Brother Lawrence was a seventeenth century Christian who had a dramatic spiritual awakening at the age of eighteen. Seeing a tree in winter, his soul suddenly opened to the presence of God. Within six years he had entered a Carmelite monastery in Paris, where he worked chiefly in the kitchen, cooking and cleaning. He practiced a simple and natural method. He merely turned his attention to the Divine Presence available at all times during any activity. He reports that he was as fully present with God while washing dishes in the kitchen as he was when partaking of the sacrament in worship. The profound peace and joy evident in Lawrence's life attracted many visitors, who sought to learn the secret of his unique spiritual practice. Originally published shortly after his death, this volume consists of personal conversations and letters, which communicate how one can experience God at all times. Also included in this edition are his Spiritual Maxims, a document that was discovered among his belongings after his death.

**The Practice of God's Presence** New World Library

This book maps out a thirty-day spiritual journey based on the classic work of Brother Lawrence, The Practice of the Presence of God. Discover how Brother Lawrence's insights can guide you in the midst of the hectic pace of your life.

*The Practice of the Presence of God* InterVarsity Press

More women than ever are incorporating some kind of spiritual practice into their daily lives, and not always in traditional religious form, but as alternative or hybrid practices. In *Practicing the Presence of the Goddess*, Barbara Ardinger offers a wide variety of meditations and personal rituals to help women honor the feminine spirit and commune with the Goddess. These include creating a sacred space at home, building a meaningful altar, using ritual and meditation to enrich awareness, and inventing new rituals to celebrate personal events. The author's wry, gentle humor and loving attitude shine through the text, which offers possibilities ranging from bringing love into one's life to having a heart-to-heart with the Goddess.

*The Practice of the Presence of God* Brown Chair Books

Brother Lawrence, a seventeenth-century French monk, learned to practice the presence of God at all times. And you can, too. Here in one volume are two classic works by Brother Lawrence. Each book reveals how to practice God's presence and see His glory in every facet of your life. *The Practice of the Presence of God* is a collection of documented conversations and letters that reveal the heart of this humble man. He wrote, "The time of business does not with me differ from the time of prayer, and in the noise and clatter of my kitchen . . . I possess God in as great tranquility as if I were upon my knees at the blessed sacrament." Brother Lawrence's wisdom and spiritual insights have helped bring people closer to God for more than three centuries. *The Spiritual Maxims of Brother Lawrence*, a lesser known but equally outstanding work, is a summary of his teachings. Throughout, he develops one great theme, best expressed by the psalmist, "In Thy Presence is fulness of joy." --This text refers to an out of print or unavailable edition of this title.

2018 IVP Readers' Choice Award God is everywhere and always with us. So why don't we experience his presence more? Life is full of distractions, and our 24/7 news cycles and social media drown out the voice of God. It's hard to discern God's presence amid the hubbub. But experiencing God is not just for the super-spiritual or ultra-mature. Every Christian can learn to cultivate a greater awareness of God in the everyday. Ken Boa offers a contemporary guide to practicing the presence of God. Using biblical foundations, living and historical examples, and evidence from neuroscience, Ken reveals how we can walk with God and abide in his presence. We need to rethink how we use our time and technology to make room for God, to train ourselves with new habits that deepen our awareness of God. This book offers not a magical technique but dozens of practical exercises and disciplines that help us draw close to God even in the midst of our cacophonous modern culture. Practicing God's presence is not just for the professionals. It's for ordinary people like us. And the more we live in God's presence, the greater our abiding peace and joy.

The Practice of the Presence of God is a spiritual classic written by Brother Lawrence, a 17th-century Carmelite monk. This small but impactful work is a compilation of letters and conversations attributed to Brother Lawrence, offering profound insights into cultivating a continuous awareness of the presence of God in everyday life.

**The Practice of the Presence of God. Illustrated** Our Daily Bread Publishing

Early Christian spirituality is a topic of enduring fascination today among scholars and general readers alike. Stories of hermits living in the desert in their pursuit of God catch our fancy. What motivated them and drew them to silence on their path to God? In this gracious tour, Norris J. Chumley introduces us to Hesychasm, or the practice of silence and contemplative prayer, and to the lives of its early practitioners. The reader is introduced to St. Anthony, St. Pachomius, Evagrius, St. John Climacus, and many others. Then, as only a teacher and mentor can, he opens up the important possibilities the practice has for today.

The celebrated guide to the awareness of the divine and transcendental in our daily lives. This modern spiritual classic is one of the three books.

Goldsmith felt contained the essence of all his teachings.

**Enjoying the Presence of God** InterVarsity Press

In our frantic, fast paced society, we need constant guidance to remind us that we can only find the peace of mind we sorely lack by looking inward. Judaism, like many other spiritual traditions, offers a unique path to cultivating fulfillment and presence of mind. In cultivating peace of mind, we do not aim to achieve transcendence. Rather, our goal is to enter fully into whatever is occurring in our lives and meet it with full presence. But being a better Jew and a happier person are not mutually exclusive. On the contrary, they are mutually interdependent. From the moment we wake to the moment we fall asleep, biblical commandments provide us with guidelines that encourage us to be aware of the present moment. A Guide to Jewish Mindfulness provides concise and clear instructions on how to cultivate peace of mind in order to attain a life of greater commitment and inspiration for the present moment.

