This book presents the first feminist translation of Rosalía de Castro's seminal poetic anthology

En las orillas del Sar [On the Edge of the River Sar] (1884). Rosalía de Castro (1837-1885) was an artist of vast poetic vision. Her understanding of human nature and her deep sensitivity to the injustices suffered by women and by such marginalized peoples as

those of her native region, Galicia, are manifest in verses of universal yet rarely translated significance. An outspoken proponent of both women's rights and her region's cultural and political autonomy, Castro used her poetry as a vehicle through which to

decry the crushing hardships both groups endured as Spain vaulted between progressive liberal and conservative reactionary political forces throughout the nineteenth century. Depending upon what faction held sway in the nation at any given time during Castro's truncated literary career, her works were either revered as revolutionary or reviled as heretical for the views they espoused. Long after her death by uterine cancer in 1885, Castro was excluded from the pantheon of Spanish

literature by Restoration society for her unorthodox views. Compellingly, the poet's conceptualization of the individual and the national self as informed by gender, ethnicity, class, and language echoes contemporary scholars of cultural studies who seek to broaden present-day definitions of national identity through the incorporation of precisely these same phenomena. Thanks to the most recent works in Rosalian and Galician studies, we are now able to recuperate

and reevaluate Rosalía de Castro's poems in their original languages for the more radical symbolism and themes they foreground related to gender, sexuality, race and class as they inform individual and national identities. However, although Castro's poetic corpus is widely accessible in its original languages, these important features of her verses have yet to be given voice in the small number of English translations of only a subset of her works that have

been produced in the last century. As a result, our understanding of Castro's potential contributions to contemporary world poetics, gender studies, Galician and more broadly cultural studies is woefully incomplete. An English translation of Castro's works that is specifically feminist in its methodological orientation offers a unique and thought-provoking means by which to fill this void.

La capacidad de Hayden para detectar los sentimientos de sus compañeros licántropos le ha hecho la vida insoportable. Decide huir de los Guardianes Ocultos, pero tras unos días el encantador y misterioso Daniel, un recién llegado a la manada y el único cambiaformas inmune a su poder, la encuentra. Mientras regresa con él a casa a regañadientes,

Hayden se da cuenta de que Daniel despierta fuertes sentimientos en ella... Sin embargo, un sexto sentido la avisa de que él no es quien dice ser. ¿De dónde viene?, ¿por qué nadie lo ha visto transformarse? Cuando se topan con el cadáver de un cambiaformas, se inquieta aún más. Alguien está matando a los de su especie. ¿Su atractivo guardián es realmente un cazador... y ella es su presa?

In 1926, as a young man of 28 with a growing reputation as an oral poet, Federico Garcia Lorca (1898-1936) toyed with the idea of proving his worth in writing by bringing out a boxed set of three volumes of his verse. Because the *Suites*, *Canciones*, and the *Poema del cante jondo* eventually came out singly (in the case of the *Suites*, posthumously), readers have not always realised that they formed a single body of work -- one which, Lorca himself was surprised to note, has

'una rarísima unidad', an odd unity of aims and accomplishment. This is poetry which takes up the question of desire in progressively depersonalizing ways, and shows modernism coming into being. Through renunciation, by cutting away the personal and the taboo, Lorca created a poetry that, like no other in Europe, stood between the avant-garde and oral traditions, making their contradictions his truth. Roberta Ann Quance is Senior Lecturer in Spanish at Queen's University,

Belfast.

The Night and Its Moon Rowman & Littlefield Poetic Encounters in the Americas: Remarkable Bridge examines the ways in which U.S. and Latin American modernist canons have been in cross-cultural, mutually enabling conversation, especially through the act of literary translation. Examining eighteen U.S. and Latin American poets, my book is one of the few works of criticism to present case studies in U.S. and Latin American poetries in dialogues that

highlight the social life and imaginative encounters obtained through methodologies of translation and innovations in poetic technique.

