So... the story of my life. I've often thought about this moment, about what it would be like to write my memoirs. I always thought it would make me feel important. It doesn't. If anything it makes me feel a little strange. The truth is, I should never have been this famous

guy. I wasn't the cool, clever, good-looking boy at school. But I always dreamt of it, hoped for it, longed for it: throughout school when I was disruptive, in my teens when I tried to form my own boy band and through hundreds of auditions for parts which were met with constant rejection. Until finally I co-wrote Gavin and Stacey. And my whole life changed. This is that story. The story of how I found myself here, talking to you.

Take Me Home Harper Collins

He was the "Man in Black," a country

music legend, and the quintessential American troubadour. He was an icon of rugged individualism who had been to hell and back, telling the tale as never before. In his unforgettable autobiography, Johnny Cash tells the truth about the highs and lows, the struggles and hard-won triumphs, and the people who shaped him. In his own words, Cash set the record straight -- and dispelled a few myths -- as he looked unsparingly at his remarkable life: from the joys of his boyhood in Dyess, Arkansas to superstardom in Nashville, Tennessee, the road of Cash's life has been anything but smooth. Cash writes of the thrill of playing with Elvis, the comfort of praying with Billy Graham; of his battles with addiction and of the devotion of his wife, June; of his

gratitude for life, and of his thoughts on what the afterlife may bring. Here, too, are the friends of a lifetime, including Willie Nelson, Roy Orbison, Bob Dylan, and Kris Kristofferson. As powerful and memorable as one of his classic songs, Cash is filled with the candor, wit, and wisdom of a man who truly "walked the line."

Books contain countless tales—but what if Book told its own story? From clay tablets to e-readers, here is a quirky, kid-friendly look at the book. Books are one of humankind's greatest forms of expression, and now Book, in a witty,

idiosyncratic voice, tells us the inside story. A wonderfully eccentric character with strong opinions and a poetic turn of phrase, Book tells of a journey from papyrus scrolls to medieval manuscripts to printed paper and beyond—pondering, along the way, many bookish things, including the evolution of the alphabet, the library (known to Egyptians as "the healing place of the soul"), and even book burning. With bold, black-and-white illustrations by Neil Packer, Book is a captivating work of nonfiction by one of England's leading poets.

Lady Diana Cooper was a star of the early twentieth stage, screen and social scene. This first instalment of her sparkling autobiography tells of her upbringing, her beautiful artistic mother and aristocratic father, her debut into high society and the glittering parties - 'dancing and extravagance and lashing of wine, and charades and moonlit balconies and kisses' - which were interrupted with the outbreak of the First World War. This volume ends with Diana's marriage to the 'love of her life', diplomat and politician Duff Cooper.

If Jesus had lived to my age (90 years) I think he might have written his autobiography. Unfortunately, however, he was killed by those he had come to save. Fortunately four of his disciples wrote up the story of his life, and gave us the four Gospels which are a marvelous account of his life and his teaching. We are tremendously indebted to Matthew, Mark, Luke and John who have given us an inspired account of all that Jesus did and taught. Recognizing the great value that a biography or

autobiography may have, I decided to write and publish my autobiography. From a thirty day retreat I made back in 1977 I learned that an autobiography may not only be a blessing to the readers of it, but also to the author. The healing I experienced through the 800 pages I wrote at that time and shared with my director convinced me that the writing of an autobiography can be a blessing to the author, perhaps more than to later readers. I am so convinced of the benefit the author of an autobiography may receive that I would encourage parents and teachers to teach children, perhaps, by the age of eight or ten to begin to write a diary or journal. Very helpful to me in writing my autobiography was the practice I began about 1949 (When I was 22 years old) of

keeping a journal or appointment book in which I kept a record of all the persons I met or places where I travelled, and things I saw, and reflections that seemed to be significant. In the course of writing my autobiography I became more aware of the many people who have had a significant role in my life and development. More important, I have discovered at a deeper level how important in my life has been the friendship I have developed with Jesus. I am convinced that Jesus has had a very important part in bringing into my life the many people who have touched and transformed my life. That is why I consider Jesus the first and greatest of all my friends. I heartily agree with St. Paul when he wrote to the Corinthians: "Brothers, you are among those called.

Consider your situation. Not many of you are wise, as men account wisdom, not many are influential, and surely not many are well born. God chose those whom the world considers absurd to shame the wise; he singled out the weak of this world to shame the strong. He chose the worlds's lowborn and despised, those who count for nothing, to reduce to nothing those who were something: so that mankind can do no boasting before God. God it is who has given you life in Christ Jesus. He has made him our wisdom and also our justice, our sanctification, and our redemption. This is just as you find it written, "Let him who would boast, boast in the Lord." (I Cor. 1:26 - 31)

A celebration of the machine and the men who took to the skies in defence of Britain. It is also the dramatic illustration of a little understood truth: the Spitfire did more than win the Battle of Britain - it won the war. It was not Stalingrad which turned the corner of the war against Hitler, it was the Spitfire in the summer of 1940 when RAF Fighter Command destroyed the myth of Nazi invincibility. Come Up and Get Me Routledge Literary Converts is a biographical exploration into the spiritual lives of some of the greatest writers in the English language: Oscar Wilde, Evelyn Waugh, C.S. Lewis, Malcolm Muggeridge, Graham Greene, Edith Sitwell, Siegfried Sassoon, Hilaire Belloc, G.K. Chesterton, Dorothy Sayers, T.S. Eliot and J.R.R. Tolkien. The role of George Bernard

Shaw and H.G. Wells in intensifying the religious debate despite not being converts themselves is also considered. Many will be intrigued to know more about what inspired their literary heroes; others will find the association of such names with Christian belief surprising or even controversial. Whatever viewpoint we may have, Literary Converts touches on some of the most important questions of the twentieth century, making it a fascinating read.
