The Eleventh Victim, from former prosecutor Nancy Grace, is a tense thriller depicting a battle of wits between a lawyer, a serial killer, and the NYPD As a young psychology student, Hailey Dean's world explodes when Will, her fiancé, is murdered just weeks before their wedding. Reeling, she fights back the only way she knows how: In court, prosecuting violent crime...putting away the bad guys one rapist, dooper, and killer at a time. But dedicating her life to justice takes a toll after years of trials and the endless tide of victims calling out from crime scene photos and autopsy tables. Just as she grows truly weary, a serial killer unlike any other she's encountered begins to stalk the city of Atlanta, targeting young prostitutes, each horrific murder bearing his own unique mark. This courtroom battle will be her last. Hailey heads for Manhattan to pick up the pieces of the life she had before Will's murder, training as a therapist. In a vibrant new world, she finally leaves her ghosts behind. But then her own clients are brutally murdered, one by one, by a copycat using the same M.O. as the Atlanta killer she hunted down years before. Hailey's own DNA is found at the crime scenes. As the body count rises across Manhattan, Hailey is forced to match wits not only with a killer, but with the famed NYPD. Unless she returns to her former life and solves the case, still more innocent people will die at the hands of a killer who plans to get her before she can get him!

Just a Minute: the Golden Collection Troubador Publishing Ltd

Save the Date meets Never Have I Ever in this sparkling debut rom-com about a high school senior whose life suddenly gets a Bollywood spin when her sister gets engaged. Shaadi preparations are in full swing, which means lehenga shopping, taste testing, dance rehearsals, and best of all, Arya's sister Alina is home. The Khannas are together again, finally, and Arya wants to enjoy it. So she stifles her lingering resentment towards Alina, plays mediator during her sister's fights with their mother, and welcomes her future brother-in-law with open arms. (Okay, maybe enjoy isn't exactly right.) Meanwhile at school, Arya's senior year dreams are unraveling. In between class and her part-time gig as a bookshop assistant, Arya struggles to navigate the aftermath of a bad breakup between her two best friends and a tense student council partnership with her rival, the frustratingly

attractive Dean Merriweather. Arya is determined to keep the peace at home and at school, but this shaadi season teaches Arya new realities: Alina won't always be in the bedroom down the hall, Mamma's sadness isn't mendable, friendships must evolve, and life doesn't always work out like her beloved Bollywood movies. But sometimes, the person you least expect will give you a glimpse of your dream sequence just when you need it most. Structured like a Bollywood film (entertaining intermission included!) Arya Khanna's Bollywood Moment will make you swoon, laugh, cry, think, nod your head in agreement, and quite possibly make you get up and dance.

When Kent Murdock, news cameraman who doubles as a private eye, steps into a case there's always plenty of fast talk and fast action. But even Kent didn't bargain for the singing slugs and flying fists that dogged his trail in the bedroom murder of New York's most beautiful radio writer -- who handed out keys to her apartment like a salesman hands out samples. It was only reasonable that Kent should be trailed by trouble -- for this time he was both detective and chief suspect! And that was reasonable, too, for he had shared the death-bed with the lovely corpse -- and there were pictures to prove it!

From the Grammy-nominated singer, drummer, and percussionist who is world renowned for her contributions throughout the music industry, a moving memoir about the healing power of music and spiritual growth inspired by five decades of life and love on the stage. She was born Sheila Escovedo in 1957, but the world knows her as Sheila E. She first picked up the drumsticks and started making music at the precocious age of three, taught by her legendary father, percussionist Pete Escovedo. As the goddaughter of Tito Puente, music was the heartbeat of her family, and despite Sheila's impoverished childhood in Oakland, California, her family stayed strong, inspired by the music they played nightly in their living room. When she was only five, Sheila delivered her first solo performance to a live audience. By nineteen, she had fallen in love with Carlos Santana. By twenty-one, she met Prince at one of her concerts. Sheila E. and Prince would eventually join forces and collaborate for more than two decades, creating hits that catapulted Sheila to her own pop superstardom. The Beat of My Own Drum is both a walk through four decades of Latin and pop music—from her tours with Marvin Gaye, Lionel Richie, Prince, and Ringo Starr to her own solo career. At the same time, it's also a heartbreaking, ultimately redemptive look at how the sanctity of music can save a person's life. Having repeatedly endured sexual abuse as a child, Sheila credits her parents, music, and God with giving her the will to carry on and to build a lasting legacy. Rich in musical detail, pop, and Latin music history, this is a fascinating walk through some of the biggest moments in music from the '70s and '80s. But as Sheila's personal story, this memoir is a unique glimpse into a world-famous drummer's singular life—a treat for both new and longtime fans of Sheila E. And above all, The Beat of My Own Drum is a testament to how the positive power of music has fueled Sheila's heart and soul—and how it can transform your life as well.

