### SHILOH RIDDLE

*Not Dead & Not for Sale* Bazillion Points LLC  
 In the shadows of Nocturne City, witches lurk and demons prowl, and homicide detective Luna Wilder must keep the peace—while living life as a werewolf. Now bodies are turning up all over town, the brutal murders linked by a cryptic message: We see with empty eyes... To make matters worse for Luna, she can't get wolfishly handsome Dmitri Sandovsky out of her mind. The last time he helped her with a case, Dmitri suffered a demon bite that infected him with a mysterious illness...and now his pack elders have forbidden him from associating with Luna. But she'll need his help when high-level witches start turning up slaughtered. Because a war is brewing between rival clans of blood witches and caster witches—a magical gang war with the power to burn Nocturne City to the ground.

*The Official Punk Rock Book of Lists* Gallery 13  
 From disaffected Catholic schoolgirl and glam maniac to instigator on the 1980s hardcore punk scene, Nancy Barile discovered freedom at a time when punk music was new and dangerous. She made her place behind the boards and right in the front row as insurgents such as SSD, Minor Threat, Bad Brains, the Dead Kennedys, and Black Flag wrote new rules and made history. She survived punk riots and urban decay, ran the streets with outcasts, and ultimately found true love as she fought for fairness and found her purpose.

*Punk Rock & Trailer Parks* National Geographic Books  
 Some desires will push you to the edge...and beyond. Find out just how dark a forbidden need can go in New York Times bestselling author Cynthia Eden's fast-paced MINE romantic suspense series! This boxed set includes the following dark and sexy romantic suspense titles: MINE TO CRAVE, MINE TO HAVE, and MINE TO PROTECT. All books in this boxed set are stand-alone reads. MINE TO CRAVE From the moment that billionaire casino owner Drake Archer sees Jasmine Bennett, he's obsessed. Consumed by desire for the mysterious redhead, Drake will do anything necessary to claim her. Yet as desire rages between them, danger is stalking ever closer. Drake's past isn't dead, and the ex-Special Forces agent will soon have to face the ghosts he left behind. Jasmine isn't who she pretends to be. She's a woman on a mission—and she's supposed to be stealing secrets from the mysterious Drake. Falling for him isn't on her agenda, but when lust and love tangle together, all the rules get broken. MINE TO HAVE When Elizabeth Ward sees Saxon Black rushing into the backroom of The Blade—a low end bar in Miami—she isn't sure if he's there to save the day...or just to raise some hell. But she's

being held hostage, and he's her best hope of survival. Within minutes, she's away from the jerks with the guns and riding fast and hard on the back of Saxon's motorcycle. Saxon has been working undercover for far too long. When he finds sexy Elizabeth—with a gun to her head—he knows he will do anything to keep her safe. But once he gets her away from her abductors, the threat to her isn't over. Someone has put a price on Elizabeth's head, and if Saxon can't keep her safe from the danger stalking her, then she'll be dead. MINE TO PROTECT Victor Monroe left behind a brutal past when he decided to become an FBI Agent. He knows that other agents think he's too cold, that he has ice in his veins, but he doesn't care what folks say about him. He gets the job done—always. No matter the cost. But then he's blackmailed into guarding Zoe Peters...ex-showgirl, daughter of a mob boss and drug dealer...a witness who wants to vanish. Zoe is wild, beautiful, and on far too many hit lists. It's now Victor's job to keep her safe—a job that Zoe makes damn difficult. But keeping her alive is his number one priority. It's supposed to be strictly professional between them. Just another case. Only...Victor never counted on falling for Zoe

*CMJ New Music Report* St. Martin's Griffin  
 1981: The cities of England are aflame with widespread rioting. One in ten of the population is unemployed. The Specials' Ghost Town is at number one in the charts. Too much fighting on the dance floor. But don't worry, there's a royal wedding to keep you all distracted, Charles and Diana exchanging worthless vows before a multitude of flag-waving tourists. Meanwhile, a 17-year-old punk rocker, young, dumb, and full of...curiosity, decides to flee the boredom of small village life and a mindless factory job to follow his favourite bands - Siouxsie and the Banshees, Killing Joke, and the Damned - dodging police, skinheads, Perry Boys, football hooligans, and er, the Bath Warriors as he hitchhikes from town to town. Packed with history and hilarity, Punk Snot Dead is a coming-of-age story like no other, and a nostalgic glance at an England that is no more.

