In *The 7 Habits of Happy Kids*, Sean Covey uses beautifully illustrated stories to bring his family's successful philosophy to the youngest child. For the Seven Oaks friends, there is always something to do. Whether they're singing along with Pokey Porcupine's harmonica or playing soccer with Jumper Rabbit, everyone is having fun and learning all sorts of things. These seven stories show how practicing the 7 Habits makes this possible for the whole Seven Oaks Community. From learning how to take charge of their own lives to discovering how balance is best, the Seven Oaks friends have tons of adventures and find out how each and every kid can be a happy kid!

Livres de France Simon and Schuster

An inspirational and practical guide to leadership from the New York Times–bestselling author of *The 7 Habits of Highly Effective People*. Covey, named one of Time magazine's 25 Most Influential Americans, is a renowned authority on leadership, whose insightful advice has helped millions. In his follow-up to *The 7 Habits of Highly Effective People*, he poses these fundamental questions: How do we as individuals and organizations survive and thrive amid tremendous change? Why are efforts to improve falling so short in real results? How do we unleash the creativity, talent, and energy within ourselves and others? Is it realistic to believe that balance among personal and professional life is possible? The key to dealing with the challenges that we face is to identify a principle-centered core within ourselves and our institutions. In *Principle-Centered Leadership*, Covey outlines a long-term, inside-out approach to developing people and organizations. Offering insights and guidelines on how to apply these principles both at work and at home, Covey posits that these steps will lead not only to an increase in productivity and quality of work, but also to a new appreciation of personal and professional relationships as we strive to enjoy a more balanced, rewarding, and ultimately more effective life. "There seems to be no limit to the number of writers offering answers to the great perplexities of life. Covey, however, is the North Star in this field . . . without hesitation, strongly recommended." —Library Journal

The 7 Habits of Happy Kids Oxford University Press

Et vous c'est quoi votre vocation ? Pas évident de répondre à cette question. Et pourtant, trouver sa mission de vie c'est s'assurer de vivre une vie épanouie et pleine de sens. Mais c'est aussi savoir où on va et le chemin à emprunter pour y parvenir. Découvrez une méthode éprouvée, structurée et dynamique qui vous fera vous poser les bonnes questions pour comprendre qui vous êtes, ce que vous faites sur cette terre et ce qui vous fait vibrer. Laissez-vous accompagner par un expert du développement personnel qui vous propose ici un véritable coaching avec des exercices concrets, des exemples, des mises en situation et des conseils pour prendre votre vie en main et passer à l'action ! La méthode à mettre entre toutes les mains pour permettre à chacun de trouver sa voie ! À PROPOS DE L'AUTEUR Stephen Covey est un auteur, homme d'affaires et conférencier américain reconnu internationalement. Il a vendu plus de 40 millions de livres dans le monde, parmi lesquels le best-seller *Les 7 habitudes de ceux qui réalisent tout ce qu'ils entreprennent*, traduit en 40 langues. Il a également été professeur à l'école de commerce Jon M. Huntsman de l'université d'État de l'Utah et conseiller du Président américain Bill Clinton.

Les 7 Habitudes Des Ados Bien Dans Leur Peau Scholastic Inc.

Une méthode pour des ados épanouis, autonomes, responsables, et des parents plus détendus ! L'adolescence est une période de transition et de bouleversements qui inquiète souvent les parents et tourmente ceux qui la traversent. À l'ère du numérique et des réseaux sociaux, le désir d'autonomie des jeunes transforme les relations et laisse parfois les parents désespérés. Comment garder le lien et un échange de qualité avec son adolescent ? Comment le motiver ? Comment l'accompagner sans l'assister ou le contrôler ? Comment développer des relations basées

sur un véritable respect mutuel, sortir des conflits du quotidien et les aider à devenir acteurs de leurs vies ? La Discipline Positive propose une démarche éducative qui allie fermeté et bienveillance. Ni punitive ni permissive, elle offre aux parents des outils concrets pour poser avec leurs ados une autorité juste fondée sur l'encouragement et le développement des compétences socio-émotionnelles

Les Secret des ados heureux Mango Media Inc.

Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons "should be read by every leader in America" (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, "What starts here changes the world," he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. "Powerful." --USA Today "Full of captivating personal anecdotes from inside the national security vault." --Washington Post "Superb, smart, and succinct." --Forbes *Livres hebdo* Les 7 Habitudes Des Ados Bien Dans Leur Peau Explains how to do practical and improbable things, such as how to roast an ox, handle a hamster, photography a fish, play the bagpipes, and vanquish a vampire.].

The positive paradigm shifts that The 7 Habits can produce help you: Break free of old beliefs Motivate toward meaningful change. Develop positive behaviors to bring clear communication If you're looking for motivational books, self-improvement books, or business books—or enjoyed How to Win Friends and Influence People, Atomic Habits, or High Performance Habits—then you'll love The 7 Habits on the Go.

LIVRES DU MOIS JUIL-AOUT 1999 7-8 Odile Jacob

Named a Best Book of the Year by The Times (UK) and the Los Angeles Public Library Winner of the 2018 Goncourt Prize, this poignant coming-of-age tale captures the distinct feeling of summer in a region left behind by global progress. August 1992. One afternoon during a heatwave in a desolate valley somewhere in eastern France, with its dormant blast furnaces and its lake, fourteen-year-old Anthony and his cousin decide to steal a canoe to explore the famous nude beach across the water. The trip ultimately takes Anthony to his first love and a summer that will determine everything that happens afterward. Nicolas Mathieu conjures up a valley, an era, and the political journey of a young generation that has to forge its own path in a dying world. Four summers and four defining moments, from "Smells Like Teen Spirit" to the 1998 World Cup, encapsulate the hectic lives of the inhabitants of a France far removed from the centers of globalization, torn between decency and rage.

Positive Discipline for Teenagers Cambridge University Press

A hands-on companion workbook to the New York Times bestseller *The 6 Most Important Decisions You'll Ever Make*, now updated to include new information about technology and how it affects teens today. In *The 6 Most Important Decisions You'll Ever Make*, Sean Covey gives teens the advice they need to make informed decisions that will lead to long-term success and happiness. He shares guidance on the big issues in their lives, such as how to succeed in school, make good friends, get along with parents, wisely handle dating and sex, avoid or overcome addictions, build self-esteem, and much more. In this valuable workbook, Covey allows readers to practice and learn how to actually make those decisions with enhancing stories, exercises, advice, and practical wisdom that can be applied to real life. It also encourages teenagers to talk to their parents, their friends, and

their role models about these important issues. This newly revised edition includes new material for the digital age and how social media and technology affects the 6 Decisions in today's world.

Mardaga

For fans of Eleanor & Park and Emergency Contact, Clementine Beauvais' *In Paris with You* is a sweeping romance about the love that got away that #1 New York Times bestselling author Nicola Yoon calls "pure delight." Eugene and Tatiana could have fallen in love, if things had gone differently. If they had tried to really know each other, if it had just been them, and not the others. But that was years ago and time has found them far apart, leading separate lives. Until they meet again in Paris. What really happened back then? And now? Could they ever be together again after everything?

One Yard Short Firefly Books

This is the story of a girl growing up in the 1990s – a middle-schooler who finds herself lost in the gulf between childhood and adolescence, developing paralyzing fears of failure, school, other people, and her own changing body. Along the way, she becomes obsessed with the Beatles... which might be just what she needs to find her way back to being okay. Yeah yeah yeah!