"Jose Emilio Pacheco (1939-) is Mexico's foremost living poet, and a major figure in contemporary Latin American poetry. Jose Emilio Pacheco and the Poets of the Shadows examines the dynamic of literary influence and the

question of literary origins in Pacheco's first six books of poetry (1960s to mid-1980s). Ronald J. Friis appropriates Bloom's theory of poetic influence to investigate how Pacheco deploys literary allusions and intertextual references as a means of decentering the traditional centrality of the figure of the author. The poets of the shadows to which the title refers include Pacheco's precursors from prior generations of Mexican and Latin American literature, particularly

Jorge Luis Borges, Alfonso Reyes, and Octavio Paz."--

Begun in 1939, barely four months after the close of the Spanish Civil War, these poems by the Nobel Laureate poet Vicente Aleixandre were written during a period of hardship and despair. In spite of his surroundings Aleixandre created the

splendor of the shadow of a lost paradise that consisted of memory, nostalgia, yearning and illusion. This is the first full English version. The original Spanish text is included.

"Randel's gorgeous debut novel seductively pulls back the curtain to reveal the heartbreaking world of...China."—Stephanie Dray, NYT bestselling Author of America's First Daughter A thrilling work of historical fiction, bringing romance, intrigue, and the unexpected rise of an Empress to intoxicating life under the inscrutable moon. In Tang Dynasty China, a concubine at the palace learns quickly that there are many ways to capture the Emperor's attention. Many hope to

lure in the One Above All with their beauty. Some present him with fantastic gifts, such as jade pendants and scrolls of calligraphy, while others rely on their knowledge of seduction to draw his interest. Young Mei knows nothing of these womanly arts, yet she will give the Emperor a gift he can never forget. Mei's intelligence and curiosity, the same traits that make her an outcast among the other concubines, impress the Emperor. But just as she is in a position to seduce the most powerful

man in China, divided loyalties split the palace in two, culminating in a perilous battle that Mei can only hope to survive. In the breakthrough first volume in the Empress of Bright Moon duology, Weina Dai Randel paints a vibrant portrait of the Emperor's Palace—where love, ambition, and loyalty can spell life or death—and the woman who came to rule all of ancient China. Now in its third edition, Latin American Classical Composers: A Biographical Dictionary provides a singular English-language resource for biographical information on hundreds of composers from Central and South America and the Hispanic Caribbean. Painstakingly gathered from a wide variety of sources, the information

updates and expands previous editions and fills in the gaps left by the other major English-language music dictionaries and encyclopedias. Entries provide biographical data comprising full names, birth and death dates and locations, background, education, and training, as well as selective works lists more than 2,300 composers. An index of composers by country and women composers of Latin America complement the volume. An essential part of any

music library, Latin American Classical Composers is an invaluable reference for librarians, musicologists, ethnomusicologists, researchers, and music students.

Lorca in Tune with Falla Sourcebooks, Inc.

"It was mid-December 1610 in Mexico City. The Church was in its preparatory season of Advent, leading up to the celebration of Christ's birth at Christmas. The nuns of the Encarnacion convent had just celebrated the feast of

the Immaculate Conception of the Virgin Mary, on 8 December. But now, in this time usually filled with joy, some of the nuns were nervous. Their choirbooks were missing. Without them, the nuns would not be able to celebrate the anniversary of Christ's birth adequately. A musician priest of the metropolitan cathedral, located just three blocks from the convent, had caused the nuns' alarm: Antonio Rodríguez Mata (d. 1643) had all five of the missing books. He had borrowed

them from Sister Flor de Santa Clara, the convent "vicaria de coro" (choir vicar) but had failed to return them despite the convent's repeated requests. The diocesan vicar general and the attorney general were summoned. The nuns of the Encarnación demanded that Mata be imprisoned if he failed to return the books immediately following the denunciation. The threat of jail time was serious, but so too was the alleged offense: Mata was impeding the nuns from

