LEVY SHEPARD

Divorced Girl Smiling Thomas Nelson

Brad Hambrick examines Jesus teachings about broken relationships and shares strategies for interacting with a chronically self-centered spouse, bringing hope to victims of marital abuse and neglect.

A 14-Day Romance Challenge Somebody Else's Husband Tammie and Mike are married with three children. Lately Mike has been making the typical moves of a cheater, working late and always hiding his phone. Tammie is suspicious and convinced that Mike's attention is on someone else. That is, until he sweeps her off of her feet with a romantic night that she will never forget. All of her worries are washed away with every touch, kiss, and stroke. Confidence in her man and marriage replaces her previous suspicions. Then as luck would have it, evidence of Mike's infidelity smacks her in the face. It's a hard dose of reality. Yet what hurt much worse is the realization of who the side chick is. After cheating on Tammie off and on for years, Karma finally steps in and Mike meets the side chick from hell. She has fallen in love with him and won't let go. A wicked turn of events reveals his infidelity, and Mike quickly realizes that this is one side chick that will not go away. This story will take you on a wild ride full of hills, dips, and curves filled with romance, pain, betrayal, and lots of drama all intertwined in one emotional roller coaster. Sacred Influence

A thoughtful, down-to-earth, contemporary guide to help partners identify and address relationship-killing behavior patterns in their own lives. Good people can be bad at relationships. One night during his divorce, after one too many vodkas and a call with a phone-in-therapist who told him to "journal his feelings," Matthew Fray started a blog. He needed to figure out how his ex-wife went from the eighteen-year-old college freshman who adored him to the angry woman who thought he was an asshole and left him. As he pieced together the story of his marriage and its end, Matthew began to realize a hard truth: even though he was a decent guy, he was a bad husband. As he shared raw, uncomfortable, and

darkly humorous first-person stories about the lessons he'd learned from his failed marriage, a peculiar thing happened. Matthew started to gain a following. In January 2016 a post he wrote—"She Divorced Me Because I left the Dishes by the Sink"—went viral and was read over four million times. Filtered through the lens of his own surprising, life-changing experience and his years counseling couples, *This Is How Your Marriage Ends* exposes the root problem of so many relationships that go wrong. We simply haven't been taught any of the necessary skills, Matthew explains. In fact, it is sometimes the assumption that we are acting on good intentions that causes us to alienate our partners and foment mistrust. With the humorous, entertaining, and counterintuitive approach of *The Subtle Art of Not Giving a F*ck*, and the practical insights of *The 5 Love Languages*, *This is How Your Marriage Ends* helps readers identify relationship-killing behavior patterns in their own lives, and offers solutions to break free from the cycles of dysfunction and destruction. It is must-read for every partner no matter what stage—beginning, middle, or even end—of your relationship.

Neurodiverse Relationships Xlibris Corporation

He who finds a wife finds a good thing is a popular proverb that indicates when a man seeks a wife, he will be blessed; however, what happens when the tables are turned and a woman searches for a husband? Does she find a good thing as well or does she marry a man who was actually intended for someone else? *Oops, I Married Someone Else's Husband* is a novel that highlights the life of a young woman who embarks on a journey to discover if the man she married belongs to her or was actually reserved for someone else?

Somebody Else's Husband WaterBrook

God calls women to influence and move their husbands in positive ways. Applying the concepts from his bestseller, *Sacred Marriage*, Gary Thomas offers a view through a man's eyes. Here's the inside scoop on what men find motivating—with inspiring real-life stories of women who are employing this knowledge to transform their marriages. *Sacred Influence* doesn't flinch from difficult marital problems. But by using this faith-focused approach, you'll see how to help your husband become the man God intends him to be. At the same time, God will shape you to be the woman he

designed you to be. God has given godly women a wonderful power to influence and encourage their husbands. What's the secret? This book will provide challenges, examples, and hope to women who want to love their husbands well and be loved well in return. --Dennis Rainey, President of Family Life
Discipline That Connects With Your Child's Heart Simon and Schuster

Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. *Divorced Girl Smiling* is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

Self-Centered Spouse Simon and Schuster

How do you fall back in love? This was the underlying problem of one in four couples seeking help from relationship therapist

Andrew G. Marshall. They described their problem as: 'I love you but I'm not in love with you'. Noticing how widespread the phenomenon had become, he decided to look more closely. Why were these relationships becoming defined more by companionship than by passion, and why was companionship no longer enough? From his research Andrew has devised his own unique programme. By looking at how a couple communicate, argue, share love, take responsibility, give and learn he offers in seven steps a reassuring and empowering map for how two individuals can better understand themselves, strengthen their bond and recover that lost magic.

