remarkable woman in post-apocalyptic Africa. Now optioned as a TV series for HBO, with executive producer George R.R. Martin!

Childhood Vulnerabilities in South Africa

IDRC
This unique volume focuses on the psychosexual and social effects of female genital mutilation, an ancient, deeply entrenched custom saturating the larger part of Africa. Over a period of six

years, Author Hanny Lightfoot-Klein trekked through outlying areas of Sudan, Kenya, and Egypt, where she lived with a number of African families. What she learned by way of in-depth personal interviews and firsthand observation has enabled her to add a previously unknown and often astonishing dimension to our knowledge of ritual practices and human sexuality. This

valuable book will be extremely helpful to professionals and scholars in women's studies, social psychology, psychotherapy, psychiatry, gynecology, sexology, as well as cross-cultural and African studies. It should also interest anyone who is concerned with male circumcision in the United States. *Female Circumcision and the Politics of Knowledge* A&C Black THE BANTU

ARE THE ANCIENT HEBREW ISRAELITES OF THE BIBLE The Kingdom of Watetu and Songaland Wilfrid Laurier Univ. Press A history of male and female circumcision originally published in 1900, the book is based on a long and personal observation of the changes made in man by circumcision. Dr. Remondino inquired into the moral, physical, and mental effects of

circumcision in the three major religions. He goes beyond just discussing circumcision, by including all the mutilations practiced on the genitals as a contribution to the natural history of man. Over 26 chapters include antiquity of circumcision, theories as to the origin of circumcision, the spread of circumcision, the history of castration and eunuchism reasons for being circumcised, medical

conditions and related surgery, and attempts to abolish circumcision.

A Surgical Temptation

Taylor & Francis
In this profoundly affecting memoir from the internationally renowned author of *The Caged Virgin*, Ayaan Hirsi Ali tells her astonishing life story, from her traditional Muslim childhood in Somalia, Saudi Arabia, and Kenya, to her intellectual awakening and activism

in the Netherlands, and her current life under armed guard in the West. One of today's most admired and controversial political figures, Ayaan Hirsi Ali burst into international headlines following an Islamist's murder of her colleague, Theo van Gogh, with whom she made the movie *Submission*. *Infidel* is the eagerly awaited story of the coming of age of this elegant,

distinguished - and sometimes reviled -- political superstar and champion of free speech. With a gimlet eye and measured, often ironic, voice, Hirsi Ali recounts the evolution of her beliefs, her ironclad will, and her extraordinary resolve to fight injustice done in the name of religion. Raised in a strict Muslim family and extended clan, Hirsi Ali survived civil war, female mutilation,

brutal beatings, adolescence as a devout believer during the rise of the Muslim Brotherhood, and life in four troubled, unstable countries largely ruled by despots. In her early twenties, she escaped from a forced marriage and sought asylum in the Netherlands, where she earned a college degree in political science, tried to help her tragically depressed sister adjust to the West,

and fought for the rights of Muslim immigrant women and the reform of Islam as a member of Parliament. Even though she is under constant threat -- demonized by reactionary Islamists and politicians, disowned by her father, and expelled from her family and clan -- she refuses to be silenced. Ultimately a celebration of triumph over adversity, Hirsi Ali's story tells how a bright little

girl evolved out of dutiful obedience to become an outspoken, pioneering freedom fighter. As Western governments struggle to balance democratic ideals with religious pressures, no story could be timelier or more significant.

Desert Flower Univ of California Press
A newly designed, affordable one-volume edition of this definitive work on the traditional

rituals of Africa, containing more than half the photos that were in the original edition plus new images that will focus fresh attention on specific ceremonies. The book is accompanied by a CD of African ceremonies. 473 photos.