*Pure Blood* Abaddon Books  
 The second of four volumes that cover the Tucson entertainment scene during the second half of the 20th century. Volume 2 features hundreds of local musicians and actors between the years 1986 through 1989. Compiled from articles, interviews and original photographs published in the Entertainment Magazine during those years.

*Straight Edge* National Geographic Books  
 The circle inside the cover illustration represents the spirit domain which exists within every being. The 3 points of the inner triangle are lighted, and represent the three spirits that reside within each human domain. They are connected in this triangle by lines which represents sharing and working together cohesively. The lines

from the points in the triangle, (and from each spirit) to the middle of the triangle represent the position of dominance that only one spirit can hold at any moment. The pathway for the one chosen spirit to dominance is this line to the center. The blue waves and swirls of this pure good-natured domain's inner background depicts flowing, calming water as "goodness" of the pure good natured domain. It also represents the histories, knowledge and information the three spirits that are assigned to the domain have collected and stored for their being's later supporting use, information from every event from the beginning of time.

*Zombie Makeout Club Vol. 2* Createspace Independent Publishing Platform

From the creator of My Friend Dahmer comes this look at growing up around the punk rock culture of 1970's Cleveland, OH.

**The Cambridge Handbook of Sociology: Volume 2**  
 Jabberwocky Literary Agency, Inc.

another short story book by yours truly alleywow. coming live to you from the hood with the real life situations that the urban community face.

*The Punk Reader* Akashic Books

The conclusion to the Burn Cycle is "an engaging, page-turning read . . . [for] those who enjoy their steampunk tech with a high dose of technofantasy" (Tor.com). The city of Veridon used Jacob Burn horribly. The Council, the Church, even his family betrayed his trust, and still Burn risked everything to save their lives. For his sacrifice, he lost his tenuous ties to lawful society, his place in the criminal underworld, and the only woman he ever loved. Now, to survive, Burn runs small-time jobs, like his latest gig, delivering a seemingly innocuous package to the Fehn. The Fehn are a symbiotic race that dwell peacefully under the murky Reine River, colonizing any body that slips beneath its dark waters. But moments after Burn makes his delivery, swarms of dead Fehn clog the Reine. More terrifying are the horde of pearl-white cogdead Fehn who still walk, crawling out of the river to violently ransack the city. Once again, Burn is responsible for Veridon's survival, and the Fehn are just one of many threats the city suddenly faces. Burn thought he had nothing to lose, but protecting Veridon could cost him the one thing he has left . . . his life. "Very fast-moving, full of action, color, and invention . . . it is fun, and it is interesting, and it sets a template for what could be an ongoing series in the noir detective/action fashion." —SF Site "Just when you think you know what's going on, suddenly you're not so sure. Akers writes a mean action sequence as well which stirs things up beautifully." —Graeme's Fantasy Book Review  
*Hairstyles of the Damned (Punk Planet Books)* National Geographic Books

