Runaway Heiress Thomas Nelson
 To the first boy I ever loved. I intended to keep my promises to you. I swear. I loved you, Matthew Caldwell. With my whole heart. I think a piece of me will always love you. But it all came crashing down when I realized you didn't keep your promises to me. I refuse to take any of my days for granted. I learned that the hard way. So I'm sorry. But I can't keep my promises to someone who didn't keep theirs. XOXO, -Brooklyn Sanders

 A powerful poem about Ona Judge's life

and her self-emancipation from George Washington's household. Ona Judge was enslaved by the Washingtons, and served the President's wife, Martha. Ona was widely known for her excellent skills as a seamstress, and was raised alongside Washington's grandchildren. Indeed, she was frequently mistaken for his granddaughter. This poetic biography follows her childhood and adolescence until she decides to run away. Author Ray Anthony Shepard welcomes meaningful and necessary conversation among young readers about the horrors of slavery and the experience of house servants through call-and-response style lines. Illustrator Keith Mallett's rich paintings include fabric collage and add further feeling and majesty to Ona's daring escape. With extensive backmatter, this poem may serve as a new introduction to American slavery and Ona Judge's legacy.

This diary of a runaway girl and her search for a home celebrates hope, resilience, and happy endings as only Wendelin Van Draanen, the author of *Flipped* and other acclaimed novels, can. Holly has run away before, but this time she actually gets away—and what at first felt like an escape soon becomes a daily struggle for survival. She is smart and resourceful, and she manages to make it across the country on her own. But how long can this go on? It's getting harder to avoid the truth—Holly is now homeless. *Runaway* is a remarkably uplifting portrait of a girl still young and stubborn and naive enough to believe there's a better place for her in the world. "Will grab readers from the first entry."

—Kirkus Reviews "Holly's lively self lingers in the way the best characters do.

Runaway is certainly one of the best young adult books of the year." —The Sacramento Bee

Now available in a deluxe keepsake edition! A Time Best YA Book of All Time (2021) Run away to the Metropolitan Museum of Art with E. L. Konigsburg's beloved classic and Newbery Medal-winning novel *From the Mixed-Up Files of Mrs. Basil E. Frankweiler*. When Claudia decided to run away, she planned very carefully. She would be gone just long enough to teach her parents a lesson in Claudia appreciation. And she would go in comfort—she would live at the Metropolitan Museum of Art. She saved her money, and she invited her brother Jamie to go, mostly because he was a miser and would have money. Claudia was a good organizer and Jamie had some ideas, too; so the two took up residence at the museum right on schedule. But once the fun of settling in was over, Claudia had two unexpected problems: She felt just the same, and she wanted to feel different; and she found a statue at the Museum so beautiful she could not go home until she had discovered its maker, a question that

baffled the experts, too. The former owner of the statue was Mrs. Basil E. Frankweiler. Without her—well, without her, Claudia might never have found a way to go home.

If we pay attention to the alarms in our lives, they could save us. Worry. Anger. Loneliness. Negative emotions are uncomfortable by design. Like any good fire alarm, they alert us to a greater danger. But they won't help us if we try to cover them up, hide them behind excuses, or assume they will always plague us. The only healthy way to manage negative emotions is to find their source and address the problem that set them off. As pastor Jeff Schreve says, "A specific and compelling message can be found in each of your negative, painful emotions. God Himself is trying to speak to you through those emotions—right now." So what is God saying? How can we understand our emotions—even change them? Schreve shows how the truth of the Bible can make sense of our confusion. The power of the Holy Spirit can lead us to freedom, and Jesus Christ can give us true peace in the midst of any crisis. You don't have to let your emotions run away with you, your family, or your future.

In *Runaway Groom*, the second sexy rom-com in the *I Do, I Don't* series, for one charming playboy, getting cast on a Bachelor-esque reality TV show is the shock of a lifetime - until he finds love where he least expects it. And now the chase is on! For fans of Jill Shalvis, Julie James and Carly Phillips. Gage Barrett's reputation as a ladies' man has been greatly exaggerated, but none of that matters after a drunken bet lands him on *Jilted*, a reality TV show that matches runaway grooms with wannabe brides. Now he's stuck at a Hawaiian resort with nineteen women competing to drag him back to the altar - and one contestant who's even more miserable than he is. Gage has no idea how feisty, independent Ellie Wright wound up in the cast, but it's obvious she hates his guts. And if there's one thing Gage likes, it's a challenge... Ellie can't believe she let her best friend talk her into exchanging her dignity for a glorified bikini contest. Still, she could use the exposure - her business is struggling - and she'll probably be one of the first to

get eliminated anyway. But Gage isn't the shallow jerk Ellie anticipated - and he's in no rush to send her home. As stolen kisses turn into secret trysts, she finds herself losing track of what's real and what's for the camera. With the wedding finale looming, this runaway groom is tempting Ellie to start believing in storybook endings. Want more fun, fresh, flirty and very sexy rom-com? Check out the rest of the *I Do, I Don't* series as well as Lauren's *Oxford* series, *Wedding Belles* series and romantic standalones in the *Love Unexpectedly* series.
