BRYNN SANTOS

Heist Society Scholastic
Inc.

From New York Times
bestselling, National Book
Award winning author
Robin Benway comes the
first book in a hilarious
and romantic duology
about a normal girl . . .

who just so happens to be
a spy. Being a 16-year-old
safecracker and active-
duty daughter of
international spies has its
moments, good and bad.

Pros: Seeing the world
one crime-solving
adventure at a time.

Having parents with super
cool jobs. Cons: Never
staying in one place long
enough to have friends or
a boyfriend. But for
Maggie Silver, the biggest
perk of all has been

avoiding high school and
the accompanying
cliques, bad lunches, and
frustratingly simple locker
combinations. Then

Maggie and her parents
are sent to New York for
her first solo assignment,
and all of that changes.
She'll need to attend a
private school, avoid the
temptation to hack the
school's security system,
and befriend one
aggravatingly cute Jesse

Oliver to gain the
essential information she
needs to crack the case . .
. all while trying not to
blow her cover.

The Grendel Affair

Scholastic Inc.

Setelah berhasil
memimpin krunya
melakukan pencurian
lukisan di museum
terhebat dunia, Katarina
Bishop—yang sebenarnya
masih remaja—jadi
terkenal di kalangan
pencuri. Karena itulah, ia
nggak terlalu kaget waktu
seseorang memintanya
mencuri Zamrud

Cleopatra supaya batu
berharga itu bisa
dikembalikan pada
pemilik sesungguhnya.
Masalahnya, sudah tiga
puluh tahun batu itu
disembunyikan dan tak
pernah diperlihatkan
kepada publik. Belum lagi
soal menentukan strategi
terbaik untuk pencurian
ini. Tapi masalah terbesar
yang membuat kru Kat
paling gugup adalah...
zamrud itu dikutuk!

Kabarnya,
Cleopatra—pemilik
pertama zamrud
itu—bahkan bunuh diri
setelah memotong batu
itu, dan sampai sekarang
belum ada yang berhasil
mematahkan kutukan
tersebut! Kali ini, mungkin
Kat nggak bisa
mengandalkan trik-trik
lama dalam sejarah

panjang dunia pencurian.
Ia harus mengerahkan
seluruh bakatnya, dengan
bantuan Hale si cowok
miliuner dan seluruh
krunya yang lain.

SYLO Franklin Watts

The ultimate action-fueled
end-of-the-world
conspiracy trilogy from #1
New York Times
bestselling author D.J.
MacHale **THEY CAME
FROM THE SKY**
parachuting out of
military helicopters to
invade Tucker Pierce's
idyllic hometown on
Pemberwick Island, Maine.

They call themselves
SYLO and they are a
secret branch of the U.S.
Navy. **SYLO's** commander,
Captain Granger, informs
Pemberwick residents
that the island has been
hit by a lethal virus and
must be quarantined. Now
Pemberwick is cut off
from the outside world.
Tucker believes there's
more to **SYLO's** story. He
was on the sidelines when
the high school running
back dropped dead with
no warning. He saw the
bizarre midnight explosion
over the ocean, and the
mysterious singing
aircraft that travel like
shadows through the
night sky. He tasted the
Ruby—and experienced
the powers it gave
him—for himself. What all
this means, **SYLO** isn't

saying. Only Tucker holds the clues that can solve this deadly mystery. LOOK TO THE SKY because Pemberwick is only the first stop.

The Art of the Heist

Scholastic Inc.

As heard on NPR's This American Life "Absorbing . . . Though it's non-fiction, *The Feather Thief* contains many of the elements of a classic thriller." —Maureen Corrigan, NPR's Fresh Air "One of the most peculiar and memorable true-crime books ever."

—Christian Science Monitor A rollicking true-crime adventure and a captivating journey into an underground world of fanatical fly-tiers and plume peddlers, for readers of *The Stranger in the Woods*, *The Lost City of Z*, and *The Orchid Thief*. On a cool June evening in 2009, after performing a concert at London's Royal Academy of Music, twenty-year-old American flautist Edwin Rist boarded a train for a suburban outpost of the British Museum of Natural History. Home to one of the largest ornithological collections in the world, the Tring museum was full of rare bird specimens whose gorgeous feathers were worth staggering amounts of money to the

men who shared Edwin's obsession: the Victorian art of salmon fly-tying. Once inside the museum, the champion fly-tier grabbed hundreds of bird skins—some collected 150 years earlier by a contemporary of Darwin's, Alfred Russel Wallace, who'd risked everything to gather them—and escaped into the darkness. Two years later, Kirk Wallace Johnson was waist high in a river in northern New Mexico when his fly-fishing guide told him about the heist. He was soon consumed by the strange case of the feather thief. What would possess a person to steal dead birds? Had Edwin paid the price for his crime? What became of the missing skins? In his search for answers, Johnson was catapulted into a years-long, worldwide investigation. The gripping story of a bizarre and shocking crime, and one man's relentless pursuit of justice, *The Feather Thief* is also a fascinating exploration of obsession, and man's destructive instinct to harvest the beauty of nature. Overdrive Del Rey "One of the most beguiling criminal memoirs ever written....A rare gem of a book." — T.