The presence of God is meant to be more than just an occasional event during Sunday morning Worship---you are meant to live in God's presence! In The Lost Art of Practicing His Presence, James W. Goll uncovers ancient and nearly forgotten keys to deeper intimacy with Christ Jesus while revealing the ease of working with Christ instead of for Him. Through this book you will rediscover the lost precepts of Biblical meditation, contemplative prayer, and waiting on the Lord and learn how to apply them in your own life. Most importantly, you will gain inspiration for your own intimate walk and the courage to spread the fire His presence to everyone around you! The Lost Art of Practicing His Presence also includes a modern-language translation of The Practice of the Presence of God by Brother Lawrence. An inspiration to James Goll, this 15th-century believer has inspired generations of Christians with his simple life and profound writings on the nature and presence of the Lord.

[The Practice of the Presence of God](#) Christian Books Publishing House

Three hundred years ago, an uneducated lay cook in a French monastery discovered how to enjoy a profound awareness of God moment by moment, even in the midst of busyness and distraction. The Practice of the Presence of God reveals Brother Lawrence's secrets. Brimming with wisdom and spiritual insight, this classic memoir of the devotional life witnesses to the joy available to all who will seek Him.

[The Practice of the Presence of God](#) Harper Collins

Many wonder who Brother Lawrence was. He was a normal person who knew how to bring the presence of Holy Spirit our Creator The Almighty with him wherever he went. As you read this his short but anointed book, you will learn exactly how Brother Lawrence was able, on a steady basis during his waking hours to accomplish what most people think is impossible. People are searching for the glory of God and the presence of God these days. There are plenty of spiritual books out there that teach about seeking God's face and how to walk with God. To date, this little book is probably the best according to many for when it comes to practicing God's presence. We hope that the Holy Spirit will teach you many new things when reading

this book. It's possible that this Classic Christian book will become a favorite of yours in the years to come and that it will touch you deeply. You might be inspired to write some things you learn into your prayer journal. We hope you enjoy this timeless classic book and that The Great Almighty One will encourage and inspire you as much as He has us from reading it.

This edition of a timeless classic--enhanced by Emergent leader Tony Jones--will appeal to college students, readers new to Christian classics, and anyone else who desires to learn how to make spirituality a moment-by-moment way of life. Brother Lawrence's Practice of the Presence of God has stood the test of time because it chronicles the life of a very ordinary person who became an extraordinary Christian. Through a life of humility and service, Brother Lawrence achieved something that many Christians aspire to: he was so concentrated on God that God became a part of his every breath. Whether deep in prayer or peeling potatoes in the kitchen, he knew God's presence. This readable translation, replete with enlightening background notes, will appeal to today's reader in ways that no other edition has been able to do.

[The Practice of the Presence of God](#) Simon and Schuster

"This is an excellent book that explains spiritual principles and how to carry them into everyday life . . . Highly recommended."—Library Journal Sufism is a centuries-old spiritual psychology leading to presence in life. Presence is our capacity to be whole in the moment, in alignment with our deepest wisdom. With unusual clarity, this book describes how presence is different from ordinary habits of mind, and how it can be developed. Drawing on the words of the great Sufi, Rumi, as well as traditional material and personal experience, this book integrates the wisdom of Sufism with the needs of contemporary life. Living Presence offers a wisdom that is both universal and practical. It shows how we can bring spirituality and psychology into a balanced system that honors and awakens the soul. "I am pleased to give Living Presence a high recommendation: It is sober, thoughtful, and well worth deep reflection. Helminski is concerned with out interactions with each other, with cultivating love and a desire to serve the Highest through serving each other . . . a valuable emphasis in a culture like ours that tends to think of spiritual development as special and solitary experiences."—Noetic Sciences Review by Charles Tart, Ph.D.

**The Practice of the Presence of God** CreateSpace

Exploring the unity of the practice of prayer and the practice of theology, this book draws together insights from world-class theologians including Rowan Williams, Andrew Louth, Frances Young, Margaret R. Miles, Sebastian Brock, and Nicholaï Sakharov. Offering glimpses of the prayer-life and witness that undergirds theological endeavour, some authors approach the topic in a deeply personal way while others express the unity of prayer and the theologian in a traditionally scholarly manner. No matter what the denomination of the Christian theologian - Greek or Russian Orthodox, Roman Catholic, Anglican, Methodist - authors demonstrate that the discipline of theology cannot properly be practiced apart from the prayer life of the theologian. The prayer of the theologian shapes her or his approach to theology. Whether it be preaching, teaching, writing or research, the deep soundings of prayer inform and embrace all.

[The Practice of the Presence of God](#) Augsburg Fortress Publishers

"The Practice of the Presence of God" is among the most enduringly popular of all Christian devotional works. It is a collection of conversations with a simple seventeenth-century French Carmelite monk who, through the simplest of everyday activities, was able to achieve a profound intimacy with God. Brother Lawrence's teaching has resonated with Christians for more than three hundred years, and it is fitting that it is now available in this beautiful edition with a fine full-cloth cover, a sewn binding, and a ribbon marker.
