365-day devotional
based on the modern
classic Experiencing
God by Henry
Blackaby.
Job Binker North

Is there something
beyond your current
Christian experience
that seems to be
lacking? Is God calling
you to the next level of
His Glory? God will
reveal to you how to
activate the prophetic
destiny over your life
that seems dormant.
He is waiting for you to
realize that your
dream, prophecy,

desire, or miracle is not dead only sleeping! God is ready to awaken those promises as you open yourself to His abundant glory.

Daily Manna Steve Klein

Saint Augustine's Prayer Book is a book of prayer and practice—with disciplines, habits, and patterns for building a Christian spiritual life. It will help readers to develop strong habits of prayer, to thoughtfully prepare for and participate in public liturgy, and to nurture a mind and soul ready to work and give and pray for the spread of the kingdom. Saint Augustine's Prayer Book features Holy Habits of Prayer, devotions to accompany Holy Eucharist, Stations of the Cross, and Stations

of the Resurrection, and a wide range of litanies, collects, and prayers for all occasions. The newly revised edition (2012) includes the treasured liturgies and prayers of the original while offering some important updates in language and content. Revised and edited by well-regarded scholars David Cobb and Derek Olsen, Saint Augustine's Prayer Book is a wonderful gift as well as a handsome addition to a prayer book collection. Comes leather bound with two ribbons in a gift box. *Open the Windows of Heaven* Baker Books Issues of homosexuality are the subject of public and political controversy in many African societies today. Frequently, these controversies

receive widespread attention both locally and globally, such as with the Anti-Homosexuality Bill in Uganda. In the international media, these cases tend to be presented as revealing a deeply-rooted homophobia in Africa fuelled by religious and cultural traditions. But so far little energy is expended in understanding these controversies in all their complexity and the critical role religion plays in them. Complementing the companion volume, *Public Religion and the Politics of Homosexuality in Africa*, this book investigates Christian politics and discourses on homosexuality in sub-Saharan Africa. The contributors present case studies

from various African countries, from Nigeria to South Africa and from Cameroon to Uganda, focusing on Pentecostal, Catholic and mainline Protestant churches. They critically examine popular Christian theologies that perpetuate homophobia and discrimination, but they also discuss contestations of such discourses and emerging alternative Christian perspectives that contribute to the recognition of sexual diversity, social justice and human rights in contemporary Africa. Whats the fuss about Gobos - a Haven in the Wilderness? It is, in part, the story of a seven year old boy:

Gobo Kanyas recollection of his own Nigeria civil war experiences; an odyssey which he paints as a budding writer; he struggles through to tell a story stemming entirely from his richly poignant, insightful and very revealing and awesome introspective perspective.

Reminiscent of atypical and a bit of that common but lost childhood experiences, Gobo pens a story of a cherished nostalgia tinged with satire. The story he tells, again, is uncannily contemporary. But then its a blast, and its from the past.

The One Year Holy Land Moments

Devotional Abingdon Press

Stepping High is a 21-day personal prayer

and fasting programme designed to help participants seek the face of God for anything. The prayer points assigned for each day are heaven-provoking and testimony-bringing. It is also an opportunity to discipline and rid yourself of any bad habits. By the end of these 21 days, we expect your testimony. For this 21-day endeavor to be successful, you must have faith and determination. Therefore, prepare your heart and devote yourself to this spiritual retreat.

In this six week video study, Adam Hamilton explores the key points in his new book, Making Sense of the Bible. With the help of

this Leader Guide, groups learn from Hamilton as his video presentations lead groups through the book, focusing on the most important questions we ask about the Bible, its origins and meaning.

Suffering and Sovereignty Experience Guide

Tyndale House Publishers, Inc.

