**Endurance** Doubleday  
Climb aboard the  
doomed ship  
Endurance to join  
famed explorer Ernest  
Shackleton and his  
crew who must battle

the frigid Antarctic  
elements to survive  
being stranded at the  
edge of the world.  
There wasn't a thing  
Ernest Shackleton  
could do. He stood on  
the ice-bound Weddell  
Sea, watching the giant  
blocks of frozen  
saltwater squeeze his  
ship to death. The  
ship's name seemed

ironic now: the Endurance. But she had lasted nine months in this condition, stuck on the ice in the frigid Antarctic winter. So had Shackleton and his crew of 28 men, trying to become the first expedition ever to cross the entire continent. Now, in October 1915, as he watched his ship break into pieces, Shackleton gave up on that goal. He ordered his men to abandon ship. From here on, their new goal would be to focus on only one thing: survival. Filled with incredible photographs that survived the doomed voyage of the Endurance, *Lost in the Antarctic* retells one of the greatest adventure and exploration stories of all time. Shackleton Weidenfeld & Nicolson

Inspired by Penguin's innovative Great Ideas series, our new Great Journeys series presents the most incredible tours, voyages, treks, expeditions, and travels ever written—from Isabella Bird's exaltation in the dangers of grizzlies, rattlesnakes, and cowboys in the Rocky Mountains to Marco Polo's mystified reports of a giant bird that eats elephants during his voyage along the coasts of India. Each beautifully packaged volume offers a way to see the world anew, to rediscover great civilizations and legends, vast deserts and unspoiled mountain ranges, unusual flora and strange new creatures, and much more. *The South Polar Times*

Hachette UK

Lead your business to survival and success by following the example of legendary explorer Ernest Shackleton. Sir Ernest Shackleton has been called "the greatest leader that ever came on God's earth, bar none" for saving the lives of the twenty-seven men stranded with him in the Antarctic for almost two years. Because of his courageous actions, he remains to this day a model for great leadership and masterful crisis management. Now, through anecdotes, the diaries of the men in his crew, and Shackleton's own writing, Shackleton's leadership style and time-honored principles are translated for the

modern business world. Written by two veteran business observers and illustrated with ship photographer Frank Hurley's masterpieces and other rarely seen photos, this practical book helps today's leaders follow Shackleton's triumphant example.

"An important addition to any leader's library."

-Seattle Times

**The Heart of the Antarctic** Standard Ebooks

"By endurance we conquer."--Shackleton family motto Eighty years after Ernest Shackleton's death, his legend and the extraordinary story of the Endurance South Pole expedition still hold a grip on the public imagination. Trapped in drifting polar pack-ice for ten

months, Ernest Shackleton and his crew fought for survival against all the odds. When the *Endurance* was finally crushed, they were stranded on ice floes for more than a year before reaching Elephant Island. From there Shackleton; and five of his men embarked on the most remarkable rescue mission in maritime history, sailing in a small open boat to South Georgia Island across eight hundred miles of the world's roughest seas to bring help to the others. Though he failed to reach the South Pole, Shackleton's story lives on because of his unique qualities of leadership and the extraordinary fact that all of his men survived. This compelling

narrative probes the profound influence of Shackleton's Irish and Quaker roots in the making of a great leader. It offers a vivid portrait of a man at odds with the world and with himself, whose ambition was tempered by his flawed humanity and egalitarianism. Here too are the untold stories of Shackleton's upbringing in Kildare, his time in the Merchant Navy, his 1901 voyage on the *Discovery* with Robert Falcon Scott, his 1907 *Nimrod* expedition, his marriage and love affairs, his life as a public figure and politician, and the haunting story of his final, fatal expedition on the *Quest*. Drawing on family records, diaries, and letters-- and hitherto

unpublished photographs and archive material--this mesmerizing book takes us beyond the myth to Shackleton; the man, for whom "optimism is true moral courage," and whose greatest triumph was that of life over death. Shackleton: An Irishman in Antarctica is lavishly illustrated with more than a hundred photographs, maps, and engravings, some of them appearing in print for the first time. Shackleton: An Irishman in Antarctica, copublished by the Lilliput Press in Dublin and the University of Wisconsin Press, presents Shackleton family history with a particular focus on the explorer. Shackleton Turtleback Ernest Shackleton was

the quintessential Edwardian hero. A contemporary - and adversary - of Scott, he sailed on the 'Discovery' expedition of 1900, and went on to mount three expeditions of his own. Like Scott, he was a social adventurer; snow and ice held no particular attraction, but the pursuit of wealth, fame and power did. Yet Shackleton, and Anglo-Irishman who left school at 16, needed status to raise money for his own expeditions. At various times he was involved in journalism, politics, manufacturing and City fortune-hunting - none of them very effectively. A frustrated poet, he was never to be successful with money, but he did succeed in marrying it.