performing their liturgical music for Christmas"--

 The book that took Europe by storm . . . winner of the highest fantasy literature award in Portugal! 2023 winner, Adamastor Prize for Foreign Fantasy Literature at the Fórum Fantástico in Lisbon, Portugal. Twelve teenagers from around the world fall under the spell of a demigod and journey to a mystical realm of devastation and cruelty where they must survive until the Red Moon returns. Despite the

perils, these kids do not intend to surrender--they have magic on their side, and the time has come to take initiative! But an evil older than the kingdom itself awakens among the ruins, and the Red Moon approaches... Welcome to Rocavarancolia Welcome to the Kingdom of wonder and fright, of monsters and nightmares. Welcome to the Kingdom at death's door. After a long, hard-fought war, Rocavarancolia languishes, a city in ruins. There are no more dragons in the skies;

vampires are dying of thirst; and magic is no longer strong enough to hold the Kingdom together. There is a sliver of hope, however. This year, same as every year, Rocavarancolia's demiurge plans his Harvest. He travels to Earth, where he masterfully cons a group of teenagers to return with him to his world, where they are then left to fend for themselves. They are told they must survive the many dangers of Rocavarancolia until the Red Moon appears in

the sky. And that, for the last thirty years, no one has ever made it that far. Why was this group chosen? What makes them special? Why are they so important? And should they survive, what will happen once the Red Moon arrives? Hector, Alex, Marina, Bruno and the others search for answers while fighting for their lives in the crumbling city. Soon they will realize they are so much more than they seem: Natalia sees hidden creatures in the shadows; Marina glimpses into the

future; Bruno wields magic with astounding talent... The old inhabitants of the city watch anxiously from a distance. This Harvest is Rocavarancolia's only chance. But one by one they fall. Death awaits in every shadow and Rocavarancolia has no mercy, no place for the weak. The city is made of darkness and, slowly but surely, its nature infects the survivors. Rocavarancolia poisons them, transforms them and tears away all remnants of humanity.

A Companion to Juan Rulfo Sourcebooks, Inc. This volume features approximately 600 entries that represent the major writers, literary schools, and cultural movements in the history of Mexican literature. A collaborative effort by American, Mexican, and Hispanic scholars, the text contains bibliographical, biographical, and critical material--placing each work cited within its cultural and historical framework. Intended to enrich the English-speaking public's

appreciation of the rich diversity of Mexican literature, works are selected on the basis of their contribution toward an understanding of this unique artistry. The dictionary contains entries keyed by author and works, the length of each entry determined by the relative significance of the writer or movement being discussed. Each biographical entry identifies the author's literary contribution by including facts about his or her life and works, a chronological list of works,

a supplementary bibliography, and, when appropriate, critical notes. Authors are listed alphabetically and cross-referenced both within the text and the index to facilitate easy access to information. Selected bibliographical entries are also listed alphabetically by author and include both the original title and English translation, publisher, date and place of publication, and number of pages.

Peruvian Poems-And Other Poems NYU Press
 This book, the first of its kind to be published in English, introduces the reader to the rich heritage of Spanish song. Here in one volume are the texts of over 300 songs with parallel translations in accurate and readable English. The majority are love poems, which form a fascinating anthology of Spanish poetry from the thirteenth to the

twentieth century. The introduction by Graham Johnson, who in recent years has done more than anyone to kindle interest in the international song repertoire, traces the history of Spanish song from its beginnings, via the period of the Catholic kings in the fifteenth century, the Golden Age of the sixteenth, through to the remarkable rebirth in the twentieth century. All the songs and cycles frequently heard in recital are gathered here: Albeniz, Falla, Granados, Rodrigo and Obradors are

generously represented, as well as Catalan composers such as Montsalvatge and Mompou. The volume is arranged chronologically by composer, and includes notes on all the major poets and composers, a discography, and names and addresses of the music publishers. The Spanish Song Companion is a much-needed volume and will be welcomed by singers, students of Spanish literature, concert-goers and record-collectors throughout the

English-speaking world. *Collected Poems* Panini España SA Peruvian Poems, stream of consciousness, styles, are very easy to understand.