In the early 1990s, Stone Temple Pilots—not U2, not Nirvana, not

Pearl Jam— was the hottest band in the world. STP toppled such mega-bands as Aerosmith and Guns N' Roses on MTV and the Billboard charts. Lead singer Scott Weiland became an iconic front man in the tradition of Mick Jagger, David Bowie, and Robert Plant. Then, when STP imploded, it was Weiland who emerged as the emblem of rock star excess, with his well-publicized drug busts and trips to rehab. Weiland has since made a series of stunning comebacks, fronting the supergroup Velvet Revolver, releasing solo work, and, most recently, reuniting with Stone Temple Pilots. He still struggles with the bottle, but he has prevailed as a loving, dedicated father, as well as a business-savvy artist whose well of creativity is far from empty. These earthling papers explore Weiland's early years as an altar boy right along with his first experiences with sex and drugs. Weiland discusses his complex relationships with his parents, stepfather, siblings, and the love of his life, Mary Forsberg Weiland. Readers learn the fascinating stories behind his most well-known songs and what it was like to be there at the beginning of the grunge phenomenon, as Rolling Stone proclaimed on its cover: "the year punk broke." *Not Dead & Not for Sale* is a hard rock memoir to be reckoned with—a passionate, insightful, and at times humorous book that reads with extraordinary narrative force.

**Denvoid and the Cowtown Punks** Lulu.com

CMJ New Music Report is the primary source for exclusive charts of non-commercial and college radio airplay and independent and trend-forward retail sales. CMJ's trade publication, compiles playlists for college and non-commercial stations; often a prelude to larger success.

*Still Dead* National Geographic Books

Forty years after its inception, punk has gone global. The founding scenes in the United Kingdom and United States now have counterparts all around the world. Most, if not all, cities on the planet now have some variation of punk existing in their respective undergrounds, and long-standing scenes can be found in China, Japan, India, Africa, Southeast Asia, and the Middle East. Each scene, rather than adopting traditional interpretations of the punk filter, reflects national, regional, and local identities. The first offering in Intellect's new Global Punk series, *The Punk Reader: Research Transmissions from the Local and the Global* is the first edited volume to explore and critically interrogate punk culture in relation to contemporary, radicalized globalization. Documenting disparate international punk scenes, including Mexico, China, Malaysia, and Iran, *The Punk Reader* is a long-overdue addition to punk studies and a valuable resource for readers seeking to know more about the global influence of punk beyond the 1970s.

*I'm Not Holding Your Coat* Hal Leonard Corporation

Modern Family. Retro Sass. Highly Trained--To Kick Your Ass! Take a semester off with Dominic Price, his mom, his boyfriend, and \$40,000 of black-market weapons. What could possibly go wrong? First there were three: Octavia, Charlotte, and Rosalyn, a trio of badass hit-women who picked up the slack when the going got too real for other so-called top-level assassins. But things

happened. Octavia hung up her semi-automatic for a semi-lucrative kidnapping insurance scam. Charlotte chose an expensive Chardonnay, love, marriage and, until recently, a baby carriage. And Rosalyn? There's a lot of conspiracies, but according to the federal government, she's simply M.I.A. When a kidnapping hits too close to home, Octavia is forced out of retirement and back into the bounty-hunting business. Down two partners, she recruits her son Dominic and his boyfriend Taylor to aid and abet her in a semester of murder-based work study, where she'll teach them everything she knows (if she can get them to put down the video games, stop making out, and actually focus on the mission already). Can this dysfunctional modern family pull off the greatest mission in the history of the ASSASSINISTAS? Collects the complete miniseries, issues #1-6.

*Punk Snot Dead* Image Comics

Arriving in 1978, hitched to the back of the Sex Pistols tour bus, punk soon became as mythic in Texas as the state's devotion to football, cattle, and prayer. Confrontational renegades like the Huns, the Big Boys, and the Dicks led a defiant new era of blood, sweat, and cross-dressing cowboys. Austin son Pat Blashill grabbed a camera and began shooting local punk bands, uncovering a story of desperation and creative deliverance, set in trailer parks, low-rent shared housing, and wild, Texas bucket-of-beer bars. Along the trail Blashill befriended and photographed the Big Boys, the Dicks, Butthole Surfers. Poison 13, the Hickoids, the Offenders, Scratch Acid, Daniel Johnston, Doctors' Mob, Glass Eye, and others. As Austin became a mecca for live music, he captured equally iconic images of touring bands including Sonic Youth, Devo, Samhain, Soul Asylum, the Replacements, and the Dead Kennedys. More than two hundred of Blashill's deep black and white photos are joined here by essays from director Richard Linklater (Slacker/School of Rock); singer David Yow (Scratch Acid/Jesus Lizard); drummer Teresa Taylor (Butthole Surfers); and local luminaries Adriane "Ash" Shown and Donna Rich. True mavericks banded together to make a stand, and?Texas Is the Reason.