J. English, New York Times bestselling author of *Havana Nocturne* How did the son of a decorated policeman grow up to be one of Boston's most notorious criminals? How did he survive a decades-long feud with the FBI? How did he escape one jail sentence with a fake gun carved out of soap? How did he trade the return of a famous Rembrandt for early release from another sentence? *The Art of the Heist* is a roller-coaster ride of a life, the memoir of America's most infamous art thief Myles Connor. Once a promising young rock musician, the son of a respected policeman, Myles Connor became one of Boston's most infamous criminals—a legendary art thief with irresistible charm and a genius IQ whose approach to his chosen profession mixed brilliant tactical planning with stunning bravado, brazen disguises, audaciously elaborate con jobs, and even the broad-daylight grab-and-dash. New York's Metropolitan Museum of Art, the Smithsonian Institution, Boston's Museum of Fine Art . . . no museum was off-limits. The fact that he was in jail at the time of the largest art theft in

American history—the still-unsolved robbery of the Isabella Stewart Gardner Museum—has not stopped the FBI from considering him a prime suspect. The Art of the Heist is Connor’s story—part confession, part thrill ride, and impossible to put down.

The Grift of the Magi
Simon and Schuster
Katarina Bishop and W.W. Hale the Fifth were born to lead very different lives - her family are criminal masterminds, while he comes from an apparently perfect dynasty. But both families know how to stay under the radar while getting - or stealing - whatever they want. When Hale unexpectedly inherits his grandmother's billion-dollar corporation, he quickly learns that there's no place for Kat and their old heists in his new role. But Kat won't let him go that easily, especially after she is tipped off about an elaborate con to steal the company's fortune. Instead of being the heir, this time Hale might be the mark. Kat is prepared to do the impossible, but first she has to decide. Is she willing to save her boyfriend's company if it means losing the boy?

Cheating at Solitaire
Gramedia Pustaka Utama

Five orphans. Two sword-wielding vigilantes. One mansion. No rules. April thought she had her happy ending. After all, she has her new house and new friends and new guardian. But she also has a very big new secret. The kids of Winterborne House are the only ones who know that Gabriel Winterborne--famous billionaire and terrible cook--is really a sword-wielding vigilante. What they don't know is that he's not the only one. When a masked figure breaks in, looking for something--or someone--it's clear that Gabriel has met his match, and now no one is safe. April and her friends will have to solve a decades-old mystery in order to hang on to the most important thing in the world: each other.

A Burglar's Guide to the City
Bloomsbury Publishing USA
New York Times bestselling author Ally Carter returns with the third entry in this runaway series. For the past three years, Grace Blakely has been desperate to find out the truth about her mother's murder. She thought it would bring her peace. She thought it would lead her to answers. She thought she

could put the past to rest. But the truth has only made her a target. And the past? The only way to put the past to rest is for Grace to kill it once and for all.

Among Thieves Little, Brown Books for Young Readers
Sophie Mercer thought she was a witch. That was the whole reason she was sent to Hex Hall, a reform school for delinquent Prodigium (aka witches, shapeshifters, and fairies). But that was before she discovered the family secret, and that her hot crush, Archer Cross, is an agent for The Eye, a group bent on wiping Prodigium off the face of the earth.

Winterborne Home for Vengeance and Valor
Penguin
We're Supernatural Protection & Investigations, known as SPI. Things that go bump in the night, the monsters you thought didn't exist? We battle them and keep you safe. But some supernatural baddies are just too big to contain, even for us... When I moved to New York to become a world famous journalist, I never imagined that snagging a job at a seedy tabloid would change my career path from trashy reporter

to undercover agent. I'm Makenna Fraser, a Seer for SPI. I can see through any disguise, shield, or spell that a paranormal pest can come up with. I track down creatures and my partner, Ian Byrne, takes them out. Our cases are generally pretty routine, but a sickle-wielding serial killer has been prowling the city's subway tunnels. And the murderer's not human. The fiend in question, a descendant of Grendel—yes, that Grendel—shares his ancestor's hatred of parties, revelry, and drunkards. And with New Year's Eve in Times Square only two days away, we need to bag him quickly. Because if we don't find him—and the organization behind him—by midnight, our secret's out and everyone's time is up.