Confessions of a Terrible Husband Ballantine Books

A bold dive into the emotional labor women have shouldered for far too long—and an impassioned vision for creating a better future for us all. Day in, day out, women anticipate and manage the needs of others. In relationships, we initiate the hard conversations. At home, we shoulder the mental load required to keep our households running. At work, we moderate our tone, explaining patiently and speaking softly. In the world, we step gingerly to keep ourselves safe. We do this largely invisible, draining work whether we want to or not—and we never clock out. No wonder women everywhere are overtaxed, exhausted, and simply fed up. In her ultra-viral article “Women Aren’t Nags—We’re Just Fed Up,” shared by millions of readers, Gemma Hartley gave much-needed voice to the frustration and anger experienced by countless women. Now, in *Fed Up*, Hartley expands outward from the everyday frustrations of performing thankless emotional labor to illuminate how the expectation to do this work in all arenas—private and public—fuels gender inequality, limits our opportunities, steals our time, and adversely affects the quality of our lives. More than just name the problem, though, Hartley teases apart the cultural messaging that has led us here and asks how we can shift the load. Rejecting easy solutions that don’t ultimately move the needle, Hartley offers a nuanced, insightful guide to striking real balance, for true partnership in every aspect of our lives. Reframing emotional labor not as a problem to be overcome, but as a genderless virtue men and women can all learn to channel in our quest to make a better, more egalitarian world, *Fed Up* is surprising, intelligent, and empathetic essential reading for every woman who has had enough with feeling fed up.

Love What Matters Celadon Books

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we’ve been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let’s be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn’t sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F**k* is his antidote to the coddling, let’s-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

A Practical Wedding P & R Publishing

A companion to the popular website APracticalWedding.com and *A Practical Wedding Planner*, *A Practical Wedding* helps you sort through the basics to create the wedding you want -- without going broke or crazy in the process. After all, what really matters on your wedding day is not so much how it looked as how it felt. How to communicate decisions to your family Why that color-coded spreadsheet is actually worth it Wedding Zen can be yours. Meg walks you through everything from choosing a venue to writing vows, complete with stories and advice from women who have been in the trenches: the Team Practical brides. So here's to the joyful wedding, the sensible wedding, the unbelievably fun wedding! *A Practical Wedding* is your complete guide to getting married with grace.

The Empowered Wife, Updated and Expanded Edition Artisan Science fiction-roman.

*The Subtle Art of Not Giving a F*ck* Simon and Schuster

"From Ancient Greece through the many dynasties of China to current practices of non-monogamy, people have openly engaged in multiple intimate relationships. Not until the late 20th century, however, was a word coined that encapsulated the practice, as well as its philosophies, edicts and ethics: polyamory (poly = many + amore = love). For Franklin Veaux, who has been polyamorous for his entire adult life, the emerging framework and subsequent vocabulary for his lifestyle was a light in the dark. Candidly sharing his experiences and thoughts online catapulted his website morethantwo.com, among the first dedicated to the poly lifestyle, to one of the top-ranking on the subject. In recent years, as more people have discovered polyamory as a legitimate and desirable option for how they conduct their relationships, Franklin and one of his partners, Eve Rickert, saw that there was a growing need for a comprehensive guide to the lifestyle. *More Than Two* is that guide. This wide-ranging resource explores the often-complex world of living polyamorously: the nuances (no, this isn't swinging), the relationship options (do you suit a V, an N, an open network?), the myths (don't count on wild orgies and endless sex but don't rule them out either!) and the expectations (communication, transparency and trust are paramount). *More Than Two* is entirely without judgment and peppered with a good dose of humor. In it the authors share not only their hard-won philosophies about polyamory, but also their hurts and embarrassments. Living poly is not always an easy road, and they hope that by reading this book, you'll avoid some of the mistakes they've made along the way. Challenging the notion of what

