Examining the nature of UFO "evidence",
the authors present a primer for
scholars, skeptics, and others uneasy
about investigating the field of UFOs.

The volume also brings together three
bestselling authors--David M. Jacobs,
Budd Hopkins, and Pulitzer Prize winner
John Mack--widely known for their
writings on the controversial "alien
abduction" phenomenon.

The Biggest Secret Simon and Schuster
Since the 1950s, U.S. military and
intelligence agencies have
systematically tortured and abused
children. Their goal: the creation of
mind-controlled slaves to be used for
child prostitution (blackmailing), child
pornography, drug trafficking and

assassinations. A natural protective mechanism makes this possible. If the agony becomes unbearable, the victim uncouples parts of his perception (dissociation). In the most extreme form this means: the child's personality splits. The new inner person can then be programmed as desired by the perpetrators. What sounds like a cruel horror story is frightening reality. The German lawyer Dr. Marcel Polte presents in this book the evidence for the CIA's inhuman program called Project MKULTRA. He not only evaluates released intelligence documents and investigation files, but also minutes of court hearings, Senate hearings and an advisory committee appointed by President Clinton, as well as the testimonies of survivors and their

therapists. This shows a disturbing connection: the victims often come from old satanic families, and their cults are not only internationally networked, they use the same highly complex mind control techniques as the CIA. In addition - largely unnoticed by the public - there are rituals, human sacrifices and cannibalism, in the USA and in Germany as well. The author now reveals for the first time what lies behind all this.

Violet Flame to Heal Body, Mind and Soul Berkley Publishing Group

You are surely now asking yourself why you are supposed to keep your hands off this book. Is it just a clever advertising strategy? Hardly so. As you know, two books of Jan van Helsing had been banned in Germany and Switzerland due to their highly controversial contents.

And the mainstream media too barely lets a day go by without warning the populace about the ideas of "Germany's most dangerous author of specialized books". Now Jan van Helsing is once again shaking up someone's world view - yours! The advice, "Don't touch this book!" absolutely was meant to be taken seriously. Because after reading this book, it won't be easy for you to continue living your life the way you have been. Today, you could possibly still think, "Nobody told me this, so how was I supposed to know?" Today, you could also still hold the opinion that you, as an individual, have no say anyway and cannot change anything. However, after reading this book, this point of view will be history! If you are someone who is not interested in secrets, who has

never felt the wish for internal and external wealth, who is unconcerned about success and health, then it will certainly be better if you follow the well-meant advice and keep your hands off this book. But if you have always felt that something isn't quite right with this world, if you are interested in the last secrets of this "enlightened" world, and if you are someone who wants to find out what else life might have in store, then this book is for you! But don't say you haven't been warned! Because Jan van Helsing will tell you about things and events that will give you a chance to have power over your own life and the power to let others partake in it. And those who have power also bear a huge responsibility. So now you have to make a choice: Do you want to continue being

lived by others or has the time come for you to take charge of your own destiny? The decision is yours!

This book introduces first hand witness and whistleblower testimonies revealing that the USA, Britain, Russia and other major national governments have been secretly conducting, or known about, diplomatic relations with different extraterrestrial civilizations since at least 1952. Galactic diplomacy (aka 'exodiplomacy') with extraterrestrial visitors began with discussions over the development of thermonuclear weapons, the first of which was detonated by the

Truman administration in November, 1952. Diplomatic discussions then expanded to include issues such as technology development, alien bases, extraterrestrials living on Earth, human rights, and use of earth resources. In frustration over lack of government transparency with their citizens, some extraterrestrials began contacting private citizens to inform them of the true nature of alien activities on Earth, and relations with governments. The reader will be introduced to the basic principles of international diplomacy and how these apply to different extraterrestrial civilizations visiting Earth. Those desiring to expose secret government activity in diplomatic relations with extraterrestrial life, will be given the necessary information to hold

responsible government, military and corporate officials accountable for past policies; and to ensure government transparency in the future. Alternatively, those desiring to become active in citizen diplomacy initiatives, will be given essential information for discerning the motivations and activities of visiting extraterrestrial civilizations. This is indispensable for practicing a citizen based form of galactic diplomacy. This book prepares readers for the grandest adventure of all - the journey to galactic citizenship!