FIRST IN A NEW SERIES
Baby Monkey, Private Eye
 Hachette UK

Kat Bishop can steal anything—including your heart. Read all three books in the New York Times bestselling Heist Society series, filled with intrigue, adventure, romance, and charm. In Heist Society, Katarina has been a part of the family business—thieving—for as

long as she can remember. When Kat tries to leave "the life" for a normal life, her old friend Hale conspires to bring her back into the fold. Why? A mobster's art collection has been stolen, and Kat's father is the only suspect. Caught between Interpol and a far more deadly enemy, Kat's dad needs her help. The only solution is to find the paintings and steal them back. Kat's got two weeks, a teenage crew, and hopefully enough talent to pull off the biggest heist in her family's history—and, with any luck, steal her life back along the way. In Uncommon Criminals, Katarina Bishop has worn a lot of labels in her short life. Friend. Niece. Daughter. Thief. But for the last two months she's simply been known as the girl who robbed the greatest museum in the world. That's why Kat isn't surprised when she's asked to steal the infamous Cleopatra Emerald so it can be returned to its rightful owners. There are only three problems. First, the gem is owned by the most secure auction house in the world. Second, since the fall of the Egyptian empire and the suicide of Cleopatra, no one who

holds the emerald keeps it for long, and in Kat's world, history almost always repeats itself. But it's the third problem that makes Kat's crew the most nervous: the emerald is cursed. Kat might be in way over her head, but she's not going down without a fight. After all she has her best friend—the gorgeous Hale—and the rest of her intrepid crew with her as they chase the Cleopatra Emerald around the world, realizing that the same tricks and cons her family has used for centuries are useless this time. Which just means that Katarina Bishop is going to have to make up her own rules. In Perfect Scandals, it's clear that Katarina Bishop and W.W. Hale the fifth were born to lead completely different lives. Kat comes from a long, proud line of loveable criminal masterminds, while Hale is the scion of one of the most seemingly perfect dynasties in the world. If their families have one thing in common, it's that they both know how to stay under the radar while getting—or stealing—whatever they want. No matter the risk, the Bishops can always be counted on, but in Hale's family, all bets are off when money is on the

line. When Hale unexpectedly inherits his grandmother's billion-dollar corporation, he quickly learns that there's no place for Kat in his new role. But Kat won't let him go that easily, especially after she gets tipped off that his grandmother's will might have been altered in an elaborate con to steal the company's fortune. So instead of being the heir, this time Hale might be the mark. Forced to keep a level head as she and her crew fight for one of their own, Kat is prepared to do the impossible, but first, she has to decide if she's willing to save her boyfriend's company even if it means losing the boy.

Learning to Play Gin
Hachette UK

When Katarina Bishop was three, her parents took her to the Louvre...to case it. For her seventh birthday, Katarina and her Uncle Eddie traveled to Austria...to steal the crown jewels. When Kat turned fifteen, she planned a con of her own--scamming her way into the best boarding school in the country, determined to leave the family business behind. Unfortunately, leaving "the life" for a normal life proves harder than she'd expected. Soon, Kat's

friend and former co-conspirator, Hale, appears out of nowhere to bring her back into the world she tried so hard to escape. But he has good reason: a powerful mobster's art collection has been stolen, and he wants it returned. Only a master thief could have pulled this job, and Kat's father isn't just on the suspect list, he is the list. Caught between Interpol and a far more deadly enemy, Kat's dad needs her help. For Kat there is only one solution: track down the paintings and steal them back. So what if it's a spectacularly impossible job? She's got two weeks, a teenage crew, and hopefully just enough talent to pull off the biggest heist in her family's (very crooked) history--and, with any luck, steal her life back along the way.

Double Crossed (Free Story) Simon and Schuster

Kat Bishop: friend. Niece. Daughter. Thief. Or simply, the girl who robbed the greatest museum in the world... In the eagerly-awaited second HEIST SOCIETY novel Kat's been asked to steal the infamous Cleopatra Emerald so it can be returned to its rightful owners. Trouble

is, not only is the gem elusive - it's cursed. Kat might be in way over her head but help is at hand. She enlists the gorgeous Hale and the rest of the crew from Heist Society on a heart-stopping round-the-world search. But this time, Kat -- who knows every trick and con in the book -- is making up her own rules.

The Woman Who Stole Vermeer Franklin Watts

Angie overeats to cope with the taunts of the ultra-mean girls, her attempted suicide in front of a packed gym, and the status of her captured war-hero sister, until KC Romance comes to town and sees Angie for who she really is.

Perfect Scoundrels
HarperCollins

Lovely, idealistic Tracy Whitney is framed into a fifteen year sentence in an escape-proof penitentiary. With dazzling ingenuity she fights back to destroy the untouchable crime lords who put her there. With her intelligence and beauty as her only weapons, Tracy embarks on a series of extraordinary escapades that sweep her across the globe. In an explosive confrontation Tracy meets her equal in irresistible Jeff Stevens, whose past is

as colorful as Tracy's.

The Birds of America

Harper Collins

Heist Society meets Gallagher Girls in an original crossover story by Ally Carter.

Uncommon Criminals

Orchard Books

Kat has to steal back some paintings when her father is implicated.

Heist Society#2: Kriminal Kelas Atas (Uncommon Criminals) Hachette UK

This edition has 65 new images, making a total of 500. The original configurations were altered so that there is only one species per plate. The text is a revision of the Ornithological Biography, rearranged according to Audubon's Synopsis of the Birds of North America (1839).
