NEW YORK TIMES BESTSELLER • “Joyce’s beguiling debut is [a] modest-seeming story of ‘ordinary’ English lives that enthralls and moves you as it unfolds.”—People (four stars) IN DEVELOPMENT AS A MAJOR MOTION PICTURE • LONGLISTED FOR THE MAN BOOKER PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST Meet Harold Fry, recently retired. He lives in a small English village with his wife, Maureen, who seems irritated by almost everything he does. Little differentiates one day from the next. Then one morning a letter arrives, addressed to Harold in a shaky scrawl, from a woman he hasn’t heard from in twenty years. Queenie Hennessy is in hospice and is writing to say goodbye. But before Harold mails off a quick reply, a chance encounter convinces him that he absolutely must deliver his message to Queenie in person. In his yachting shoes and light coat, Harold Fry embarks on an urgent quest. Determined to walk six hundred miles to the hospice, Harold believes that as long as he walks, Queenie will live. A novel of charm, humor, and profound insight into the thoughts and feelings we all bury deep within our hearts, *The Unlikely Pilgrimage of Harold Fry* introduces Rachel Joyce as a wise—and utterly irresistible—storyteller.

One of Woolf's most experimental novels, *The Waves* presents six characters in monologue - from morning until night, from childhood into old age - against a background of the sea. The result is a glorious chorus of voices that exists not to remark on the passing of events but to celebrate the connection between its various individual parts.

An inspiring story that shows we all have a lion inside of us! "That day they BOTH learned that, no matter your size, we all have a mouse AND a lion inside." A mouse feels small and insecure and determines that what he needs to do is learn how to roar like a lion. He knows he has to act brave when he approaches a lion to learn how. In a hilarious turn of events, the lion is afraid of mice! The mouse comforts the lion, they become friends, and we learn that there's a lion and a mouse inside all of us. The inspiring text by Rachel Bright and the fun, bold illustrations by Jim Field teach young readers an important lesson. Welcome to Noisy Village! Well, it's not

really quite what it sounds. Lisa, who tells the story, lives on Middle Farm with her parents and two brothers, Karl and Bill. Britta and Anna live at North Farm and Olaf and Kerstin live at South Farm. It is because the houses are right next door to each other in a clump as they liked to do these things in rural Sweden years ago, and because the because the children make so much racket that the farmhouses came to be so honestly and happily named. A large linden tree grows between Middle and South Farms and so the boys in the two houses visit each other by climbing through the branches—even the girls do it sometimes, like the night they all waited for Olaf to go to sleep so that they could pull out his loose tooth without his knowing it! That is only one of the many escapades designed to make readers young and old wish they could step right into the pages of this little book. Join the fun in this companion volume to *The Children of Noisy Village* (published by Viking Penguin). Illustrated with delightful line drawings by Ilon Wikland; translated by Florence Lamborn.