Using UFOs and the work of "experiencer" Whitley Strieber as its departure point, *Prisoner of Infinity* explores how beliefs are created and perceptions are managed in the face of the inexplicably complex forces of our existence. While keeping the question of a nonhuman and/or paranormal element open, the book maps how all-too-human agendas (such as the CIA's MK Ultra program) have co-opted the ancient psychological process of myth-making, giving rise to dissociative Hollywood versions of reality. *Prisoner of Infinity* examines modernday accounts of UFOs,

alien abductions, and psychism to uncover a century-long program of psychological fragmentation, collective indoctrination, and covert cultural, social, and mythic engineering.

From the very first manned flight into orbit right up to the present day, there have been serious anomalies in the official narrative of the conquest of space. Bestselling author Gerhard Wisnewski dissects the history in minute detail from the first Russian missions to the final American moon project of Apollo 17 looking at films, photos, radio communications, personal statements, and other available material. Using forensic methods of investigation, he pieces together a complex jigsaw

depicting a disturbing picture of falsifications, lies, and fakery in the Cold War struggle for supremacy between the Soviet Union and the United States. The evidence he presents casts serious doubt on the possibility of humans ever having walked on the moon.

An insider's look into the decades of research behind Zecharia Sitchin's books as well as an in-depth overview of his theories and discoveries • Includes carefully selected chapters from the Earth Chronicles series as well as never-before-published letters, articles, and lectures • Each piece includes an introduction, offering context and insight into Sitchin's passionate work and revealing the man behind the theories • Explains the genesis of The 12th Planet,

the Anunnaki influences on the Sumerian civilization, the orbit of Nibiru, the prehistory of the Americas, the extraterrestrial origins of modern man, and much more What if the tales from the Old Testament and other ancient writings, such as those from Sumer, Babylon, Egypt, and Greece, were not myths or allegory but accounts of actual historical events? Known for his ability to read and interpret ancient Sumerian and Akkadian clay tablets, Zecharia Sitchin (1920-2010) took the words of our most ancient ancestors as fact and, through decades of meticulous research, showed that they revealed a coherent narrative about the true origins of humanity and civilization. Drawing both widespread interest and criticism, his Earth Chronicles series of books, beginning

with *The 12th Planet*, detailed how humanity arose after the arrival of the Anunnaki (“those who from Heaven to Earth came”), alien “gods” who created modern man in their own image and imparted gifts of civilizing knowledge. Providing an insider’s look into the decades of research behind Zecharia Sitchin’s complete works as well as an in-depth overview of his theories, this collection includes carefully selected chapters from the *Earth Chronicles* series as well as never-before-published letters, articles, and lectures. We learn about the genesis of *The 12th Planet* in “The Book as a Story,” the Sumerians and their Anunnaki influences in “The Sudden Civilization,” the orbit of Nibiru in “UFOs, Pyramids, and the 12th Planet,” the prehistory of the Americas

in “Cities Lost and Found,” the extraterrestrial origins of modern man in “The Cosmic Connection--DNA,” and much more. We get to read never-before-published lectures, culled from Sitchin’s decades of presentations, as well as the article that spurred the writing of *There Were Giants Upon the Earth*. Each piece includes an introduction by Sitchin’s niece, offering context and insight into Sitchin’s passionate work. These introductions reveal the man behind the theories, a world traveler known for his scholarship, dry humor, and precisely chosen words. If his theories are true, as Sitchin wholeheartedly believed, then this collection presents some of the most important knowledge we have of our origins and future.

A frequent guest of Hitler for long periods of time, Rauschnig resigned from his post as president of the Danzig senate in 1934 and severed his ties with the Nazi Party. He transcribed conversations with Hitler from 1932 to 1934 as he speaks clearly of destroying all that stands in the way of German supremacy.

Shares new documents to expose the sinister alien influence in world governments, financial systems, and scientific institutions throughout history

- Shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens authority

to abduct humans for "research" • Reveals how Reptilian-influenced ex-Nazis infiltrated the U.S. government • Explains how the Reptilians have created alien-human hybrids under their control to replace the human population Long ago, the Galactic Federation sent the Atlans, a fierce group of humans from the Pleiades, to Earth to confront the newest colony of the combative ever-spreading alien race known as the Reptilians. The ensuing battle sank the continent of Lemuria and drove the Reptilians underground beneath the Indian subcontinent as well as to Antarctica. Able to shapeshift to appear human, the Reptilians then infiltrated the Atlantean civilization, abducting humans and creating Reptilian hybrids. As Len Kasten shows, this technique of

