Wolf is sooo hungry!
Hungry enough to eat
up all his toys...
Edison Listen to the

Just when William is
ready to fall asleep in
his cozy cabin, there is
a tap on his window. A
chilly chipmunk asks to
stay, and Will scooches
over in bed. "There's
room for two -- I'm sure
we'll fit." The chipmunk
is just the first in a

parade of mammals, each bigger than the last, until the bed is full. Then a note is slipped beneath the door: "Do you have room for just one more?" William tugs the door to see who's there . . . only to find a great big BEAR! Is there enough space to spare? Will the other animals be willing to share? Kids will delight at each new guest's arrival and enjoy counting along as the animals keep scooching over to fit in William's bed. Linda Ashman's clever rhymes set up each page turn with suspense and humor, and the expressions on Chuck Groenink's characters are perfect. This is must reading for the dark time of year when everyone wants to hibernate!

Discusses the nature, origins, and development of language and lists the meanings and associated word for

more than thirteen thousand Indo-European root words. The Wolf and the Fly Little, Brown Books for Young Readers Jegliche Zeit hat ihre Geschichten. Diese erzählt von Menschen, die Verbrechen begehen und Verbrechen zum Opfer fallen. Verbrechen, die der Einzelne nicht immer als solche erkennt, wenn sie gesellschaftliche Normalität, Norm, geworden sind. Die zehn Gebote gehören der Vergangenheit an. Die Figuren der Handlung allerdings sind erfunden. Sollte jemand glauben, er selbst sei gemeint, ihm sei versichert, er ist es nicht. Er passt nur in ein Raster. Dafür kann der Autor nicht. Er kann nicht dafür belangt werden, dass

uns solche Menschen in der Realität begegnen. Und das jeden Tag.

Im Rahmen seiner zwischen 1871 und 1897 erschienenen Buchreihe Jyske Folkeminder (Jütische Volksüberlieferungen) veröffentlichte Evald Tang Kristensen, der mit Abstand bedeutendste dänische Sammler traditioneller Lieder, Sagen und Märchen, unter anderem vier Bände mit Märchen aus Jütland (Æventyr fra Jylland). Ganze neun dieser Märchen waren in deutscher Sprache im 1915 erschienenen ersten Band der "Nordischen Volksmärchen" von Klara Stroebe in der Reihe "Die Märchen der Weltliteratur"

enthalten. Ansonsten sind die Märchen unserer nördlichen Nachbarn in Deutschland nur wenig bekannt. Um dem abzuhelfen erschien früher in diesem Jahr eine vollständige Übersetzung des 1. Bandes (ISBN 9-783-7431-4100-1). Hier folgt nun der 2. Band, wiederum in vollständiger Übersetzung. Berlin Blitz Verlag

Following the rationale that corpora have an important part to play in fostering language awareness, this monograph

investigates the use of spoken corpora in the teaching of German as a foreign language.

Corpus-based research has had an increasing influence on language teaching pedagogy, with regard to linguistic content as well as to teaching methodology.

While the majority of studies reporting on corpus-based teaching approaches refer to English, only a small number of studies have discussed such an approach for German.

In this study, the exploitation of language corpora is proposed in order to arrive at authentic teaching materials which facilitate the comprehension of German modal particles, which pose numerous problems for learners of German as a foreign language.

The approach is twofold: first, the frequency of those word forms which may function as modal particles is established. Secondly, concordance data of the more frequently occurring particles are analysed qualitatively. Teaching

materials based on these analyses are developed referring to patterns of use which can be relayed to language learners in order to provide them with tools for the decoding of particle meaning.