At his height he was feted as a national hero, knighted by Edward VII, and granted £20,000 by the government for achievements which were, and remain, the very stuff of legend. But the world to which he returned in 1917 after the sensational 'Endurance' expedition did not seem to welcome surviving heroes. Poverty-stricken by the end of the war, he had to pay off his debts through writing and endless lecturing. He finally obtained funds for another expedition, but dies of a heart attack, aged only 47, at it reached South Georgia.

*Mrs. Chippy's Last Expedition* Franklin Classics

A biography of Sir Ernest Shackleton, the daring, charismatic

Antarctic explorer who fell short of his goal of crossing Antarctica, but accomplished a far greater feat by bringing every member of his crew back alive.

### **The Antarctic Book**

Nicholas Brealey International

In August 1914, Sir Ernest Shackleton set out from England in an attempt to lead the first expedition across the Antarctic continent. What followed was one of the most extraordinary survival stories in history: a ship trapped and then wrecked by ice; an expedition marooned, first on the constantly shifting Antarctic pack, then on a remote, uninhabited island; a daring open boat journey across the world's most violent ocean; a trek over unmapped mountains;

and finally an amazing rescue. Jennifer Armstrong's *Shipwreck at the Bottom of the World* received widespread praise and won the Orbis Pictus Award. Now she tells the Endurance story for a younger audience, in an oversize format with color paintings re-creating the detail and drama of the expedition's ordeal.

Independent Publishing Platform

The story of the remarkable Tom Crean who ran away to sea aged 15 and played a memorable role in Antarctic exploration. He spent more time in the unexplored Antarctic than Scott or Shackleton, and outlived both. Among the last to see Scott alive, Crean was in the search party that found the frozen body. An unforgettable story of

triumph over unparalleled hardship and deprivation.

**Shackleton** Laurel Leaf

Provides an account of the voyage undertaken by polar explorer Ernest Shackleton and his crew aboard the *Endurance* in 1914-15, telling how the men survived after their ship became locked inside an island of ice and drifted for ten months before being crushed.

South Scholastic Inc. Photographs and text profile the experiences polar explorer Ernest Shackleton had as he tried to reach the South Pole in 1914.

*An Empire of Ice*  
Constable

On October 26, 1914, Ernest Shackleton's *Endurance* set sail from Buenos Aires in pursuit of the last unclaimed

prize in exploration: the crossing of the Antarctic continent. The crew stood on deck to watch the city fade away. All but one. Eighteen-year-old Perce Blackborow hid below in a locker. But the thrill of stowing away with the legendary explorer would soon turn to fear. Within months, the *Endurance*, trapped and crushed by ice, sank. And even Perce, the youngest member of the stranded crew, knew there was no hope of rescue. If the men were to survive in the most hostile place on earth, they would have to do it on their own. Victoria McKernan deftly weaves the hard-to-fathom facts of this famous voyage into an epic, edge-of-your-seat survival novel.

### **Shackleton's Journey Activity Book**

DigiCat  
As a boy he preferred reading sea stories to doing homework and, at age 16, became an apprentice seaman. Subsequently, Ernest Shackleton's incredible journeys to the South Pole in the early 1900s made him one of the most famous explorers of modern times. His courage in the face of dangerous conditions and unforeseeable tragedies reveal the great leader that he was. His historic 1914 journey aboard the *Endurance* has all the drama of an action movie.

### **The Heart of the Antarctic and South Twenty-First Century Books**

Shackleton's personal account of the doomed ship, *Endurance*. This record also credits the

support party aboard the *Aurora*, who managed to drop off supplies on the other side of the continent despite temperatures of -50 degrees and 80mph winds.

### *Who Was Ernest Shackleton?* Frances Lincoln Children's Books

*South!* tells one of the most thrilling tales of exploration and survival against the odds which has ever been written. It details the experiences of the Imperial Trans-Antarctic Expedition which set off in 1914 to make an attempt to cross the Antarctic continent. Under the direction of Sir Ernest Shackleton, the expedition comprised two components: one party sailing on the *Endurance* into the Weddell Sea, which

was to attempt the actual crossing; and another party on board the Aurora, under the direction of Aeneas Mackintosh, sailing into the Ross Sea on the other side of the continent and tasked with establishing depots of stores as far south as possible for the use of the party attempting the crossing. Shackleton gives a highly readable account of the fate of both parties of the Expedition. Both fell victim to the severe environmental conditions of the region, and it was never possible to attempt the crossing. The Endurance was trapped in pack-ice in the Weddell Sea and the ship was eventually crushed by the pressure of the ice, leaving Shackleton's