infiltration and hybridization prior to an all-out attack has been the hallmark of Reptilian conquest throughout the galaxy. Chronicling the history of the Reptilian Empire's influence on Earth and their conquest of 21 star systems, Kasten reveals how the human race is enmeshed in a skillfully concealed plot to enslave humanity and exploit our planet's physical and biological resources. Revealing Hitler's pact with extraterrestrials and the Reptilian influence on the Nazi state, he shares new documents that disclose the rescue and rehabilitation of Nazi war criminals to assist in the Cold War, which then corrupted many U.S. government institutions. Focusing on crucial events in the decade after World War II, he examines the Reptilians' human allies,

the Illuminati, who control the levers of financial, technological, and military power throughout the world through various secret societies. He shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens permission to take humans up to their spaceships, ostensibly for genetic study--in return for alien technology--and how these abductions led to the creation of a hybrid race under Reptilian mind control. He also explains how Kennedy was assassinated by the CIA because of his plans to rout out this Nazi-Reptilian presence. Contrasting the Reptilians with the benevolent Ebens, the aliens from Zeta Reticuli who crashed at Roswell, Kasten exposes the stealthy tactics of the Reptilians, their relationship with the

Greys, and their advanced genetic biotechnology and teleportation abilities--as well as what we need to do to defeat their plans.

Where do we come from Hay House, Inc

In his 1998 book, *The Threat*, Jacobs uncovered disconcerting reports about aliens' plans for the future of Earth. He reported that a "change" is coming; a future when very human-like hybrids would intermingle with humans in everyday life. "Soon we will all be together," the aliens said. "Soon everyone will be happy and everyone will know his place." This book examines a chilling phenomenon that Jacobs began noticing in 2003. The alien integration action plan has kicked into high gear. The incidents of alien abductions have

declined as occurrences of alien involvement in everyday life have accelerated. A silent and insidious invasion has begun. Alien hybrids have moved into your neighborhood and into your workplace. They have been trained by human abductees to "pass," to blend in to society, to appear as normal as your next door neighbor. This book illustrates in detail the process of alien integration into society and the strategy and support structure that has been developed to make this happen seamlessly. While he is not certain why they are doing it, the final chapter of the book will provide some chilling possible answers as to why they are here and what they want to accomplish. Jacobs is a careful researcher who has investigated more than 1150 abduction

events experienced by more than 150 abductees. This book focuses on the experiences of thirteen abductees.

An exploration of the multidimensional interplay between body, mind, and spirit

- Identifies the frequencies that support life and the dissonant frequencies incompatible with life, such as the imbalances of EMFs
- Explains how to cultivate higher consciousness by

building a strong light body • Includes techniques and exercises for psychic cleansing, physical and emotional detox, chakra and aura strengthening, and oracular dreaming Civilization has reached a critical threshold in time unlike any other. Whether life continues to evolve or devolve depends upon our ability to reach higher states of consciousness en masse. This requires calling upon the transformative power of the soul--a power not handed to us, but earned. We are living proof that the physical and spiritual realms of existence work together in unity. Yet for many of us our natural soul light and inner spiritual intuition are suppressed due to the distractions of day-to-day living and the electromagnetic pollution of our screen-filled technological world.

In this exploration of the multidimensional interplay between the body, mind, and spirit, Carrie L'Esperance reveals how we can restore the flow of spiritual light in everyday living through the art of self-mastery. She explains how technology has severely reduced humanity's natural abilities and spiritual power. She shows how EMFs and wi-fi toast our energetic bodily systems and suppress our immune systems, blocking the ethereal frequencies of light and suppressing our creative intuition and higher powers. Detailing the spiritual bio-geometry of light and the holographic principle, she explores how the cells of our bodies receive light's deeper vibratory frequencies to support conscious evolution and soul development as well

as explaining near-death and out-of-body experiences. She identifies the dissonant energies that endanger mind/body health and reveals new advances in brain science that allow us to transcend the malign influences that hamper human evolution. She provides exercises and techniques for spiritual alignment and receptivity, including psychic cleansing, physical and emotional detox, chakra and aura strengthening, and oracular dreaming. Preparing us for the new cosmology and the greater community of worlds that is being revealed, L'Esperance shows that when we are properly connected with our soul's intelligence and cultivate the reception of higher frequencies of consciousness, then we are able to soul breathe, to absorb more pranic energy,

the electromagnetic force and cosmic radiation that is the sustaining element of all life and consciousness.