From Boys to Men Austin Macauley
This handbook offers the most comprehensive, analytic, and multidisciplinary study of oral traditions and folklore in

Africa and the African Diaspora to date. Preeminent scholars Akintunde Akinyemi and Toyin Falola assemble a team of leading and rising stars across African Studies research to retrieve and renew the scholarship of oral traditions and folklore in Africa and the Diaspora just as critical concerns about their survival are pushed to the forefront of the field. With five sections on the central

themes within orality and folklore – including engagement ranging from popular culture to technology, methods to pedagogy – this handbook is an indispensable resource to scholars, students, and practitioners of oral traditions and folklore preservation alike. This definitive reference is the first to provide detailed, systematic discussion, and up-to-date analysis

of African oral traditions and folklore.
Excision Et la Socialisation Des Adolescentes en Guinée
 Harper Collins
 The metaphor of the Body Politic has been drawn upon by feminists to show the saturation of the body with political meaning. This book explores the points at which law and the female body make contact and with strategies through which the nature and meaning of that contact can be

reformulated.
Female Genital Mutilation
 Lynne Rienner Publishers
 "This book represents engaged scholarship at its very best. Cohen presents the vast range of texts at his command with brevity and wit. Elegantly written, this is a very stimulating book that is sure to provoke admiration, discussion, and controversy."
 —David Biale, author of *Cultures of the Jews* "A

distinguished and wide-ranging work of scholarship. Cohen's definitive discussion of the covenant of circumcision enhances our understanding of Jewish identity formation, women's status in Judaism, Jewish-Christian polemic, and the impact of diverse cultural environments on the evolution of Jewish tradition."—Judith R. Baskin, author of *Midrashic*

<p>Women <i>How to Write About Africa</i> HarperCollins UK Van Gennep was the first observer of human behaviour to note that the ritual ceremonies that accompany the landmarks of human life differ only in detail from one culture to another, and that they are in essence universal. Originally published in English in 1960. This edition reprints the paperback edition of</p>	<p>1977. <i>No Time Like the Present</i> Routledge An “outstandingly dramatic and moving” memoir of fleeing a brutal girlhood in Somalia—and becoming a supermodel and UN special ambassador (Kirkus Reviews). To escape an arranged marriage to a sixty-year-old man, Waris Dirie ran away from her oppressive life in the African desert when she was barely in her</p>	<p>teens, illiterate and impoverished, with nothing to her name but a tattered shawl. She traveled alone across the dangerous Somali desert to Mogadishu—the first leg of a remarkable journey that would take her to London, where she worked as a house servant; then to nearly every corner of the globe as an internationally renowned fashion model; and ultimately to New York City, where</p>

she became a human rights ambassador for the U.N. Poignant and powerfully told, *Desert Flower* is Waris's extraordinary story.

"Affecting and at times very entertaining . . . it is Dirie's remarkable lack of narcissism or entitlement that makes her so captivating a raconteur."

—Publishers Weekly
 "Written with innocence and warmth, this book shows how one woman's tragedy can

help others."
 —The New York Times Book Review
 "Waris's story is one of remarkable courage. From the deserts of Somalia to the world of high fashion, she battles against oppression and emerges a real champion. She is the most beautiful inspiration to anyone."

—Elton John
The Palgrave Handbook of African Oral Traditions and Folklore Juta and Company Ltd
 The Kingdom of Watetu and

Songaland is an autobiographical story about Mpeki, the princess of the Watetu tribe who realised early that FGM in her tribe was wrong and who sought out to bring about a change, a journey that caused her and her loved ones a lot of pain, because the Watetu tribe practised FGM while the neighbouring tribe, the Songa, appreciated sexuality. The differences that their cultures

represented brought about a clash after the prince of Songaland assisted Princess Mpeki to run off after she hindered the mutilation of her sister. This started a rift between both tribes that resulted in the abduction of the prince of Songaland, and the princess's sister, whose mutilation the princess had hindered, was bought back by the missionaries. The prince of Songaland ended in Portugal as a

slave, making his father furious - reason for a war that lasted for two decades. It was finally after the abolition of slavery worldwide that the prince of Songaland came back with Mpeki and the missionaries who had travelled with her to help her evade her own mutilation. Upon the arrival of the prince, his father ordered him to leave the princess, claiming that she was cursed. In

fact, the princess was not cursed as all had thought. It was through her sacrifices that the two tribes reunited, becoming one under the prince and princess's rule in the new kingdom of Watetu and Songaland, a kingdom of peace, justice and harmony. The story ends with a bombastic marriage between the two tribes, the result of the eradication of FGM. *Female "circumcision"*