Nevil Shute was an English novelist and aeronautical engineer, who spent his later years living in Australia. His novels are written in a simple, highly readable style, with clearly delineated plots. An enduring theme of his novels is the dignity of work, spanning all classes. His famous novel 'On the Beach' (1957) reflects his pessimism for humanity in the atomic age, while 'A Town like Alice' (1950) tackles themes of emigration and racism, as the heroine seeks economic prosperity in a disadvantaged outback community. Several of Shute's novels explore the boundary between accepted science and rational belief, on the one hand, and mystical or paranormal possibilities, on the other. The author is noted for his unique talent of weaving his technical knowledge of engineering into the texture of his narratives. For the first time in publishing history, this eBook presents Shute's complete works, with numerous illustrations, rare texts, informative introductions and the usual Delphi bonus material. When Detective Chief Inspector Sheila Whiteman was called to investigate the mysterious death of the world renowned concert pianist Simon McCann at his penthouse apartment in Birmingham she was not convinced it was a case of suicide the scene portrayed. As the investigation progressed, she became more convinced there was a connection with the death of Simon McCann and some unpublished works by the Polish composer Frederic Chopin discovered by electricians when carrying out refurbishment works at a house in Paris some two years previously. Eventually teaming up with Catherine McKenzie, the BBC Arts and Entertainments editor Sheila discovers the final piece of the jigsaw at The Holy Cross church in Warsaw. Returning to England the words inscribed on the plinth underneath the Chopin memorial at Lazienki Park kept running through her mind. They somehow seemed to provide more understanding than she'd ever been able to uncover in all her investigations put together. Fire will bite through painted history Treasures will be stolen by armed thieves Only a song will remain

An urgent, wide-ranging account of racial trauma and its psychological impact. Racial trauma is an inescapable byproduct of persistent exposure to repressive circumstances that emotionally, psychologically, and physically devastates one's sense of self while simultaneously depleting one's strategies for coping. It is a life-altering and debilitating experience that affects countless numbers of people of color over multiple generations. Unfortunately, the failure to consider the interrelationship between racial oppression and trauma limits clinicians' ability to work effectively with many people of color who live amid sociocultural conditions that are injurious to their psyches and souls. Even when therapy is trauma-informed, it rarely devotes adequate attention to racial oppression and the pervasive trauma associated with it. This groundbreaking book provides a comprehensive overview of the anatomy of racial trauma and the debilitating hidden wounds associated with it. Racially sensitive trauma-informed interventions and strategies that centralize race and racial oppression in every facet of the therapeutic process and relationship are meticulously highlighted, making this a must-read resource for all practicing and aspiring clinicians.

And Now on Radio 4 offers an enthusiast's guide to the shows that have made Radio 4 what it is, and also explores some of the wonderful corners of the network's history that are long forgotten by all but a few. Who, for instance, now recalls Ronnie Barker's starring role on Radio 4 in a sophisticated cabaret-cum-sketch-show called Lines from My Grandfather's Forehead? What about Spike Milligan's intimate, soul-bearing account of his upbringing in colonial India, Plain Tales from the Raj? And who now remembers that Start the Week was once hosted by Russell Harty, a bit of programming compared by one insider to letting Graham Norton run Newsnight. In order to reflect the way devotees listen to Radio 4, the book is organised not on simple chronological lines but in the form of a typical day. Chapter by chapter, the day evolves, from Farming Today, through the daily feast that is Today, through the morning menu of conversation, Woman's Hour, documentary and comedy. Lunchtime brings The World at One. The early evening, of course, yields The Archers. And finally there's Book at Bedtime and Sailing By. An addictive mix of history, biography, anecdote and occasional useless fact, this is the perfect book for Radio 4 aficionados.