The Voice of Destruction Amadeus Verlag

David Icke marks his 20th year of uncovering astounding secrets and suppressed information with the publication of his most amazing book yet: *Human Race Get off Your Knees : The Lion Sleeps No More*. He takes the manipulation of the human race and the nature of reality to still new levels of understanding and he calls for humanity to rise from its knees and take back the world from the sinister network of families and non-human entities that covertly control us from cradle to grave. His most staggering revelation is that the Earth and the collective human mind

is manipulated from the Moon, which, he says, is not a 'heavenly body, but an artificial construct - a gigantic 'spacecraft' (probably a hollowed-out 'planetoid') - which is home to the extraterrestrial group that has been manipulating humanity for aeons. Humanity is at a fork in the road and it is time to make a choice. Are we going to awaken to our true genius and potential as Infinite Consciousness? Or are we going to remain entrapped in body/mind and the manufactured illusions of the Moon Matrix? It is time to shake off the shackles, stop being Pavlov's dogs and grab reality by the balls and wake up to who we are truly meant to be.

Human Race Get Off Your Knees Simon and Schuster

A compelling new portrait of the lost

realm of Lemuria, the original motherland of humanity • Contains the most extensive and up-to-date archaeological research on Lemuria • Reveals a lost, ancient technology in some respects more advanced than modern science • Provides evidence that the perennial philosophies have their origin in Lemurian culture Before the Indonesian tsunami or Hurricane Katrina's destruction of New Orleans, there was the destruction of Lemuria. Oral tradition in Polynesia recounts the story of a splendid kingdom that was carried to the bottom of the sea by a mighty "warrior wave"--a tsunami. This lost realm has been cited in numerous other indigenous traditions, spanning the globe from Australia to Asia to the coasts of both South and North America. It was

known as Lemuria or Mu, a vast realm of islands and archipelagoes that once sprawled across the Pacific Ocean. Relying on 10 years of research and extensive travel, Frank Joseph offers a compelling picture of this motherland of humanity, which he suggests was the original Garden of Eden. Using recent deep-sea archaeological finds, enigmatic glyphs and symbols, and ancient records shared by cultures divided by great distances that document the story of this sunken world, Joseph painstakingly re-creates a picture of this civilization in which people lived in rare harmony and possessed a sophisticated technology that allowed them to harness the weather, defy gravity, and conduct genetic investigations far beyond what is possible today. When disaster struck

Lemuria, the survivors made their way to other parts of the world, incorporating their scientific and mystical skills into the existing cultures of Asia, Polynesia, and the Americas. Totem poles of the Pacific Northwest, architecture in China, the colossal stone statues on Easter Island, and even the perennial philosophies all reveal their kinship to this now-vanished civilization.

The Perception Deception tradition
Zecharia Sitchin's secret allegorical novel that brings to life the key concepts of his bestselling book *The 12th Planet* • Reimagines the Epic of Gilgamesh in the context of Sitchin's discoveries • Details ancient Sumerian sex rituals, the Anunnaki lineage of the gods who lived in Sumer, Anunnaki spacecraft technology, the workings of the Oracle of

Anu, and Gilgamesh's relationship with the goddess Ishtar
Written in secret so as not to incite criticism about his controversial discoveries, this novel from the late Zecharia Sitchin brings to life the key themes of his bestseller *The 12th Planet*. The story begins in London as Astra arrives at the British Museum's opening for their new Gilgamesh exhibit. There she meets a handsome stranger who knows secrets about her that no stranger should know, including the source of the unusual scar on her hand. Taking her to his apartment, he reveals that she is descended from the goddess Ishtar and that he is the modern-day avatar of Gilgamesh seeking to claim the eternal life Ishtar denied him so long ago. Reenacting their sacred sex ritual from eons ago, they find themselves

transported to ancient Sumer as Gilgamesh and Ishtar, where he is at last able to continue his quest for immortality. But as Gilgamesh fulfills his sacred duties with Ishtar, something goes awry and the Oracle of Anu will not renew its blessing upon his kingship. Following the direction of his mother, the Anunnaki goddess Ninsun--the source of his partial divinity--Gilgamesh flees the city for the Anunnaki forbidden zone in search of a way to the planet Nibiru and eternal life. Travel alongside Gilgamesh and his immortal companion Enkidu as

they escape the fate pronounced by the oracle, discover a Tablet of Destiny meant for Ishtar, fight off Marduk's raiders, and foil the plot of the high priest, Gilgamesh's half-brother who is seeking Gilgamesh's crown for himself. Retelling the Epic of Gilgamesh in the context of his discoveries about the Anunnaki, Zecharia Sitchin weaves a tale of ancient ceremony, accidental betrayal, gods among men, interplanetary travel, and a quest for immortality spanning millennia.