society considers a healthy and successful relationship, they offer up personal stories from their own lives as well as of those in the wider poly world, emphasizing that this lifestyle choice isn't for the noncommittal. Polyamory is all about the relationships and the individuals participating. Charting a Relationship Bill of Rights, the authors underscore the importance of engaging in ethical polyamory and guide readers through the thorny issues of jealousy and insecurity with the aim of encouraging readers to work consistently and conscientiously on both their relationships and themselves. And no, they're not trying to convert you: they know that polyamory isn't for everyone. Veaux and Rickert simply provide those who might be embarking on this lifestyle or those who have always known they are poly with a set of tools and many questions to help them make informed decisions and set them on a path to enjoying multiple happy, strong, enriching relationships."--Amazon.com.

The Dude's Guide to Marriage Penguin

This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog YoungHouseLove.com, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas—both classic and unexpected—and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, "hack" your Ikea table to create three distinct looks, and so much more.

Codependent No More Macmillan

A groundbreaking book--based on years of the same thorough research that made the "Dress For Success" books national bestsellers--about how women can statistically improve their chances of getting married.

I Love You but I'm Not in Love with You Del Rey

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of

the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* *Red Rising* Jessica Kingsley Publishers

This fun, enlightening book features 401 everyday activities to help you become a better person and make a positive impact on the people around you. *How to Be a Better Person* is a unique and practical guide that can help you easily turn your good intentions into meaningful actions. Each activity serves as a daily inspiration for you to make a positive impact in your home, community, and relationships. With exercises designed to foster cheerfulness, kindness, generosity, gratitude, acceptance and inclusion, integrity, and honesty, you can learn how easy it is to be the person you've always wanted to be.

How to Be a Lady Who Leaves HarperCollins

First you marry a man who does not want children. He cheats and you divorce him. Then you marry the love of your life and find out he does not want to have children with you either. The three he has are more than enough. Although you always wanted to be a mother, you decide he is worth the sacrifice, expecting to have a long happy life together. But that's not what happens. This is the story of how a woman becomes childless by marriage and how it affects every aspect of her life. This is the book of my heart, the one I had to write. Ever since I realized I was not going to have children, I have felt recurring grief and an emptiness in my heart. I am different from most women, but I have found that I am not alone. There are many of us childless women, and I think it's important to share our stories about what it's like when you don't have children in a world where most girls grow up to become mothers. I hope this book offers comfort to those who are childless and understanding to those who are not. If it makes you smile here and there, even better.

The Love Dare Harvest House Publishers

In the bestselling tradition of *The Five People You Meet in Heaven* and *Humans of New York* comes a collection of authentic, emotional, and inspiring stories about life's most important moments, as curated by the editors at Love What Matters. "90% of the reads bring me to tears. I just can't believe the love this world truly has when all we see is hate. This is so uplifting." —Shelsea Where do you go when you want to feel inspired? When you want to forget about the divisiveness and the anger? For over five million people, that place is Love What Matters, a digital platform dedicated to finding and sharing the daily moments of kindness, compassion, and love that so often go overlooked. This curated collection of powerful stories features first person accounts and photographs that perfectly capture each moment: A husband learning he's about to be a dad. A new mom embracing her body. A cashier inadvertently teaching a young girl a lesson about patience. A bagel from a stranger that saved a homeless man's life. From long overdue adoptions to military heroes returning home; from a fireman's touching 9/11 tribute to what an old dinner plate found at a bake sale can teach us all about life—these are the moments that matter. They are genuine. Authentic. Raw. And they are perfect in their imperfection—just like all of us. You will no doubt experience goosebumps and tears,

but this mosaic of life's moments will leave you with something even more profound: a reminder that, in the end, love always wins. "This really is the best page on Facebook. It renews your love of humanity. There are still good people. We need more reports of acts of kindness." —Johnny