This Puritan classic contains the following chapters: Introduction I. What Sin Is II. The Sinfulness of Sin III. The Witnesses Against Sin IV. The Application and Usefulness of the Doctrine of Sin's Sinfulness Conclusion Open Heaven Zondervan How far are we from the Lake District? How far from the garden? Eric Linsker's first book scrolls down the

Anthropocene, tracking our passage through a technophilic pastoral where work and play are both forms of making others suffer in order to exist. In *La Far*, the world is faraway near, a hell conveniently elsewhere in which workers bundle Foxconn's "rare earths" into the "frosty kits" that return us our content, but also the sea meeting land as it always has. Both are singable conditions and lead, irreversibly, to odes equally comfortable with praise and lament. The poems in *La Far* hope that by making the abstract concrete and the concrete abstract, "literalizing / a nightingale beyond / knowledge," we might construct what Wordsworth called a "Common Day," a

communized life partaken of by all. *HEAVEN* B&H Publishing Group

Though the apparitions of Our Lady of Fatima took place almost a hundred years ago, Our Lady's call to prayer and penance for the salvation of souls and peace in the world is as relevant now as when first delivered to three Portuguese peasant children in 1917. At the peak of the First World War, our Lady warned of another worldwide conflict, the rise and spread of Communism, and a terrible persecution of the Church unless people repented of their sins and returned to God. She also requested devotion to her Immaculate Heart and a special consecration of Russia. Much of

what Our Lady of Fatima said was revealed soon after her appearances, but the third and final "secret", which was not a message but a prophetic vision seen by the children, was not unveiled by the Vatican until 2000. Pope John Paul II, who read the third secret while recovering from the attempt upon his life in 1981, believed the vision signified the sufferings the Church had endured in the twentieth century. Because of the prophetic nature of her messages, Our Lady of Fatima has been the subject of much controversy and speculation. In this book, Father Andrew Apostoli carefully analyzes the events that took place in Fatima and clears up

lingering questions and doubts about their meaning. He also challenges the reader to hear anew the call of Our Lady to prayer and sacrifice, for the world is ever in need of generous hearts willing to make reparation for those in danger of losing their way to God.

Experience an intimate connection to your heavenly Father with the Daily Wisdom for Women devotional collection. Featuring a powerful devotional reading and prayer for every day of 2014, this beautiful volume provides inspiration and encouragement for your soul. Enhance your spiritual journey with the refreshing readings—and come to know just how deeply and tenderly God loves you.

The Hungry Always Get Fed Mountain of Fire and Miracles Ministries Life can be hard, and sometimes it seems like God doesn't even care. When faced with difficult trials, many people have resonated with the book of Job—the story of a man who lost nearly everything, seemingly abandoned by God. In this thorough and accessible commentary, Christopher Ash helps us glean encouragement from God's Word by directing our attention to the final explanation and ultimate resolution of Job's story: the life, death, and resurrection of Jesus Christ. Intended to equip pastors to preach Job's important message, this commentary highlights God's grace

and wisdom in the midst of redemptive suffering. Taking a staggeringly honest look at our broken world and the trials that we often face, Ash helps us see God's sovereign purposes for adversity and the wonderful hope that Christians have in Christ. Part of the *Preaching the Word* series.

Ignatius Press
The One Year Alive Devotions for Students helps students focus on God's Word with powerful, true-to-life illustrations from daily life in both high school and college settings. In our media-saturated culture, in which students are

bombarded with all types of distractions, The One Year Alive Devotions for Students will change how they think about God and their world.

Before Amen

InterVarsity Press

A young boy emerges from life-saving surgery with remarkable stories of his visit to heaven. Heaven Is for Real is the true story of the four-year old son of a small town Nebraska pastor who during emergency surgery slips from consciousness and enters heaven. He survives and begins talking about being able to look down and see the doctor operating and his dad praying in the waiting room. The family didn't know what to believe but soon the evidence

was clear. Colton said he met his miscarried sister, whom no one had told him about, and his great grandfather who died 30 years before Colton was born, then shared impossible-to-know details about each. He describes the horse that only Jesus could ride, about how "reaaally big" God and his chair are, and how the Holy Spirit "shoots down power" from heaven to help us. Told by the father, but often in Colton's own words, the disarmingly simple message is heaven is a real place, Jesus really loves children, and be ready, there is a coming last battle.
