A curse. A hidden identity.
A dangerous love. Ten-

life. Now at eighteen, she
must find a way to return

on her family line. Made

to fight for her life to earn

The story begins where
the trail went cold. The
second season of *Maisy
Farley's true crime*
podcast takes her to *Dead
Man's Hollow*, an
expansive conservation
area just outside
Pittsburgh, to investigate
a cold case. In 1994, a

sixteen-year-old girl
vanished from a party in
the woods. Heather Ryan
has never been found,
and no suspect has ever
been arrested. As the
thirtieth anniversary of
the girl's disappearance
approaches, *Maisy* is
determined to uncover
the truth about what
happened to her. The
teenagers with Heather
that night, now middle-
aged parents, remain
tight-lipped about the

events in the hollow. When details emerge, they're dark, disturbing, and not entirely trustworthy. And someone will stop at nothing to keep the long-buried truth hidden. *Dead Man's Hollow* is the second book in the *Maisy Farley* series by USA Today bestselling author Melissa F. Miller. *Let's Go on Safari!* Michelle Lynn Gaines The National Health System in the United Kingdom has supported the integration of CM because of its evidence basis. CM has recently

been implemented in clinics in Spain, the Netherlands, and Israel, and the author has been asked to consult on its integration in treatment settings in Canada, South Africa, Turkey, China, and Australia. The completion of the National Institute on Drug Abuse Clinical Trials Network study of CM interventions has raised awareness and interest throughout the US and abroad, most notably in Canada and the UK. *It's All Under Control* Createspace Independent

"It's All Under Control is the gift your soul has been desperately seeking—to feel how His arms of love are under you, carrying you though it all." —Ann Voskamp, New York Times bestselling author of *The Broken Way* and *The Greatest Gift* It's time to get our control under control. Jennifer Dukes Lee never thought she

struggled with control. As long as everything went exactly the way she wanted it to, she was totally flexible. But then Jennifer discovered what happens when you try to wrap your arms around everything, thinking it's all on you: You get burned out on hustle. You toss and turn more at night, and you laugh less during the day. You're so busy—caring, serving, working, and trying so hard—that you can't even hear God's voice anymore. *It's All Under Control* is a book for every

woman who is hanging on tight and trying to get each day right—yet finding that life often feels out of control and chaotic. Join Jennifer on the journey of learning how to: Overcome the anxieties and worries that burden your heart Prioritize your busy life so you can make choices that align with God’s best for you Find freedom through a new “Do, Delegate, or Dismiss” approach to your daily tasks Let go of what God has not asked you to do, so you can shine at what

he has Discover a new way of living that will free you to be you, and finally experience the peace of knowing a God who truly has it all under control. *Sometimes I Lie* Routledge Single moms, you are not alone. You may feel lonely, abandoned, overwhelmed, and ill-equipped in your life as a single mother, but you are not alone on this journey. God is WITH you, and if you are willing, He will help you build a strong home and legacy for your family. As a former single

mother, Michelle Lynn Senters understands you could use a little soul nourishment. In the *Unseen Companion*, she explores the ten needs every single mother has and asks, “God, where are you in this?” Avoiding clichés and hurtful platitudes, Michelle offers true hope from God’s Word. Her reflections, seasoned with personal experience, will help you: Trust that God sees your needs and can satisfy them Develop a vibrant relationship with God’s Word Avoid temptation

It's Always the Husband

ALICE FEENEYS NEW YORK TIMES AND INTERNATIONAL BESTSELLER "Boldly plotted, tightly knotted—a provocative true-or-false thriller that deepens and darkens to its ink-black

finale. Marvelous.” —AJ Finn, author of *The Woman in the Window* My name is Amber Reynolds. There are three things you should know about me: 1. I’m in a coma. 2. My husband doesn’t love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can’t move. She can’t speak. She can’t open her eyes. She can hear everyone around her, but they have no idea. Amber doesn’t remember what happened, but she has a suspicion her husband had something to do with

it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth? *Beautifully Scarred* Createspace Independent Publishing Platform A suspenseful, absorbing novel that examines the complexities of friendship, *It’s Always the Husband* will keep readers guessing right up to its shocking conclusion. *Mrs. Poe* Next Chapter