How to Be a Better Person Simon and Schuster

"If you're at the end of your relationship rope, reach for Radical Acceptance." —Elle A refreshing new approach to romantic partnerships, grounded in the importance of unconditional love that shows how "prioritizing your partner [creates] true happiness in your relationship" (John Gray, PhD, author of *Men Are From Mars, Women Are From Venus*). Loving the lovable parts of your partner is easy. He's funny, charming, smart, successful, and kind. He's perfect. Except for when he is not. Like when he is late. Or short-tempered. Or lazy. Or he's incorrectly loaded the dishwasher (again). Maybe he feels like the most frustrating person on the planet. Or maybe you're simply not feeling heard or seen. Or loved enough. It's these proverbial unlovable parts that make loving all of him so tough. But imagine if you let go of your itch to fix, judge, improve, or control your partner. Imagine if you replaced judgement with compassion and empathy. Tremendous empowerment and liberation come from loving someone—and being loved—for who we really are. This practice is called Radical Acceptance. Whether you're looking for Mr. Right or are already with him, this is your powerful five-step guide to attaining life's ultimate prize: unconditional love. You'll learn how to increase your emotional resilience, feel more confident, determine whether you're settling, quiet those doubt-filled voices in your head, get

out of that endless cycle of dead-end dates, reduce conflict, and build a deeply fulfilling, affirming relationship—all through highly actionable advice. Best of all, you will discover how amazing it feels to have your heart expanded by an abundance of love and compassion for your partner and yourself. Featuring compelling stories for real-life couples and insights from the foremost thought leaders and researchers in brain science, sexuality, psychotherapy, and neurobiology, *Radical Acceptance* illustrates that embracing your partner for exactly who they are will lead to a more harmonious relationship—and provide an unexpected path to your own personal transformation.

Ask a Manager BenBella Books, Inc.

Men, jobs, children, personal crises, irreconcilable social gaps—these are just a few of the strange and confusing reasons which may cause a female friendship to end. No matter the cause, the breakup of a female friendship leaves a woman devastated and asking herself difficult questions. Was someone to blame? Is the friendship worth fighting for? How can I prevent this from ever happening again? Even more upsetting is that women suffering from broken friendships often have no one to confide in; while the loss of a romantic partner garners sympathy among peers, discussing the loss of a platonic friend is often impossible without making other friends jealous or uncomfortable. Written by journalist and psychologist Irene Levine, Ph.D., *Best Friends Forever* is an uplifting and heroically honest book for abandoned friends seeking solace. Dr. Levine draws from the personal testimonials of thousands of women to provide anecdotes and

groundbreaking solutions to these complicated situations. Offering tools for personal assessment, case stories, and actionable advice for saving, ending, or re-evaluating a relationship, Levine shows that breakups are sometimes inevitable. Although the dissolution of female friendships can be difficult, *Best Friends Forever* teaches women to stop blaming themselves and probing the wounds, and that the sad experience of a broken friendship can make them stronger people, and more able to handle their relationships with wisdom.

To Love, Honor, and Vacuum HarperCollins

In this groundbreaking bestseller, Lundy Bancroft—a counselor who specializes in working with abusive men—uses his knowledge about how abusers think to help women recognize when they are being controlled or devalued, and to find ways to get free of an abusive relationship. He says he loves you. So...why does he do that? You've asked yourself this question again and again. Now you have the chance to see inside the minds of angry and controlling men—and change your life. In *Why Does He Do That?* you will learn about: • The early warning signs of abuse • The nature of abusive thinking • Myths about abusers • Ten abusive personality types • The role of drugs and alcohol • What you can fix, and what you can't • And how to get out of an abusive relationship safely "This is without a doubt the most informative and useful book yet written on the subject of abusive men. Women who are armed with the insights found in these pages will be on the road to recovering control of their lives."—Jay G. Silverman, Ph.D., Director, Violence Prevention Programs, Harvard School of Public Health