 Mende Nazer
 lost her
 childhood at
 age twelve,
 when she was
 sold into
 slavery. It all
 began one
 horrific night
 in 1993, when
 Arab raiders
 swept through
 her Nuba
 village,
 murdering the
 adults and
 rounding up
 thirty-one
 children,
 including
 Mende. Mende
 was sold to a
 wealthy Arab
 family who
 lived in
 Sudan's
 capital city,
 Khartoum. So

began her
 dark years of
 enslavement.
 Her Arab
 owners called
 her "Yebit," or
 "black slave."
 She called
 them
 "master." She
 was subjected
 to appalling
 physical,
 sexual, and
 mental abuse.
 She slept in a
 shed and ate
 the family
 leftovers like a
 dog. She had
 no rights, no
 freedom, and
 no life of her
 own.
 Normally,
 Mende's story
 never would
 have come to
 light. But
 seven years
 after she was
 seized and

sold into
 slavery, she
 was sent to
 work for
 another
 master—a
 diplomat
 working in the
 United
 Kingdom. In
 London, she
 managed to
 make contact
 with other
 Sudanese,
 who took pity
 on her. In
 September
 2000, she
 made a
 dramatic
 break for
 freedom.
 Slave is a
 story almost
 beyond belief.
 It depicts the
 strength and
 dignity of the
 Nuba tribe. It
 recounts the
 savage way in

which the Nuba and their ancient culture are being destroyed by a secret modern-day trade in slaves. Most of all, it is a remarkable testimony to one young woman's unbreakable spirit and tremendous courage.

African Religions The Minerva Group, Inc. *Surgical Guide to Circumcision* is a compendium of the who, what, where, why, and most importantly,

the how of circumcision. Given that one third of the world's males have undergone this most ancient of surgical procedures, a contemporary resource on the subject is in order. Most circumcisions are elective with no acute medical necessity; that is, most are done for cultural reasons. Thus, in addition to being a standard surgical guide for those who perform circumcision, this book is an

anthology of circumcision, from its prehistoric roots to its present day admixture of religion, culture, and medicine. *Surgical Guide to Circumcision* is a fully illustrated, step-by-step guide to the most common techniques of circumcision and addresses aspects such as informed consent, religious and cultural sensitivities, pre-exam, post-care, pain control, and prevention

and management of potential complications. Written by experts in the field, Surgical Guide to Circumcision will appeal to family physicians, pediatricians, obstetricians, midwives, nurses, urologist, and anyone with a general interest in circumcision. The aim of this book is to provide an easy-to-read, practical guide for all those who practise health promotion in their everyday work. The book is designed to be used as a self-teaching aid and as a source of material and ideas for course tutors. Included in the book are exercises, case-studies, quizzes, questionnaires and cartoons to make learning stimulating,

relevant and enjoyable. [Preventing HIV through safe voluntary medical male circumcision for adolescent boys and men in generalized HIV epidemics](#) World Health Organization
This book connects traditional religions to the thriving religious activity in Africa today. **Who Fears Death** Springer Nature
In the eighteenth century, the Western world viewed circumcision as an

embarrassing disfigurement peculiar to Jews. A century later, British doctors urged parents to circumcise	their sons as a routine precaution against every imaginable sexual dysfunction,	from syphilis and phimosis to masturbation and bed- wetting. Thirty years later the procedu...