The List Simon and Schuster

Positive Parenting for Those Important Teen Years Adolescence is often a time of great stress and turmoil—not only for kids going through it, but for you, their parents as well. During the teen years, kids aggressively begin to explore a new sense of freedom, which often leads to feelings of resentment and powerlessness for parents who increasingly are excluded from their children's lives. This revised edition of *Positive Discipline for Teenagers* shows you how to break the destructive cycle of guilt and blame and work toward greater understanding and communication with your adolescents. Inside, you'll: ·Find out how to encourage your teen and yourself ·Grow to understand how your teen still needs you, but in different ways ·Learn how to get to know who your teen really is ·Discover how to develop sound judgment without being judgmental ·Learn how to use follow-through—the only surefire way to get chores done Over the years, millions of parents have come to trust the classic *Positive Discipline* series for its consistent, commonsense approach to child rearing. Inside, you'll discover proven, effective methods for working with your teens. Over 1 million *Positive Discipline* books sold! "I highly recommend this book to parents, teachers, and all others who work with young people. It is one of the best books I have seen on helping adults and adolescents turn their conflict into friendship. Remarkably, it shows how to accomplish this while helping young people develop courage, confidence, responsibility, cooperation, self-respect, and trust. I urge you to read it." —H. Stephen Glenn, Ph.D., coauthor of *Raising Self-Reliant Children in a Self-Indulgent World*.

Get Better Mardaga

(Publisher-supplied data) This book represents the first systematic discussion of the Gateway Hypothesis, a developmental hypothesis formulated to model how adolescents initiate and progress in the use of various drugs. In the United States, this progression proceeds from the use of tobacco or alcohol to the use of marijuana and other illicit drugs. This volume presents a critical overview of what is currently known about the Gateway Hypothesis. The authors of the chapters explore the hypothesis from various perspectives ranging from developmental social psychology to prevention and intervention science, animal models, neurobiology and analytical methodology. This volume is original and unique in its purview, covering a broad view of the Gateway Hypothesis. The juxtaposition of epidemiological, intervention, animal and neurobiological studies represents a new stage in the evolution of drug research, in which epidemiology and biology inform one another in the understanding of drug abuse.

Les Sept Habitudes des Étudiants qui Réussissent Penguin

The modern world is built on commodities - from the oil that fuels our cars to the metals that power our smartphones. We rarely stop to consider where they have come from. But we should. In *The World for Sale*, two leading journalists lift the lid on one of the least scrutinised corners of the world economy: the workings of the billionaire commodity traders who buy, hoard and sell the earth's resources. It is the story of how a handful of swashbuckling businessmen became indispensable cogs in global markets: enabling an enormous expansion in international trade, and connecting resource-rich countries - no matter how corrupt or war-torn - with the world's financial centres. And it is the story of how some traders acquired untold political power, right under the noses of western regulators and politicians - helping Saddam Hussein to sell his oil, fuelling the Libyan rebel army during the Arab Spring, and funnelling cash to Vladimir Putin's Kremlin in spite of western sanctions. The result is an eye-opening tour through the wildest frontiers of the global economy, as well as a revelatory guide to how capitalism really works.

Français Interactif InterEditions

Début d'un adulte dans la fin d'un enfant, l'adolescence constitue à coup sûr la plus délicate des périodes de transition - celle de tous les possibles et des choix cruciaux. Parce que les adolescents ne sont pas toujours bien préparés pour aborder les problèmes qu'ils rencontrent à cet âge et effectuer les choix qui affecteront toute la suite de leur existence, Sean Covey a conçu pour eux cet ouvrage basé sur les 7 Habitudes. Écrit dans un style divertissant, *Les 7 Habitudes des ados bien dans leur peau* est un guide progressif permettant à l'adolescent d'améliorer son estime de soi, de bâtir des amitiés, de résister à la pression exercée par l'entourage, d'atteindre ses objectifs, de trouver l'harmonie avec ses parents, et bien d'autres choses encore. Truffé de dessins humoristiques, d'idées astucieuses, de citations littéraires et d'authentiques histoires d'adolescents venus des quatre coins de la planète, il éveillera, comme nul autre livre, l'intérêt des ados.
