar ego Art Vanderlay in "The Stakeout"; Kramer becomes obsessed with cantaloupe in "The Ex-Girlfriend"; Jerry and George meet Elaine's dad in "The Jacket"; is Jerry responsible for a poor Polish woman's death when he makes "The Pony Remark"?; Jerry and Elaine decide to become intimate again in "The Deal"; what will George do when he is banned from the executive bathroom in "The Revenge"?; and Jerry, George, and Elaine wait for a table in "The Chinese Restaurant." It's all here: the award-winning writing of Seinfeld, "the defining sitcom of our age". Created by Larry David and Jerry Seinfeld. Elaine: My roommate has Lyme disease. Jerry: Lyme disease? I thought she had Epstein-Barr syndrome? Elaine: She has this in addition to Epstein-Barr. It's like Epstein-Barr with a twist of Lyme disease. George: She calls me up at my office she says, "We have to talk." Jerry: The four worst words in the English language. Kramer: What a body. Yeeaaaah...that's for me. Jerry: Yeah and you're just what she's looking for, too--a stranger, leering through a pair of binoculars ten floors up.

**Oh, the Places You'll Go!** Crown

Dr. Seuss’s wonderfully wise *Oh, the Places You'll Go!* celebrates all of our special milestones—from graduations to birthdays and beyond! “[A] book that has proved to be popular for graduates of all ages since it was first published.”—The New York Times From soaring to high heights and seeing great sights to being left in a Lurch on a prickly perch, Dr. Seuss addresses life’s ups and downs with his trademark humorous verse and whimsical illustrations. The inspiring and timeless message encourages readers to find the success that lies within, no matter what challenges they face. A perennial favorite for anyone starting a new phase in their life!

**It Devours!** Alazar Press

The short tale *A Rose for Emily* was first published on April 30, 1930, by American author William Faulkner. This narrative is set in Faulkner's fictional city of Jefferson, Mississippi, in his fictional county of Yoknapatawpha County. It was the first time Faulkner's short tale had been published in a national magazine. Emily Grierson, an eccentric spinster, is the subject of *A Rose for Emily*. The peculiar circumstances of Emily's existence are described by a nameless narrator, as are her strange interactions with her father and her lover, Yankee road worker Homer Barron.

THE STORY: On a cold, clear, moonless night in the middle of winter, all is not quite what it seems in the remote, mythical town of Almost, Maine. As the northern lights hover in the star-filled sky above, Almost's residents find themselves falling in and

*Everybody Loves Our Town* Methuen Drama

Hollywood isn't all about the A-list internationally famous actors and directors, highly paid writers, powerful producers. No, it's also about the failures, the inhabitants of the periphery, the bottom layers of the entertainment pyramid. That's the role Nicholas Kolya reluctantly played for the last decade. Follow his struggle at the margins of the entertainment industry, a nether region inhabited by washed-up game show hosts and once-perky child stars, professional monkey writers and drug-addicted talent agents. From the crummy sets of direct-to-video puppet movies to pitch meetings at

major studios, laugh at his failures as he reaches, and reaches, and reaches, for that elusive golden ring Hollywood success.

**The Best Christmas Pageant Ever** Feiwel & Friends

Leslie Odom Jr., burst on the scene in 2015, originating the role of Aaron Burr in the Broadway musical phenomenon Hamilton. Since then, he has performed for sold-out audiences, sung for the Obamas at the White House, and won a Tony Award for Best Leading Actor in a Musical. But before he landed the role of a lifetime in one of the biggest musicals of all time, Odom put in years of hard work as a singer and an actor. With personal stories from his life, Odom asks the questions that will help you unlock your true potential and achieve your goals even when they seem impossible. What work did you put in today that will help you improve tomorrow? How do you surround yourself with people who will care about your dreams as much as you do? How do you know when to play it safe and when to risk it all for something bigger and better? These stories will inspire you, motivate you, and empower you for the greatness that lies ahead, whether you're graduating from college, starting a new job, or just looking to live each day to the

fullest.