*Texas Is the Reason: The Mavericks of Lone Star Punk* Cambridge University Press

Starting in 1981 via Minor Threat's revolutionary call to arms, the clean and positive straight edge hardcore punk movement took hold and prospered during the 1980s, earning a position as one of the most durable yet chronically misunderstood music subcultures. Straight edge created its own sound and visual style, went on to embrace vegetarianism, and later saw the rise of a militant fringe. As the "don't drink, don't smoke" message spread from Washington, D.C., to Boston, California, New York City, and, eventually, the world, adherents struggled to define the fundamental ideals and limits of what may be the ultimate youth movement. Tony Rettman traces the story of straight edge from adolescent origins to enduring counterculture via fresh first-hand accounts from the clear and alert members of Minor Threat, SS Decontrol, Youth of Today, DYS, Slapshot, Uniform Choice, 7

Seconds, Stalag 13, Justice League, Chain of Strength, No for an Answer, Insted, Gorilla Biscuits, Judge, Bold, Projec *Influences from the Being's Inner Domain Book 2* Hocus Pocus Publishing, Inc.

The author's original Book of Lists is a worldwide phenomenon that has sold over 8 million copies. The Punk Book of Lists will feature approx 200 lists - culled from the historical archives and many generated by noteworthy musicians, lists have been put together by film directors, writers, actors, you name it. Punk Rock is cool and the impact has hit every hip person on the planet! Over 50 wicked caricatures of punk rock stars, by noted underground artist Cliff Mott, are peppered generously throughout the book. You don't have to be punk to love the coolest rock 'n' roll toilet-reading, time-wasting masterpiece ever! Absolutely a jewel in the canon of great music books!

*Punks Not Dead, Vol. 2: London Calling* Hachette UK

Hana(e) and (Shuu)Mei are continuing to develop their relationship slowly, and still neither realize that the other is also a crossdressing guy...! Things get even crazier when Shuumei's punk bro Kanoko manages to sniff out his crush. When Hana becomes Kanoko's stalking victim, Mei leaps in to protect her! But when Kanoko sees the strong-willed and powerful Mei, he falls in love at first sight?!

*Punk Is Dead* Macmillan + ORM

The stylish and macabre feast of *Zombie Makeout Club* returns! Powered by the mysterious phenomenon of "'Black Blood'" and effortless gorepunk aesthetics, various youngsters in Death City find themselves tangled up together and pitted against the mysterious organization that seeks to harvest their bodies and abilities. When Yuka goes searching for her missing sister, she becomes entwined in a web of serial killings, madness, and conspiracy. Yuka's path leads her to Ai, who has awakened within the facility. Both girls are pursued by a new foe and her human pet, but with what means and to what ends? Collecting Volume 2 of the popular Webtoon in print for the first time.

**Crossplay Love: Otaku x Punk Vol. 2** Image Comics

This original collection of insight, analysis and conversation charts the course of punk from its underground origins, when it was an un-formed and utterly alluring near-secret, through its rapid development. *Punk is Dead: Modernity Killed Every Night* takes in sex, style, politics and philosophy, filtered through punk experience, while believing in the ruins of memory, to explore a past whose essence is always elusive.

*Kid Lobotomy, Vol. 1: A Lad Insane* Bazillion Points LLC

This government asset is so rogue, it's punk! Oi! Anarchy. Chaos. Punk rock. The NSA fights to keep such things at bay...until they run out of options. That's exactly what has happened in their failed attempt to take down one of the most elusive drug lords on the planet. When government agent, Zed, has nowhere to turn, he looks to his favorite punk band, Punk Ass Punk, to lend their special talents to an operation with a hidden agenda. When you can no longer never mind the bollocks, you strap on your combat boots, spike up your hair, and turn the espionage up to eleven.