men stranded on ice floes, far from solid land. Shackleton's account of their extraordinary struggles to survive is as gripping as any novel. This book is part of the Standard Ebooks project, which produces free public domain ebooks. [Shackleton's Endurance](#) Penguin This is the classic account of Sir Ernest Shackleton's 1914-1916 Antarctic expedition. Written by the captain of the Endurance, the ship used by Shackleton on this ill-fated journey, it is a remarkable tale of courage and bravery in the face of extreme odds and a vivid portrait of one of the world's greatest explorers. "A breathtaking story of courage under the

most appalling conditions." - Edmund Hillary

**The Worst Journey in the World: Antarctic 1910-1913** Penguin

Group

1892, New Mexico. A wolfpack roams the Currumpaw River Valley, preying on the vast cattle and sheep herds of the area. Their leader, Lobo possesses such cunning that local ranchers are unable to trap the pack. Due to his knowledge of wolf behaviour, Ernest Thompson Seton, a naturalist, is employed by ranchers to ride them of Lobo's pack.

**Lost in the Antarctic: The Doomed Voyage of the Endurance (Lost #4)** Harper Collins

Adrift on the Antarctic pack ice with no means of escape and no hope of rescue, Ernest

Shackleton and his men are surely doomed. In August 1914, Ernest Shackleton and his men set sail for Antarctica, where they plan to cross the last uncharted continent on foot. In January 1915, his ship, the Endurance, becomes locked in pack ice. Later, it sinks without a trace. To survive, Shackleton and his crew of twenty-seven men must undertake a trial even more extreme than their planned crossing of the frozen continent. Their aim is to make it home against tremendous odds, with only lifeboats to cross the heavy seas of the South Atlantic - and the life-saving power of Shackleton's extraordinary leadership skills. 'An

incredible true story brought to life in a highly readable style.' - Michael Smith, author of Shackleton: By Endurance We Conquer Praise for AMUNDSEN'S WAY & INTO THE WHITE 'Joanna Grochowicz's narrative non-fiction brings to life characters and events without skimping on historical fact. While the extensive research underpinning the book is apparent, it is the narrative voice that carries us forward.' - New Zealand Review of Books 'Amundsen's Way is a thoroughly enjoyable and readable story about some very brave people coping with horrific challenges. It is ideal for making young readers aware of the pleasures of long-form non-fiction books.' -

Magpies 'For thrill-seeking middle school students who love nonfiction adventure stories...the adventures of Scott and his crew don't disappoint.' - School Library Journal The White Darkness Penguin The untold story of the last odyssey of the heroic age of Antarctic exploration Sir Ernest Shackleton's 1914 Antarctic endeavor is legend, but for sheer heroism and tragic nobility, nothing compares to the saga of the Ross Sea party. This crew of explorers landed on the opposite side of Antarctica from the Endurance with a mission to build supply depots for Shackleton's planned crossing of the continent. But their ship disappeared in a gale, leaving ten

inexperienced, ill-equipped men to trek 1,356 miles in the harshest environment on earth. Drawing on the men's own journals and photographs, *The Lost Men* is a masterpiece of historical adventure, a book destined to be a classic in the vein of *Into Thin Air*.

. . 'For anyone with a

passion for polar

exploration, this is a

must read' NEW YORK

TIMES 'THE definitive book on Shackleton and no one could have done it better . . . an authentic account by one of the few men who truly knows what it's like to challenge Antarctica' LORRAINE KELLY \_\_\_\_\_ In 1915, Sir Ernest Shackleton's attempt to be the first to traverse the Antarctic was cut short when his ship, *Endurance*, became trapped in ice. He and his crew should have died. Instead, through a long, dark winter, Shackleton fought back: enduring sub-zero temperatures, a perilous lifeboat journey across icy seas, and a murderous march over glaciers to seek help. Shackleton's epic trek is one of history's most enthralling adventures. But who was he? How

did previous Antarctic expeditions and his rivalry with Captain Scott forge him? And what happened afterwards to the man many believed was invincible? In this astonishing account, Fiennes brings the story vividly to life in a book that is part celebration, part vindication and all adventure. \_\_\_\_\_

'Fiennes makes a fine guide on voyage into Shackleton's world . . . What makes this book so engaging is the author's own storytelling skills' Irish Independent 'Fiennes relates these tales of exploration and survival, adding insight to Shackleton's journeys unlike any other biographer' Radio Times Praise for Sir Ranulph Fiennes: 'The World's Greatest Living

Explorer' Guinness Book of Records 'Full of awe-inspiring details of hardship, resolve and weather that defies belief, told by someone of unique authority. No one is more tailor-made to tell [this] story than Sir Ranulph Fiennes' Newsday 'Fiennes' own experiences certainly allow him to write vividly and with empathy of the hell that the men went through' Sunday Times 'Fiennes brings the promised perspective of one who has been there, illuminating Shackleton's actions by comparing them with his own. Beginners to the Heroic Age will enjoy this volume, as will serious polar adventurers seeking advice. For all readers, it's a tremendous story' Sara Wheeler, The Wall
